Levinas And The Political

Philip J. Harold

Levinas And The Political:

An-Archy and Justice William Paul Simmons, 2003 *An Archy and Justice* reveals how Emmanuel Levinas thought moves from an archichal ethics based on the face of the Other to an embrace of the modern liberal state Author William Paul Simmons argues that by grounding the liberal state in this an archichal ethic Levinas philosophy provides a new foundation and new possibilities for key concepts of political thought such as natural rights freedom humanism and international relations

Levinas's Ethical Politics Michael L. Morgan, 2016-05-09 Emmanuel Levinas conceives of our lives as fundamentally interpersonal and ethical claiming that our responsibilities to one another should shape all of our actions While many scholars believe that Levinas failed to develop a robust view of political ethics Michael L Morgan argues against understandings of Levinas s thought that find him politically wanting or even antipolitical Morgan examines Levinas s ethical critique of the political as well as his Jewish writings including those on Zionism and the founding of the Jewish state which are controversial reflections of Levinas s political expression Unlike others who dismiss Levinas as irrelevant or anarchical Morgan is the first to give extensive treatment to Levinas as a serious social political thinker whose ethics must be understood in terms of its political implications Morgan reveals Levinas s political commitments to liberalism and democracy as well as his revolutionary conception of human life as deeply interconnected on philosophical political and religious grounds

Levinas and the Political Howard Caygill, 2005-07-05 Howard Caygill systematically explores for the first time the relationship between Levinas thought and the political From Levinas early writings in the face of National Socialism to controversial political statements on Israeli and French politics Caygill analyses themes such as the deconstruction of metaphysics embodiment the face and alterity He also examines Levinas engagement with his contemporaries Heidegger and Bataille and the implications of his rethinking of the political for an understanding of the Holocaust

Ethics and Politics after Poststructuralism Madeleine Fagan, 2013-09-16 What would political thought look like without the foundation of ethics Drawing on the work of Emmanuel Levinas Jacques Derrida and Jean Luc Nancy Madeleine Fagan puts forward a radical and far reaching refusal of foundational ethics Instead she proposes an account of the inseparability of ethics and politics The ethical should not be understood as a label it does not mean good or right it is not an evaluation or guide Rather both the ethical and the political are descriptions of the context in which we find ourselves The book highlights the necessity of a practice based rethinking of the relationship between ethics and politics and so denaturalises a series of commonplaces about poststructuralist ethics

Emmanuel Levinas and the Politics of Non-Violence Victoria Tahmasebi-Birgani, 2014-01-01 In this book Victoria Tahmasebi Birgani provides the first examination of the applicability of Emmanuel Levinas work to social and political movements

Levinas between Ethics and Politics B.G. Bergo, 1999-04-30 The act of thought thought as an act would precede the thought thinking or becoming conscious of an act The notion of act involves a violence essentially the violence of transitivity lacking in the transcendence of thought Totality and Infinity The

