THOMAS S. W. LOWN

# Letters Of Hart Crane His Family

**Warner Berthoff**

## **Letters Of Hart Crane His Family:**

Letters of Hart Crane and His Family Hart Crane, 1974      **The Letters of Hart Crane, 1916-1932** Brom Weber, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1952      Hart Crane: Complete Poems & Selected Letters (LOA #168) Hart Crane, 2006-09-21 Presents a collection of writings by the American poet including his complete body of poetic and prose works as well as a selection of his letters and offers insight into his relationships with family and contemporaries      The Letters of Hart Crane, 1916-1932 Hart Crane, 1965      **Whitman, Melville, Crane, and the Labors of American Poetry** Peter Riley, 2019-05-23 In *Whitman Melville Crane and the Labors of American Poetry* Peter Riley confronts our enduring and problematic investment in poetic vocation a myth he argues that continues to inform how all our multifarious labors are understood valued and exploited The book seeks to challenge a dominant cultural logic that frames contingent non vocational labor as a necessary sacrifice that frustrates the righteous progress towards realizing that seemingly purest of callings Poet Incorporating the often overlooked or excluded workaday ephemera of three canonical US Romantic poets Walt Whitman Herman Melville and Hart Crane this volume offers new archival insights that call for a re examination of celebrated literary careers and disputes their status as renowned or tragic icons of creative vocation The poetry of Whitman the real estate dealer Melville the customs inspector and Crane the copywriter Riley contends does not constitute the formal inscription of an antagonistic or discreet poetic labor struggling against quotidian work towards the fulfillment of exceptional individual callings Instead the distracted forms of their poetry are always already intermingled with a variety of apparently lesser labors Ousting poetic production from its default sanctuary of privileged exemption or transcendent repose the volume refigures the work of the poet as a living sensuous activity that transgresses labor's various divisions and hierarchies It consequently recasts the poet as a figure who actually unfastens the right of passage vocational logic that does so much to secure and reproduce the current neoliberal paradigm      **The Complete Poems and Selected Letters and Prose of Hart Crane. Edited with an Introduction and Notes by Brom Weber. [With a Portrait.]** Harold Hart CRANE, 1968      **Hart Crane** Warner Berthoff,      **America's Forgotten Colony** Michael Neagle, 2016-12-24 Analysis of the American presence on the Isle of Pines illustrates how US influence adapted and endured in republican era Cuba      *Hart Crane and Allen Tate* Langdon Hammer, 2017-03-14 Focusing on the vexed friendship between Hart Crane and Allen Tate this book examines twentieth century American poetry's progress toward institutional sanction and professional organization a process in which sexual identities poetic traditions and literary occupations were in question and at stake Langdon Hammer combines biography and formalist analysis to argue that American modernism was a Janus faced phenomenon at once emancipatory

and elitist which simultaneously attacked traditional cultural authority and reconstructed it in new forms Hammer shows how Crane and Tate working in relation to each other and to T S Eliot created for themselves the competing roles of genius and poet critic Crane embraced the self authorizing powers of the individual talent at the cost of standing outside the emerging consensus of high modernist literary culture an aesthetic isolation which converged with his social isolation as a gay man Tate turning against Crane linked the modernist defense of tradition to an embattled heterosexual masculinity while he adapted Eliot s stance to a career sustained by criticism and teaching Ending his book with a discussion of Robert Lowell s career Hammer maintains that Lowell s confessional poetry recapitulates the conflict enacted by Crane and Tate Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Otto Kahn* Theresa M. Collins, 2014-03-01 In the early decades of the twentieth century almost everyone in modern theater literature or film knew of Otto Kahn 1867 1934 and those who read the financial press or followed the news from Wall Street could scarcely have missed his name A partner at one of America s premier private banks he played a leading role in reorganizing the U S railroad system and supporting the Allied war effort in World War I The German Jewish Kahn was also perhaps the most influential patron of the arts the nation has ever seen he helped finance the Metropolitan Opera brought the Ballets Russes to America and bankrolled such promising young talent as poet Hart Crane the Provincetown Players and the editors of the Little Review This book is the full scale biography Kahn has long deserved Theresa Collins chronicles Kahn s life and times and reveals his singular place at the intersection of capitalism and modernity Drawing on research in private correspondence congressional testimony and other sources she paints a fascinating portrait of the figure whose seemingly incongruous identities as benefactor and banker inspired the New York Times to dub him the Man of Velvet and Steel

