Letters Of Henry James

William James, Henry James

Letters Of Henry James:

Letters Henry James, 1974 The third volume of Leon Edel's superb edition of Henry James's letters finds the novelist settled in Europe and his expatriation complete The letters of this time reflect the growth of James's literary and personal friendships and introduce the reader to the frescoed palazzos Palladian villas and great estates of the Roseberys the Rothschilds the Bostonian Venetian Curtises and the Florentine American Boott circle In all his travels James closely observes the social scene and the dilemmas of the human beings within it During this fruitful period he writes *The Bostonians* *The Princess Casamassima* *The Tragic Muse* and some thirty five of his finest international tales Undermining his success however are a devastating series of disappointments Financial insecurity an almost paranoic defensiveness following the utter failure of his dramatic efforts and the deaths of his sister his friend Robert Louis Stevenson and his ardent admirer Constance Fenimore Woolson all combine to take him to what he recognizes is the edge of an abyss of personal tragedy And yet James endures and throughout these trials his letters reveal the flourish the tongue in cheek humor and the social insight that marked his genius As Edel writes in his Introduction The grand style is there the amusement at the vanities of this world the insistence that the great ones of the earth lack the imagination he is called upon to supply and then his boundless affection and empathy for those who have shown him warmth and feeling In an appendix Mr Edel presents four remarkable unpublished letters from Miss Woolson to James These throw light on their ambiguous relationship and on James's feelings of guilt and shock after her suicide in Venice

Henry James Henry James, 2001-01-25 James's correspondents included presidents and prime ministers painters and great ladies actresses and bishops and the writers Robert Louis Stevenson H G Wells and Edith Wharton This fully annotated selection from James's eloquent correspondence allows the writer to reveal himself and the fascinating world in which he lived The letters provide a rich and fascinating source for James's views on his own works on the literary craft on sex politics and friendship Together they constitute in Philip Horne's own words James's real and best biography

Selected Letters of Henry James Henry James, 1999-12 Legend has tended to preserve Henry James as The Master that Joseph Conrad called him a rather long winded Olympian given to great utterances on the art of fiction and the writing of profound psychological studies The real life figure revealed in these letters is more terse and even astringent a professional writer an eager observer of life a man who delighted in meeting people and who made an art of friendship but who did not hesitate to descend into the marketplace of letters and get the best possible price for his wares Leon Edel designed this selection to show the kinds of letters James wrote to his family his contemporaries to would be writers letters injected with irony and obdurate truth Here are letters to Conrad Wells Galsworthy Henry Adams Howells Edith Wharton Fanny Kemble to great Victorians as well as those who bridged that era and the modern one

Letters Henry James, 1974 In this the second volume of Leon Edel's superb edition of the letters we see Henry James in his thirties pursuing his writing in Paris and London and finding his first literary successes in *Daisy Miller*

and *The Portrait of a Lady* The letters of these years describing for family and friends in Boston the expatriate's days reveal the usual wit and sophistication but there is a new tone James is relentlessly building a personal career and begins to see himself as a professional writer Few other letters so fully document the process of an artist in the making James was a social success in London in Mr Edel's words England speedily opened its arms to him as it does to anyone who is at ease with the world The letters of this period pull us into the atmosphere of Victorian England its drawing rooms manors and clubs and James's keen American eyes give us views of this world probably unique in our literary annals He used these observations to forge his great international theme the confrontation of the Old and New Worlds

The Complete Letters of Henry James, 1878-1880 Henry James, 2014-01-01 Containing letters written between September 2 1879 and May 14 1880 this second volume of *The Complete Letters of Henry James 1878-1880* documents the full establishment of Henry James as a professional writer and critic on both sides of the Atlantic as James publishes the novel *Confidence* and the literary biography *Hawthorne* and begins work on *Washington Square* and *The Portrait of a Lady* James also visits Paris Florence Rome and Naples begins his friendship with Constance Fenimore Woolson and deepens his attachment to London and to his friends and acquaintances there

