

Springfield

Sept 12th 1856

My dear General. I have just arrived
here from Chicago and that the
whole city is filled with enthusiasm
in respect to your presence
here next Sunday. Under some
misapprehension notice from
you and widely circulated that
you have accepted the invitation
and would certainly be present.
The disappointment will be very
great and will injure us very
much if you do not come.

Letters Of Stephen A Douglas

John C. Waugh

Letters Of Stephen A Douglas:

The Letters of Stephen A. Douglas Stephen Arnold Douglas,1961 **The Letters of Stephen A. Douglass** Stephen Arnold Douglas,1961 Journal of the Illinois State Historical Society Illinois State Historical Society,1924 **The Letters of Stephen Arnold Douglas** Stephen Arnold Douglas,1961 **The Letters of Stephen A. Douglas. Edited by Robert W. Johannsen** Stephen Arnold DOUGLAS,Robert Walter JOHANNSEN,1961 *One Man Great Enough* John C. Waugh,2017-11-01 From the author of *The Class of 1846* A swift paced narrative of Lincoln s pre presidential life The Washington Post Book World How did Abraham Lincoln long held as a paragon of presidential bravery and principled politics find his way to the White House How did he become the one man great enough to risk the fate of the nation on the well worn but cast off notion that all men are created equal Here award winning historian John C Waugh takes readers on Lincoln s road to the Civil War From his first public rejection of slavery to his secret arrival in the capital from his stunning debates with Stephen Douglas to his contemplative moments considering the state of the country he loved Waugh shows us America as Lincoln saw and described it Much of this wonderful story is told by Lincoln himself detailing through his own writing his emergence onto the political scene and the evolution of his beliefs about the Union the Constitution democracy slavery and civil war Waugh sets Lincoln s path in new relief by letting the great man tell his own story at a depth that brings us ever closer to understanding this mysterious complicated and truly great man Lively prose backed with solid research Publishers Weekly Waugh s judicious use of the historical record and his dramatic prose make for an enjoyable read Kirkus Reviews

The Letters of Stephen A. Douglas Stephen Arnold Douglas,1961 *A Scrapbook of Contemporary Newspaper Clippings of the Speeches and Letters of Stephen A. Douglas* Stephen Arnold Douglas,William A. Turney,1858 Stephen A. Douglas and Antebellum Democracy Martin H. Quitt,2012-09-24 Demonstrates how Stephen Douglas s path to overnight stardom in Illinois led to his identification with the Democratic Party *Shapers of the Great Debate on the Civil War* Dan Monroe,Bruce Tap,2005-07-30 With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social

cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included Each biography provides a concise account of the subject's life followed by an analysis of the figure's role and contribution to the central issues of the day and concludes with a bibliography of secondary and primary sources available to students An appendix of over 180 additional biographies highlights the lives of others who played a role in the debates of the Civil War

Complete works; comprising his speeches, letters, state papers, and miscellaneous writings Abraham Lincoln, 1894

The Letters of Stephen A[rnold] Douglas. Ed. by Robert W[alter] Johannsen Stephen Arnold Douglas, Robert Walter Johannsen, 1961

The Stormy Present Adam I. P. Smith, 2017-10-06 In this engaging and nuanced political history of Northern communities in the Civil War era Adam I P Smith offers a new interpretation of the familiar story of the path to war and ultimate victory Smith looks beyond the political divisions between abolitionist Republicans and Copperhead Democrats to consider the everyday conservatism that characterized the majority of Northern voters A sense of ongoing crisis in these Northern states created anxiety and instability which manifested in a range of social and political tensions in individual communities In the face of such realities Smith argues that a conservative impulse was more than just a historical or nostalgic tendency it was fundamental to charting a path to the future At stake for Northerners was their conception of the Union as the vanguard in a global struggle between democracy and despotism and their ability to navigate their freedoms through the stormy waters of modernity As a result the language of conservatism was peculiarly and revealingly prominent in Northern politics during these years The story this book tells is of conservative people coming in the end to accept radical change

Lincoln's Inaugurals, Addresses and Letters (selections) Abraham Lincoln, 1910

Union General John A. McClernand and the Politics of Command Christopher C. Meyers, 2010-10-01 John A McClernand was a career politician and those ambitions and qualities continued during his Civil War service A member of the Illinois General Assembly and a U S Representative for 10 years McClernand was connected to other prominent figures of the time such as Abraham Lincoln and Stephen Douglas However he is best known for his rivalry with Gen Ulysses S Grant and this biography balances McClernand's political career with his military leadership and his place in the Union command structure

The Slaveholding Republic the late Don E. Fehrenbacher, 2002-12-19 Many leading historians have argued that the Constitution of the United States was a proslavery document But in *The Slaveholding Republic* one of America's most eminent historians refutes this claim in a landmark history that stretches from the Continental Congress to the Presidency of Abraham Lincoln Fehrenbacher shows that the

Constitution itself was more or less neutral on the issue of slavery and that in the antebellum period the idea that the Constitution protected slavery was hotly debated many Northerners would concede only that slavery was protected by state law not by federal law Nevertheless he also reveals that U S policy abroad and in the territories was consistently proslavery Fehrenbacher makes clear why Lincoln s election was such a shock to the South and shows how Lincoln s approach to emancipation which seems exceedingly cautious by modern standards quickly evolved into a Republican revolution that ended the anomaly of the United States as a slaveholding republic

The Worlds of James Buchanan and Thaddeus Stevens Michael J. Birkner,Randall M. Miller,John W. Quist,2019-06-05 The Worlds of James Buchanan and Thaddeus Stevens examines the political interests relationships and practices of two of the era s most prominent politicians as well as the political landscapes they inhabited and informed Both men called Lancaster County Pennsylvania their home and both were bachelors During the 1850s James Buchanan tried to keep the Democratic Party alive as the slavery debate divided his peers and the political system Thaddeus Stevens meanwhile as Whig turned Republican invested in the federal government to encourage economic development and social reform especially antislavery and Republican Reconstruction Considering Buchanan and Stevens s divergent lives alongside their political and social worlds reveals the dynamics and directions of American politics especially northern interests and identities While focusing on these individuals the contributors also explore the roles of parties and patronage in informing political loyalties and behavior They further track personal connections across lines of gender and geography and underline the importance of details like who regularly dined and conversed with whom the complex social milieu of Washington the role of rumor in determining political allegiances and the ways personality and failing relationships mattered in a hothouse of national politics fueled by slavery and expansion The essays in The Worlds of James Buchanan and Thaddeus Stevens collectively invite further consideration of how parties personality place and private lives influenced the political interests and actions of an age affected by race religion region civil war and reconstruction

Abraham Lincoln: Complete Works, Comprising His Speeches, Letters, State Papers, and Miscellaneous Writings Abraham Lincoln,1922 Transactions of the Illinois State Historical Society for the Year ... ,1909

Lincoln at Peoria Lewis E. Lehrman,2008-06-13 The pivotal speech that changed the course of Lincoln s career and America s history Complete examination of the speech including the full text delivered in 1854 in Peoria Illinois
