Letters On Yoga Voli:

Handbook of the Theosophical Current ,2013-01-08 Few religious currents have been as influential as the Theosophical Yet few currents have been so under researched and the Brill Handbook of the Theosophical Current thus represents pioneering research A first section surveys the main people and events involved in the Theosophical Society from its inception to today and outlines the Theosophical worldview A second substantial section covers most significant religions to emerge in the wake of the Theosophical Society Anthroposophy the Point Loma community the I AM religious activity the Summit Lighthouse Movement the New Age theosophical UFO religions and numerous others Finally the interaction of the Theosophical current with contemporary culture including gender relations art popular fiction historiography and science are discussed at length *The True Path* Roy J. Mathew, M.d.,2009-02-18 In *The True Path* Duke psychiatrist Roy J Mathew draws on his own extensive knowledge of neuroscience as he looks at the centuries old Indian idea that spirituality is a state of mind a higher form of consciousness Mathew shows how the latest brain research demonstrates that activities such as prayer music art nature intuitive knowledge altruism and meditation stimulate the non dominant hemisphere of the brain Spirituality is intimately connected to this area of the brain and must be accessed according to Indian philosophy by removing the sheaths of everyday life With scientific evidence that this pure consciousness truly exists Mathew shows readers how to use meditation yoga and other traditional methods of contemplation to achieve this spiritual state of mind

The Shambhala Encyclopedia of Yoga Georg Feuerstein,1997 Here is an authentic portrayal of a rich and complex spiritual tradition of India The over two thousand entries cover Yoga s history its many approaches schools teachers scriptures as well as its technical terminology The book is arranged and written in a manner that will inform rather than overwhelm the lay reader while at the same time offering valuable references for the professional researcher and the historian of religion The Shambhala Encyclopedia of Yoga offers the following features Each entry has cross references providing pertinent conceptual links Entries are in English alphabetical order unlike comparable reference works that follow Sanskrit alphabetical order which is difficult for the lay reader to follow Orientational entries provide an overview of central aspects of the Yoga tradition such as history psychology and major branches Many entries cite or even quote original sources shedding light on how a given term is used by traditional Yoga authorities **General Catalogue of Printed Books to**
