Anti-Judaism and the Gospel of John Mirosław Stanisław Wróbel,2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagoga polemic one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity

Kiraz, 2024-08-26 The publication of this Concordance to the Syriac New Testament Peshitta is a landmark in Syriac scholarship It fills a lacuna in the field which has long been felt by Syriac scholars George Kiraz's new computer generated Concordance in vocalized serto script is based on the standard British and Foreign Bible Society's edition of 1920 and will at once take its place as an essential reference tool for New Testament and for Syriac studies Notably it marks a very successful union of Syriac scholarship with the Electronic Age specifically the field of Linguistic Computing since the author has academic qualifications in both computer engineering and Syriac studies Finally it witnesses the very welcome alliance of Syrian Orthodox and Western academic scholarship It is designed to be of service not only to western scholars and students but also to clergy and laity of the Syriac churches for whom the Peshitta is their Authorized Version The print edition is available as a set of six volumes 9789004097315 *Glory, Grace, and Truth* Alexander Tsutserov, 2009-02-24 In *Glory Grace and Truth* Alexander Tsutserov argues that three concepts of the revelation of God as Jesus are unfolded throughout the Gospel of John in terms of a ratification of the covenant of the presence of God The covenantal aspects of glory confirming the presence of God are evident in Jesus the visible appearance of God the intrinsic character of God the miraculous splendor of God in Jesus's incomparable signs deeds wonders and marvelous acts and the divine honor of God in the Son glorified by the Father Grace upon grace alludes to the requests to confirm the presence of God All believers gained the grace of the presence of God in Jesus rather than Moses alone encountering the grace of the presence at Sinai The Gospel of John depicts ratification of the covenant of the presence of God in Jesus according with the covenantal articles Grace and truth alludes to Exodus 34:6 Each allusion in John depicts the full graciousness and integrity of God's character The Son possesses and bestows the Father's character onto believers by means of the Holy Spirit who is full of grace and truth The divine character and the divine Law complement each other in believers thus fulfilling the Scripture In essence the revelations of God at Sinai and in Jesus are the same In quality the latter surpasses the former in all three aspects glory grace and truth