work of Emmanuel Levinas revolves around two preoccupations First his philosophical project can be described as the construction of a formal ethics grounded upon the transcendence of the other human being and a subject's spontaneous responsibility toward that other Second Levinas has written extensively on and as a member of the cultural and textual life of Judaism These two concerns are intertwined Their relation however is one of considerable complexity Levinas philosophical project stems directly from his situation as a Jewish thinker in the twentieth century and takes its particular form from his study of the Torah and the Talmud It is indeed a hermeneutics of biblical experience If inspired by Judaism Levinas ethics are not eo ipso confessional What his ethics takes from Judaism rather is a particular way of conceiving transcendence and the other human being It owes to the philosophy of Franz Rosenzweig and Martin Buber a logos of the world and of the holy which acknowledges their incomensurability without positing one as fallen and the other as supernal *Levinas, Law, Politics* Marinos Diamantides, 2007-08-07 In this volume political theorists philosophers and legal scholars critically engage with this idealization of Emmanuel Levinas ethics The rebelliousness of Levinas thought is rediscovered here and used to challenge preconceptions of social legal and individual responsibility **Levinas's Politics** Annabel Herzog, 2020-03-13 A compelling account of politics and social philosophy in Levinas's Talmudic commentaries Emmanuel Levinas 1906-1995 was a French philosopher known for his radical ethics and for his contribution to Jewish thought in his commentaries on Talmudic sources In Levinas's *Politics* Annabel Herzog confronts a major difficulty in Levinas's philosophy the relationship between ethics and politics Levinas's ethics describes the encounter with the other that is with any other human being For Levinas the face to face encounter is a relationship in which the ego is commanded by a transcendent and unquestionable order to take responsibility for the other person Politics on the other hand presupposes at least three people the ego the other and any third party Among three people nothing can be transcendent on the contrary everything must be negotiated Against the conventional view of Levinas's conception of the political as the interruption and collapse of the ethical Herzog argues that in the Talmudic readings Levinas constructed politics positively She shows that Levinas's Talmudic readings embody a pragmatism that complements revises and challenges the extreme ethical analyses he offers in his phenomenological works *Totality and Infinity Otherwise than Being and Of God Who Comes to Mind* Her analysis illuminates Levinas's explanations of the relationship between ethics and politics ethics is the foundation of justice justice contains a necessary violence that must be moderated by mercy and justice general laws and national aspirations must be linked in an attempt to improve universality itself **The Problem of Political Foundations in Carl Schmitt and Emmanuel Levinas** Gavin Rae, 2016-09-17 In this book Gavin Rae analyses the foundations of political life by undertaking a critical comparative analysis of the political theologies of Carl Schmitt and Emmanuel Levinas In so doing Rae contributes to key debates in contemporary political philosophy specifically those relating to the nature of and the relationship between the theological the political and the ethical as well as those questioning the existence of ahistoric metaphysical ontological and epistemological

foundations While the theological is often associated with belief in a fixed foundation such as God or the truth of a religion Rae identifies another sense rooted in epistemology On this understanding the ontological limitations of human cognition mean that ultimately human truth is based in faith and so can never be certain The argument developed suggests that Levinas conception of the political is grounded in theology in the sense of religion particularly the revelations of Judaism For this reason Levinas claims that the political decision is based on how to implement a prior religiously inspired norm justice Schmitt in contrast develops a conception of the political rooted in epistemic faith to claim that the political decision is normless While sympathetic to Schmitt s conception of theology and its relationship to the political Rae concludes by arguing that the emphasis Levinas places on responsibility is crucial to understanding the implications of this The continuing relevance of Schmitt s and Levinas political theologies is that they teach us that while the political decision is ultimately normless we bear an infinite responsibility for the consequences of this normless decision

Levinas's Politics Annabel Herzog, 2020-01-24 A compelling account of politics and social philosophy in Levinas s Talmudic commentaries Emmanuel Levinas 1906 1995 was a French philosopher known for his radical ethics and for his contribution to Jewish thought in his commentaries on Talmudic sources In Levinas s Politics Annabel Herzog confronts a major difficulty in Levinas s philosophy the relationship between ethics and politics Levinas s ethics describes the encounter with the other that is with any other human being For Levinas the face to face encounter is a relationship in which the ego is commanded by a transcendent and unquestionable order to take responsibility for the other person Politics on the other hand presupposes at least three people the ego the other and any third party Among three people nothing can be transcendent on the contrary everything must be negotiated Against the conventional view of Levinas s conception of the political as the interruption and collapse of the ethical Herzog argues that in the Talmudic readings Levinas constructed politics positively She shows that Levinas s Talmudic readings embody a pragmatism that complements revises and challenges the extreme ethical analyses he offers in his phenomenological works *Totality and Infinity* *Otherwise than Being* and *Of God Who Comes to Mind* Her analysis illuminates Levinas s explanations of the relationship between ethics and politics ethics is the foundation of justice justice contains a necessary violence that must be moderated by mercy and justice general laws and national aspirations must be linked in an attempt to improve universality itself