**Midnight Rambles** David J. Goodwin, 2023-11-07 A micro biography of horror fiction s most influential author and his love hate relationship with New York City By the end of his life and near financial ruin pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten Today Lovecraft stands alongside J R R Tolkien as the most influential genre writer of the twentieth century His reputation as an unreformed racist and bigot however leaves readers to grapple with his legacy *Midnight Rambles* explores Lovecraft s time in New York City a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work Initially New York stood as a place of liberation for Lovecraft During the brief period between 1924 and 1926 when he lived there Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States He also married fellow writer Sonia H Greene a Ukrainian Jewish migr in

the fashion industry However cascading personal setbacks and his own professional ineptitude soured him on New York As Lovecraft became more frustrated his xenophobia and racism became more pronounced New York's large immigrant population and minority communities disgusted him and this mindset soon became evident in his writing Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes most notably his overtly racist short story The Horror at Red Hook set in Red Hook Brooklyn His personal letters reveal an even darker bigotry Author David J Goodwin presents a chronological micro biography of Lovecraft's New York years emphasizing Lovecraft's exploration of the city environment the greater metropolitan region and other locales and how they molded him as a writer and as an individual Drawing from primary sources letters memoirs and published personal reflections and secondary sources biographies and scholarship Midnight Rambles develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race ethnicity and immigration

*O My Land, My Friends* Hart Crane, Langdon Hammer, Brom Weber, 1997 This edition features over three hundred letters selected to best illustrate the complexity and textures of Hart Crane's turbulent life from family pressures to his creative ambition to his homosexuality

Hart Crane, a Reference Guide Joseph Schwartz, 1983

**Aaron Copland and His World** Carol J. Oja, Judith Tick, 2018-06-05 Aaron Copland and His World reassesses the legacy of one of America's best loved composers at a pivotal moment as his life and work shift from the realm of personal memory to that of history This collection of seventeen essays by distinguished scholars of American music explores the stages of cultural change on which Copland's long life 1900 to 1990 unfolded from the modernist experiments of the 1920s through the progressive populism of the Great Depression and the urgencies of World War II to postwar political backlash and the rise of serialism in the 1950s and the cultural turbulence of the 1960s Continually responding to an ever changing political and cultural panorama Copland kept a firm focus on both his private muse and the public he served No self absorbed recluse he was very much a public figure who devoted his career to building support systems to help composers function productively in America This book critiques Copland's work in these shifting contexts The topics include Copland's role in shaping an American school of modern dance his relationship with Leonard Bernstein his homosexuality especially as influenced by the writings of Andr Gide and explorations of cultural nationalism Copland's rich correspondence with the composer and critic Arthur Berger who helped set the parameters of Copland's reception is published here in its entirety edited by Wayne Shirley The contributors include Emily Abrams Paul Anderson Elliott Antokoletz Leon Botstein Martin Brody Elizabeth Crist Morris Dickstein Lynn Garafola Melissa de Graaf Neil Lerner Gail Levin Beth Levy Vivian Perlis Howard Pollack and Larry Starr

