Strauss, 2001      **Forever Liesl** Charmian Carr, 2001-04-01 The magic of The Sound of Music lives on in the minds and hearts of everyone it has touched Now Charmian Carr who in 1965 captivated moviegoers as Liesl Sixteen Going on Seventeen von Trapp tells what it was like to be a part of the film that has become a cultural phenomenon It's all here from how she got the role and why she almost didn't to romances on the set and wild nights in Salzburg from the near disaster during the gazebo dance to her relationships then and now with her six celluloid siblings Charmian offers stories from fans and friends and a treasury of photographs And she reveals why she left acting what she learned when she met the real von Trapp children and how The Sound of Music has helped her get through stormy times in her own life Forever Liesl celebrates the spirit of the movie and what it stands for family love romance inspiration nostalgia and the joy and power of music      Lost Letters from Vienna Sue Course, 2019-11-01 In 1977 Sue Course discovered a box of airmail letters in the dark recesses of a cupboard written in German Her German was rusty but she could see that most were from her parents and grandparents and were written from the time of the Nazi invasion of Vienna in 1938 The letters revealed a gripping tale of their war and that of their extended family the stories of those who escaped and eventually resettled across the globe and their experiences in that process The story was fleshed out through the later discovery of diaries and far flung family members war memoirs For Sue's family their entitlement to be a part of Viennese society and a citizen of the Austrian nation itself was lost when the Nazis annexed her country Sue was just four when she arrived in Australia with her family too young to appreciate the penurious circumstances of their life at a time where German speaking foreigners were viewed as enemy aliens and where there was little immediate opportunity for non English speaking professionals to find respect or employment in their professions Antipodean life was a far cry from the genteel experience of being raised in Vienna and this story documents superbly the displacement dislocation and immense struggle for those who have had to flee their countries with its destructive consequences loss of identity culture career family and social networks or any acknowledgement of value to the host society      **The Sound of Music FAQ** Barry Monush, 2015-02-01 The Sound of Music FAQ is a comprehensive encyclopedia like reference to the world's most popular movie musical Rather than focusing on the often told stories of this classic movie this book looks at the 1965 Oscar winner in relation to its source including the true von Trapp family story and the Broadway musical from which it was derived The Sound of Music FAQ explores such facts and trivia as the movie's phenomenal original run in cinemas during which it dominated the box office for a staggering amount of time and became the highest grossing movie of the 1960s and of all time its long and varied life on home video and primetime television the bestselling soundtrack and many other related recordings information behind the stunning Austrian locations the critical feedback the many stage revivals and the continuing references homages reunions and tributes related to it over the many decades since its release      *Lady Liesl's Seaside Surprise* Tansy Rayner Roberts, 2022-09-30 Spied

recognized as one of the giants of postwar American fiction William Gaddis shunned the spotlight during his life which makes this collection of his letters a revelation Beginning in 1930 when Gaddis was at boarding school and ending in September 1998 a few months before his death these letters function as a kind of autobiography and also reveal the extent to which he drew upon events in his life for his fiction Here we see him forging his first novel *The Recognitions* 1955 while living in Mexico fighting in a revolution in Costa Rica and working in Spain France and North Africa Over the next twenty years he struggles to find time to write the National Book Award winning *J R* 1975 amid the complications of work and family deals with divorce and disillusionment before reviving his career with *Carpenter's Gothic* 1985 then teaches himself enough about the law to produce *A Frolic of His Own* 1994 Resuming his lifelong obsession with mechanization and the arts he finishes a last novel *Agap Agape* published in 2002 as he lies dying This newly revised edition includes clarifying notes by Gaddis scholar Steven Moore as well as an afterword by the author's daughter Sarah Gaddis [Letters to his Parents](#) Theodore W. Adorno, 2014-10-17 My dears this is but a brief note to welcome you to the new world where you are now no longer all too far away from us So begins Adorno's letter to his parents in May 1939 welcoming them to Cuba where they had just arrived after fleeing from Nazi Germany at the last minute At the end of 1939 his parents moved again to Florida and then to New York where they lived from August 1940 until the end of their lives It is only with Adorno's move to California at the end of 1941 that his letters to his parents start arriving once more reporting on work and living conditions as well as on friends acquaintances and the Hollywood stars of his time One finds reports of his collaborations with Max Horkheimer Thomas Mann and Hanns Eisler alongside accounts of parties clowning around with Charlie Chaplin and ill fated love affairs But the letters also show his constant longing for Europe Adorno already began to think about his return as soon as the USA entered the war Adorno's letters to his parents surely the most open and direct letters he ever wrote not only afford the reader a glimpse of the experiences that gave rise to the famous *Minima Moralia* but also show Adorno from a previously unknown very personal side They end with the first reports from the ravaged Frankfurt to his mother who remained in New York and from Amorbach Adorno's childhood paradise **Letters of Heinrich and Thomas Mann, 1900-1949** Thomas Mann, Heinrich Mann, 1998-01-01 Presents the correspondence of Thomas and Heinrich Mann **Letters from Motherless Daughters** Hope Edelman, 2025-05-01 After a mother's death a daughter embarks on a personal journey of grief and healing Hope Edelman shared her journey in *Motherless Daughters* afterward she received letters from motherless women all over the world who felt compelled to share their own stories of mother loss Comforted by the shared experiences that appeared in the book they wanted to hear more from women like them *Letters from Motherless Daughters* was created to fulfill that request and now in this updated edition Hope compiles letters received over the two decades since the publication of her New York Times bestseller In their own voices these daughters ranging in age from thirteen to seventy eight share their journeys of mourning and regeneration Beginning with the initial period of adjustment and acceptance covering the first

years after a mother's death and describing lives shaped by loss more than twenty years later these letters reflect the challenges and triumphs motherless girls and women face over time The words of these brave women illustrate the profound pain astounding strength and personal growth inherent in living through the loss of a mother without ever outliving the need for her
