Howard, 2012-11-15 In the saga of early western exploration a young Shoshoni Indian girl named Sacajawea is famed as a guide and interpreter for the Lewis and Clark Expedition to the Far Northwest between 1804 and 1806 Her fame rests upon her contributions to the expedition In guiding them through the wilderness in gathering wild foods and above all in serving as an ambassadress to Indian tribes along the way she helped to assure the success of the expedition This book retraces

Sacajawea's path across the Northwest from the Mandan Indian villages in present day South Dakota to the Pacific Ocean and back. On the journey Sacajawea was accompanied by her never-do-well French Canadian husband Toussaint Charbonneau and her infant son Baptiste who became a favorite of the members of the expedition especially Captain William Clark. The author presents a colorful account of Sacajawea's journeys with Lewis and Clark and an objective evaluation of the controversial accounts of her later years.

American Frontier

Tim McNeese, 2002-09-01 The American Frontier provides a detailed and richly illustrated overview of the westward expansion of colonial and post colonial America through diplomacy, war, wanderlust and grit. The frontier is defined and demythologized as Hollywood's stereotypical portrayals are replaced with factual yet no less fascinating and lively depictions of pioneer life. Daniel Boone, the Louisiana Purchase, the explorations of Lewis and Clark, the subjugation of the Indians, the Mexican American War and the building of the transcontinental railroad are among the events and personalities vividly described. Challenging review questions encourage meaningful reflection and historical analysis. Maps, tests, answer key and extensive bibliography included.

The Making of Sacagawea

Donna J. Kessler, Donna Barbie Kessler, 1998-04-13 Kessler supplies both the biography of a legend and an explanation of why that legend has endured. Sacagawea is one of the most renowned figures of the American West. A member of the Shoshone tribe, she was captured by the Hidatsas as a child and eventually became one of the wives of a French fur trader, Toussaint Charbonneau. In 1805 Charbonneau joined Lewis and Clark as the expedition's interpreter. Sacagawea was the only woman to participate in this important mission and some claim that she served as a guide when the expedition reached the upper Missouri River and the mountainous region. Although much has been written about the historical importance of Sacagawea in connection with the expedition, no one has explored why her story has endured so successfully in Euro American culture. In an examination of representative texts including histories, works of fiction, plays, films and the visual arts from 1805 to the present, Kessler charts the evolution and transformation of the legend over two centuries and demonstrates that Sacagawea has persisted as a Euro American legend because her story exemplified critical elements of America's foundation myths, especially the concept of manifest destiny. Kessler also shows how the Sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods including suffrage for women, taboos against miscegenation and modern feminism.