Prophetic Politics Philip J. Harold, 2009-09-01 In *Prophetic Politics* Philip J Harold offers an original interpretation of the political dimension of Emmanuel Levinas s thought Harold argues that Levinas s mature position in *Otherwise Than Being* breaks radically with the dialogical inclinations of his earlier *Totality and Infinity* and that transformation manifests itself most clearly in the peculiar nature of Levinas s relationship to politics Levinas s philosophy is concerned not with the ethical per se in either its applied or its transcendent forms but with the source of ethics Once this source is revealed to be an anarchic interruption of our efforts to think the ethical Levinas s political claims cannot be read as straightforward ideological positions or principles for political action They are instead to be

understood prophetically a position that Harold finds comparable to the communitarian critique of liberalism offered by such writers as Alasdair MacIntyre and Charles Taylor In developing this interpretation which runs counter to formative influences from the phenomenological tradition Harold traces Levinas's debt to phenomenological descriptions of such experiences as empathy and playfulness Prophetic Politics will highlight the relevance of the phenomenological tradition to contemporary ethical and political thought a long standing goal of the series while also making a significant and original contribution to Levinas scholarship

Kierkegaard and Levinas J. Aaron Simmons, David Wood, 2008-10-29 Recent discussions in the philosophy of religion ethics and personal political philosophy have been deeply marked by the influence of two philosophers who are often thought to be in opposition to each other Søren Kierkegaard and Emmanuel Levinas Devoted expressly to the relationship between Levinas and Kierkegaard this volume sets forth a more rigorous comparison and sustained engagement between them Established and newer scholars representing varied philosophical traditions bring these two thinkers into dialogue in 12 sparkling essays They consider similarities and differences in how each elaborated a unique philosophy of religion and they present themes such as time obligation love politics God transcendence and subjectivity This conversation between neighbors is certain to inspire further inquiry and ignite philosophical debate

Disturbing Business Ethics Carl Rhodes, 2019-07-30 21st century Western neoliberalism has seen the transformation of self interest from an economic imperative to a centrally constitutive part of dominant modes of subjective existence Against this celebration of competitive individualism Emmanuel Levinas philosophy stands as a haunting reminder of an ethics that passively disturbs the self from its egoistic slumber awakening it to the incessant demands of the other Ethics stands as an anxious affective state of being where one is held to account by others each one demanding care attention and respect Focussing on business activities and organizations this book explores how this ethical demand of being for the other becomes translated in a necessarily impure way into political action contestation and resistance Such a response to ethics invokes a disturbance of organizational order including an order that might itself be labelled ethical On these grounds the book offers an explication of an ethics for organizations which disturbs the selfishness of neoliberal morality and can inform a democratic politics rested on a genuine concern for the other and for justice *Disturbing Business Ethics* Emmanuel Levinas and the Politics of Organization offers an unconventional and enlightening approach to ethical thinking and practice in politics and organisations and will be of interest to students of business management leadership political science and organizational theory

Arendt, Levinas and a Politics of Relationality Anya Topolski, 2015-05-21 Born in Eastern Europe educated in the West under the guidance of Martin Heidegger and the phenomenological tradition and forced to flee during the Holocaust because of their Jewish identity it should come as no surprise that Emmanuel Levinas and Hannah Arendt's ideas intersect in an important way This book demonstrates for the first time the significance of a dialogue between Levinas ethics of alterity and Arendt's politics of plurality Anya Topolski brings their respective projects into dialogue by means of the

