Letters On Revival:

Letters on Revival Charles Finney, 2016-07-07 The fact is brethren a revival must take place among ministers If there could be a protracted meeting for ministers if some hundreds of ministers would assemble and preach and pray and labor for each other s spiritual welfare until there was a deep and thorough revival of religion among them if they would deal so faithfully with each other and so affectionately as to get their hearts together and together get into a deep sympathy with Christ they would no doubt return from such a meeting to their several charges and the result would be a general revival of religion throughout their churches Brethren what can be done to affect the ministry rightly to bring them off from this jangling and sectarianism ambition and every evil way and engage their hearts to live and die for Christ and for souls O this is the great thing needed If this can be attained the day of Zion s glory has dawned But if ministers are to backslide and turn aside to vain jangling to church politics and maneuvering as they have for the last few years I am persuaded that God must either let the churches under their influence go into a state of still deeper degradation and backsliding or else He must set them aside and introduce some instrumentality independent of them to build up the wastes of Zion My soul is greatly troubled and my spirit is stirred within me in looking at the state of the ministry Brethren will you let me speak in love Will you be offended with me if I tell you all my heart For Zion s sake I cannot rest and for Jerusalem s sake I cannot hold my peace Will the brethren wake up and lay hold on God for a general revival of religion When shall it once be Your Brother C G FINNEY GET MORE BOOKS AT REVIVALPRESS NET Letters on Revival Ebenezer Porter, 2004 **Letters on Revival** Charles G. Finney, 1845 Revivals of religion have been gradually becoming more and more superficial All the phenomena which they exhibit testify to this as a general fact There is very much less deep conviction of sin and deep depth of humility and much less strength in all the graces exhibited by converts in late revivals than in the converts from the revivals which occurred about 1830 and 1831 and for some time previous I have observed as have others also that revivals are of much shorter duration and that a reaction comes on much more suddenly and disastrously than formerly Also that fewer of the converts make stable and efficient Christians that those who do persevere appear to have less of the Spirit of Christ than in former revivals not so much of the spirit of prayer and are not so modest and humble In short all the phenomena of the more recent revivals judging from my own experience and observation and from the testimony of other witnesses show that they have at least very extensively taken on a much less desirable type than formerly Christians are much less spiritual in revivals much less prevalent in prayer not so deeply humbled and quickened and thoroughly baptized with the Holy Ghost as they were formerly These statements I do not suppose to be universally applicable to modern revivals but I do believe them to be applicable generally As revivals now exist I believe ministers are not nearly as desirous of seeing them in their congregations as they formerly were nor have they good reason to be Those ministers who have witnessed none but the later revivals of which I speak are almost afraid of revivals They have seen the disastrous results of modern revivals so frequently that they

honestly entertain the doubt whether they are upon the whole desirable Those as I have good reason to know who saw the revivals which occurred ten or twenty years ago greatly prefer revivals of that type They are distressed with the superficiality of many recent revivals I make this as a general not a universal remark and state only my own opinion of public sentiment I have often heard it said both among ministers and private Christians we long to see the days return when we shall have such revivals as we saw years ago I have been anxiously watching the progress of things in this direction and inquiring as carefully and prayerfully as I could into the causes which are operating to produce these results If I am not misinformed and have not greatly misapprehended the case the following will be found among them