**Occasional Views** Samuel R. Delany, 2015-09-08 Essays lectures and interviews from the iconic award winning author and critic Samuel R Delany is an acclaimed writer of literary theory queer literature and fiction His prismatic output is among the most significant immense and innovative in American letters wrote novelist Jordy Rosenberg in the New York Times in 2019 This anthology of essays lectures and interviews addresses topics such as 9 11 race the garden

of Eden the interplay of life and writing and notes on other writers such as Theodore Sturgeon Hart Crane Ursula K Le Guin H Iderlin and an introduction to and a conversation with Octavia E Butler The first of two volumes this book gathers more than thirty pieces on films poetry and science fiction These sharp focused writings by a bestselling Black and gay author are filled with keen insights and observations on culture language and life An incredibly generous entry point to Samuel R Delany s pioneering insights about the intersections of genre race sexuality Science Fiction and what it means to live through and amongst those categories As he states What we need is not so much radical writers as we need radical readers This collection helps us satisfy that deeply necessary and timely cultural need Louis Chude Sokei author of *Floating In A Most Peculiar Way A Memoir* By turns gutsy and erudite challenging and gracious Delany s *Occasional Views* gives illuminating glances of his mind s life journey How lucky we are to have these proofs of the resonant truths he has discovered along the way Nisi Shawl author of *Everfair* Delany has such an intoxicating prodigious conversational mind and *More About Writing and Other Essays* is a delicious journey into his brilliance Whether he is unveiling how he navigates the terrain of being a science fiction writer or introspective reflections on race class sexuality or trusting his listeners as he gives wide ranging honest answers in his interviews responding with exacting humor to his critics remembering Clarion teaching experiences regretting missed sexual encounters with favorite writers creating space for the complexity of holding love and questions in the same breath we see how thoroughly he thinks about everything and how vibrant and multitudinous the web of connections is in his memory and imagination Reading Delany will make you a better writer I was particularly enthralled to read the dialogue with and later introduction of Octavia E Butler right as she s finishing *The Parable of the Talents* Adrienne Maree Brown co editor of *Octavia s Brood*

**Genealogies Cataloged by the Library of Congress Since 1986** Library of Congress,1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress

**The New Republic** ,1927

**The Cambridge Handbook of American Literature** Jack Salzman,1986-08-29 The Cambridge Handbook of American Literature offers a compact and accessible guide to the major landmarks of American literature

Hart Crane's Queer Modernist Aesthetic N. Munro,2015-03-30 Hart Crane s *Queer Modernist Aesthetic* argues that the aspects of experience which modernists sought to interrogate time space and material things were challenged further by Crane s queer poetics Reading Crane alongside contemporary queer theory shows how he creates an alternative form of modernism

Allen Tate Thomas A. Underwood,2021-04-13 Despite his celebrity and his fame a series of literary feuds and the huge volume of sources have until now precluded a satisfying biography of Allen Tate Anyone interested in the literature and history of the American South or in modern letters will be fascinated by his life Poetry readers recognize Tate whom T S Eliot once called the best poet writing in America as the author of some of the twentieth century s most powerful modernist verse Others know him as a founder of *The Fugitive* the first significant poetry journal to emerge from the South Tate joined

William Faulkner and others in launching what came to be known as the Southern Literary Renaissance In 1930 he became a leader of the Southern Agrarian movement perhaps America's final potent critique of industrial capitalism By 1938 Tate had departed politics and written *The Fathers* a critically acclaimed novel about the dissolution of the antebellum South He went on to earn almost every honor available to an American poet His fatherly mentoring of younger poets from Robert Penn Warren to Robert Lowell and of southern novelists including his first wife Caroline Gordon elicited as much rebellion as it did loyalty Long awaited and based on the author's unprecedented access to Tate's personal papers and surviving relatives *Orphan of the South* brings Tate to 1938 It explores his attempt first through politics and then through art to reconcile his fierce talent and ambition with the painful history of his family and of the South Tate was subjected to and also perpetuated fictional interpretations of his ancestry He alternately abandoned and championed Southern culture Viewing himself as an orphan from a region where family history is identity he developed a curious blend of spiritual loneliness and ideological assuredness His greatest challenge was transforming his troubled genealogy into a meaningful statement about himself and Southern culture as a whole It was this problem that consumed Tate for the first half of his life the years recorded here This portrait of a man who both made and endured American literary history depicts the South through the story of one of its treasured ambivalent and sometimes wayward sons Readers will gain a fertile understanding of the Southern upbringing education and literary battles that produced the brilliant poet who was Allen Tate