notion of relationality a concept inspired by the Judaic tradition that is prominent in both thinker's work The book explores questions relating to the relationship between ethics and politics the Judaic contribution to rethinking the meaning of the political after the Shoah and the role of relationality and responsibility for politics The result is an alternative conception of the political based on the ideas of plurality and alterity that aims to be relational inclusive and empowering Subjectivity and the Political Gavin Rae, Emma Ingala, 2017-10-12 Despite or quite possibly because of the structuralist post structuralist and deconstructionist critiques of subjectivity master signifiers and political foundations contemporary philosophy has been marked by a resurgence in interest in questions of subjectivity and the political Guided by the contention that different conceptions of the political are at least implicitly committed to specific conceptions of subjectivity while different conceptions of subjectivity have different political implications this collection brings together an international selection of scholars to explore these notions and their connection Rather than privilege one approach or conception of the subjectivity political relationship this volume emphasizes the nature and status of the and in the subjectivity and the political schema By thinking from the place between subjectivity and the political it is able to explore this relationship from a multitude of perspectives directions and thinkers to show the heterogeneity openness and contested nature of it While the contributions deal with different themes or thinkers the themes thinkers are linked historically and or conceptually thereby providing coherence to the volume Thinkers addressed include Arendt Butler Levinas Agamben Derrida Kristeva Adorno Gramsci Mill Hegel and Heidegger while the subjectivity political relation is engaged with through the mediation of the law political ethics politics theological political inside outside subject person and individual institution relationships as well as through concepts such as genius happiness abjection and ugliness The original essays in this volume will be of interest to researchers in philosophy politics political theory critical theory cultural studies history of ideas psychology and sociology **Martin Heidegger, Emmanuel Levinas, and the Politics of Dwelling** David J. Gauthier, 2011 Martin Heidegger Emmanuel Levinas and the Politics of Dwelling explores the ethical and political implications of the debate between Martin Heidegger and Emmanuel Levinas on the question of Place Throughout his philosophical career Heidegger exhibited concern about the uprooting of man that accompanies the modern oblivion of Being and vividly described the consequences of modern deracination as manifest in everything from everyday inauthenticity to the growth of world technology In response to this perceived crisis Heidegger propounds a series on ontological models that illuminate the manner in which man is ensconced in the house of Being As it stands Heidegger's homecoming project is rife with political implications as it led him to embrace a variety of political stances that run the gamut from an emphasis on the site of politics to v lkish nationalism to solitary quietism No thinker was more disturbed by Heidegger's homecoming project than Levinas In various writings Levinas levels an incisive critique of Heidegger's place bound ontology More specifically Levinas accuses Heideggerian ontology of being averse to transcendence and conducive to tyranny of failing to recognize the inherent dignity of the human person and of being a

manifestation of latter day paganism Additionally Levinas also advances an alternative manner of thinking about the home For Levinas the home is a place where wanderers find refuge and it rises to the fullness of its ethical potentiality when used as an instrument of hospitality to the other person By considering the Heidegger Levinas debate this book illustrates the concern that animated their perspective projects and the dangers of chauvinism and rootlessness inherent in the attempt to construct a contemporary politics of place In the end Heidegger and Levinas point toward the necessity of politics of place that is both ontological and ethical and which successfully navigates between the twin extremes of narrow tribalism and rootless cosmo

Leo Strauss and Emmanuel Levinas Leora Batnitzky, 2006 Leo Strauss and Emmanuel Levinas two twentieth century Jewish philosophers and two extremely provocative thinkers whose reputations have grown considerably are rarely studied together This is due to the disparate interests of many of their intellectual heirs Strauss has influenced political theorists and policy makers on the right while Levinas has been championed in the humanities by different cadres associated with postmodernist thought In Leo Strauss and Emmanuel Levinas Philosophy and the Politics of Revelation first published in 2006 Leora Batnitzky brings together these two seemingly incongruous contemporaries demonstrating that they often had the same philosophical sources and their projects had many formal parallels While such a comparison is valuable in itself for better understanding each figure it also raises profound questions in the debate on the definitions of religion suggesting ways that religion makes claims on both philosophy and politics

Emmanuel Levinas Abi Doukhan, 2012-08-23 A comprehensive and original approach to Levinas's philosophy his ethics politics aesthetics epistemology and metaphysics in the context of his conception of exile

Leo Strauss and Emmanuel Levinas Leora Batnitzky, 2006 Leo Strauss and Emmanuel Levinas two twentieth century Jewish philosophers and two extremely provocative thinkers whose reputations have grown considerably are rarely studied together This is due to the disparate interests of many of their intellectual heirs Strauss has influenced political theorists and policy makers on the right while Levinas has been championed in the humanities by different cadres associated with postmodernist thought In Leo Strauss and Emmanuel Levinas Philosophy and the Politics of Revelation first published in 2006 Leora Batnitzky brings together these two seemingly incongruous contemporaries demonstrating that they often had the same philosophical sources and their projects had many formal parallels While such a comparison is valuable in itself for better understanding each figure it also raises profound questions in the debate on the definitions of religion suggesting ways that religion makes claims on both philosophy and politics

Levinas And The Political Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Levinas And The Political PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Levinas And The Political PDF books and manuals is convenient and cost-effective, it is vital to respect

copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Levinas And The Political free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Levinas And The Political Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Levinas And The Political is one of the best book in our library for free trial. We provide copy of Levinas And The Political in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Levinas And The Political. Where to download Levinas And The Political online for free? Are you looking for Levinas And The Political PDF? This is definitely going to save you time and cash in something you should think about.
