## **Letters From The Teacher 1924:**

**Letters of Ralph Vaughan Williams, 1895-1958** Ralph Vaughan Williams, 2008-08-07 The book comprises a selection of some 750 letters of the composer Ralph Vaughan Williams selected from an extant corpus of about 3 300 The letters are arranged chronologically and have been chosen to provide a cumulative pen picture of the composer in his own words In general the letters reflect VW's major preoccupations musical personal and political It was not VW's way to discuss his inner creative processes but he does discuss his music once it had been written for example there is much to illustrate the process of washing the face of his major pieces before and after they had reached the concert platform There is correspondence with collaborators such as Gilbert Murray Harold Child and Evelyn Sharp who provided texts with his publishers mainly OUP about printing scores and parts with conductors such as Adrian Boult and John Barbirolli about performances He was in regular correspondence with fellow composers such as Gustav Holst George Butterworth Gerald Finzi Herbert Howells John Ireland Alan Bush and Rutland Boughton There were his pupils Elizabeth Maconchy and Cedric Thorpe Davie amongst others A series of close personal friendships is well represented his Cambridge contemporary and cousin Ralph Wedgwood Edward Dent and latterly Michael Kennedy Above all there are insights on his lifelong devotion to his first wife Adeline and his growing friendship with Ursula Wood who was to become his second wife In general the book paints a self portrait of Vaughan Williams not only as a great composer but as a large minded and public spirited personality who towered over the British musical world for forty years     The Open Shelf ,1919     Letters of Louis MacNeice Louis MacNeice, 2014-11-20 Louis MacNeice is increasingly recognised as one of the greatest poets of the twentieth century and his work has been a defining influence upon a generation of Irish poets that includes Derek Mahon Michael Longley and Paul Muldoon The Selected Letters is indispensable as a resource for an understanding of the intellectual culture of the mid twentieth century A Classics don poet playwright and globetrotting BBC producer the medley and blend of MacNeice's cultural influences seems exemplary in its modernity He kept up a significant correspondence with E R Dodds Anthony Blunt and T S Eliot to name but three prominent figures of the time During his time at the BBC MacNeice witnessed many key events including the partition of India in 1947 and the independence of the Gold Coast from Britain in 1957 and these are recorded in two long sequences to his wife the singer Hedli Anderson His complex relationship to Ireland and to his Irish heritages speak resonantly to contemporary debates about Irish and Northern Irish cultural identity Finally the Letters will do much to broaden our understanding of a vivid and often enigmatic personality whose varied life and individual charisma have often resisted explanation     **The Selected Letters of Florence Kelley, 1869-1931** Florence Kelley, 2009 As head of the National Consumers League from its founding in 1899 until her death in 1932 Florence Kelley led campaigns that reshaped the conditions under which goods were produced in the United States She also worked to pass laws providing for an eight hour workday a minimum wage the first federal health legislation for women and children and abolition of child labor An ally of W

E B DuBois she was a founding member of the National Association for the Advancement of Colored People and served on its board for twenty years This volume collects nearly three hundred of Kelley s letters written over the course of more than six decades Rendered in Kelley s vivid often combative prose these letters also provide an intimate view into the personal life of a dedicated reformer who balanced her career with her responsibilities as a single mother of three children **President's Report** University of Michigan,1925 Catalogue of Manuscripts Acquired Since 1925: Manuscripts 7530-8022, Scottish foreign mission records, 1827-1929 National Library of Scotland,1938 The Amateur Hour Jonathan Zimmerman,2020-10-27 The first full length history of college teaching in the United States from the nineteenth century to the present this book sheds new light on the ongoing tension between the modern scholarly ideal scientific objective and dispassionate and the inevitably subjective nature of day to day instruction American college teaching is in crisis or so we are told But we ve heard that complaint for the past 150 years as critics have denounced the poor quality of instruction in undergraduate classrooms Students daydream in gigantic lecture halls while a professor drones on or they meet with a teaching assistant for an hour of aimless discussion The modern university does not reward teaching so faculty members at every level neglect it in favor of research and publication In the first book length history of American college teaching Jonathan Zimmerman confirms but also contradicts these perennial complaints Drawing upon a wide range of previously unexamined sources The Amateur Hour shows how generations of undergraduates indicted the weak instruction they received But Zimmerman also chronicles institutional efforts to improve it especially by making teaching more personal As higher education grew into a gigantic industry he writes American colleges and universities introduced small group activities and other reforms designed to counter the anonymity of mass instruction They also experimented with new technologies like television and computers which promised to personalize teaching by tailoring it to the individual interests and abilities of each student But Zimmerman reveals the emphasis on the personal inhibited the professionalization of college teaching which remains ultimately an amateur enterprise The more that Americans treated teaching as a highly personal endeavor dependent on the idiosyncrasies of the instructor the less they could develop shared standards for it Nor have they rigorously documented college instruction a highly public activity which has taken place mostly in private Pushing open the classroom door The Amateur Hour illuminates American college teaching and frames a fresh case for restoring intimate learning communities especially for America s least privileged students Anyone who wants to change college teaching will have to start here *The Neville Chamberlain Diary Letters* Robert Self,2016-12-05 As a primary source of historical evidence and insight it is difficult to overstate the value and importance of Neville Chamberlain s diary letters to his sisters They represent the most complete and illuminating insider record of British politics between the wars yet to be published From 1915 Chamberlain wrote detailed weekly epistles to his sisters until his death in 1940 a confidential account of events covering the quarter of a century during which he stood at the very centre of Conservative and national politics Beyond the fascination of