William and Henry James William James, Henry James, 1997 This collection of 216 letters offers an accessible single volume distillation of the exchange between celebrated brothers William and Henry James Spanning more than fifty years their correspondence presents a lively account of the persons places and events that affected the Euro American world from 1861 until the death of William James in August 1910 An engaging introduction by John J McDermott suggests the significance of the *Selected Letters* for the study of the entire family

[The Complete Letters of Henry James, 1872-1876](#) Henry James, 2008-01-01 *The Complete Letters of Henry James* fills a crucial gap in modern literary studies by presenting in a scholarly edition the complete letters of one of the great novelists and letter writers of the English language Comprising more than ten thousand letters reflecting on a remarkably wide range of topics from James's own life and literary projects to broader questions about art literature and criticism this edition is an indispensable resource for students of James and of American and English literature culture and criticism as well as for research libraries throughout North America and Europe and for scholars of James the European novel and modern literature Pierre A Walker and Greg W Zacharias have conceived this edition according to the exacting standards of the Committee on Scholarly Editions This volume is the second of three to include James's letters from 1872 to 1876

The Letters of Henry James Henry James, 1920

The Complete Letters of Henry James, 1878-1880 Henry James, 2014-10-15 Containing letters written between October 3 1878 and August 30 1879 this volume of *The Complete Letters of Henry James* reveals Henry James establishing control of his writing career and finding confidence in himself not only as a professional author on both sides of the Atlantic but also as an important social figure in London In this volume of 114 letters of which 58 are published for the first time we see James learning to negotiate pitting one publisher against another and working to secure simultaneous publication in the United

States and England He establishes a working relationship with Frederick Macmillan and with the Macmillan publishing house cultivates reviewers basks in the success and notoriety of his novella Daisy Miller and visits Alfred Tennyson and George Eliot among others James also produces essays on political subjects and continues to publish reviews and travel essays Perhaps most important James negotiates terms for and begins planning *The Portrait of a Lady* *The Complete Letters of Henry James, 1872-1876* Henry James, 2008-01-01 The Complete Letters of Henry James fills a crucial gap in modern literary studies by presenting in a scholarly edition the complete letters of one of the great novelists and letter writers of the English language Comprising more than ten thousand letters reflecting on a remarkably wide range of topics from James's own life and literary projects to broader questions on art literature and criticism this edition is an indispensable resource for students of James and of American and English literature culture and criticism as well as for research libraries throughout North America and Europe and for scholars who specialize in James the European novel and modern literature

The Complete Letters of Henry James, 1876-1878 Henry James, 2012-01-01 Volume 2 This volume contains letters written from December 21 1877 to September 29 1878 when having settled comfortably into London life James finished preparing the foundation for the career that would define his reputation as a critic and fiction writer During this time James published *Daisy Miller* and *The Europeans* as well as other fiction reviews and cultural criticism *The Complete Letters of Henry James, 1855-1872* Henry James, 2006 Publisher description *Letters* Henry James, 1974 **Henry James, Selected Letters** Henry James, 1987 Gathers letters James wrote to his friends family and fellow writers in the U S Europe and England *The Letters of Henry James* Henry James, 2020 **LETTERS OF HENRY JAMES** Henry 1843-1916 James, Percy 1879 Lubbock, 2016-08-27 *The Letters of Henry James Volume 2* Henry James, Percy Lubbock, 2015-12-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Complete Letters of Henry James, 1887-1888* Henry James, 2022-10 This sixteenth installment in the complete collection of Henry James's letters records James's ongoing efforts to care for his sister develop his work strengthen his professional status build friendships engage timely political and economic issues and maximize his income **The Complete Letters of Henry James, 1883-1884** Henry

James,2019-10-01 This volume of The Complete Letters of Henry James 1883 1884 includes 125 letters of which 72 are published for the first time written from January 29 1884 to November 9 1884 The letters mark Henry James s confidence and achievements as an internationally important professional writer including his participation in conceiving and carrying out with editors and publishers complicated plans to distribute his work and maximize his income James details his work on mid career novels The Bostonians and The Princess Casamassima as well as work on a number of tales that would help to define his career This volume concludes with James s anticipation of the arrival in England from the United States of his sister Alice who would never again return to her homeland *The Letters of Henry James (Vol. I)* James Henry,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