the historical record of people and events these letters are extremely valuable for the remarkable light they throw upon the personality and character of the private man lurking behind the austere public persona **Quarterly Bulletin of the Providence Public Library** Providence Public Library (R.I.),1925 *Amarna Letters from Palestine, Syria, the Philistines and Phoenicia* Cambridge University Press,2003-03 The President's Report University of Michigan,1927

Laurence Senelick,2013-10-08 Konstantin Stanislavsky transformed theatre in the West and was indisputably one of the twentieth century s greatest innovators His life and work mark some of the most significant artistic and political milestones of that tumultuous century from the emancipation of the serfs to the Russian Revolution Little wonder then that his correspondence contains gripping exchanges with the famous and infamous of his day men such as Tolstoy Chekhov Trotsky and Stalin among others Laurence Senelick one of the world s foremost scholars of Russian literature mines the Moscow archives and the definitive Russian edition of Stanislavsky s letters to produce the fullest collection of the letters in any language other than Russian He sheds new light on this fascinating field Senelick takes us from the earliest extant letter of an eleven year old Konstantin in 1874 through his work as actor director and actor trainer with the Moscow Art Theatre to

messages written just before his death in 1938 at the age of seventy five We discover Stanislavsky as son brother and father as lover and husband as businessman and internal emigre He is seen as a wealthy tourist and an impoverished touring actor a privileged subject of the Tsar and a harried victim of the Bolsheviks Senelick shares key insights into Stanislavsky's work on such important productions as *The Seagull* *The Cherry Orchard* *Hamlet* *Othello* and *The Marriage of Figaro* The letters also reveal the steps that led up to the publication of his writings *My Life in Art* and *An Actor's Work on Himself* This handsome edition is also comprehensively annotated and fully illustrated *Selected Letters of Katherine Anne Porter* Darlene Harbour Unrue, 2012-11-28 Katherine Anne Porter 1890-1980 produced a relatively small body of fiction but she wrote thousands and thousands of letters The present selection of 135 unexpurgated letters written to seventy four different persons begins with a 1916 letter written from a tuberculosis sanatorium in Texas and ends with a 1979 letter dictated to an unnamed nursing home attendant in Maryland Different from any previous selection this body of letters does not omit Porter's frank criticism of fellow writers and spans her entire life Within that circumscription is the chronicle of Porter a twentieth century woman searching for love while she struggles to become the writer who she is sure she can be Porter's letters vividly showcase the twentieth century as the writer observes it from her historical vantage points tuberculosis sanatoria and the influenza pandemic of 1918 the leftist community in Greenwich Village in the 1920s the Mexican cultural revolution of the 1920s and early 1930s the expatriate community in Paris in the 1930s the rise of Nazism in Europe between the World Wars the Second World War and its concomitant suppression of civil liberties Hollywood and the university circuit as a haven for financially strapped writers in the 1940s and 1950s the Cold War and its competition for supremacy in space the women's rights and the civil rights movements and the evolution and demise of literary modernism **Life and Letters of Stuart P. Sherman** Jacob Zeitlin, Homer Edwards Woodbridge, Stuart Pratt Sherman, 1929 [The Journal of the National Education Association](#) National Education Association of the United States, 1925 [Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education](#) Miloslav Rechcigl Jr., 2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates
