Aldrich, 2005-08-12 The Cold War is often considered to be the quintessential intelligence conflict Yet secret intelligence remains the missing dimension of Britain s Cold War history This volume offers an authoritative picture of Britain s clandestine role in the development of the Cold War focusing upon the key issues of intelligence and strategy The British Friend , 1846

Encyclopedia of Cold War Espionage, Spies, and Secret Operations R. C. S. Trahair, Robert L. Miller, 2013-10-18 The only updated Cold War spy encyclopedia in print **A Narrative of the March and Operations of the Army of the Indus** William Hough, 1841 Clandestine Lives of Colonel David Smiley Clive Jones, 2019-05-21 Drawing on extensive interviews and archival research this biography uncovers the motivations and ideals that informed Smiley s commitment to covert action and intelligence during the Second World War and early part of the Cold War often among tribally based societies With particular reference to operations in Albania Oman and Yemen it addresses the wider issues of accountability and control of clandestine operations *Double Agent Victoire* David Tremain, 2018-06-11 Mathilde Carr notoriously known as La Chatte was remarkable for all the wrong reasons Like most spies she was temperamental scheming and manipulative but she was also treacherous A dangerous mix especially when combined with her infamous history of love affairs on both sides Her acts of treachery were almost unprecedented in the history of intelligence yet her involvement in the Interalli affair has only warranted a brief mention in the accounts of special operations in France during the Second World War But what motivated her to betray more than 100 members of the Interalli network the largest spy network in France Was she the only guilty party or were others equally as culpable Drawing on material from MI5 files Double Agent Victoire explores the events that led to her betrayal who may have cast the first stone and their motivations as well as how the lives and careers of those involved were affected It reveals a story full of intrigue sex betrayal and double dealing involving a rich cast including members of the French Resistance German Abwehr and British Intelligence *Stalin's Englishman* Andrew Lownie, 2016-10-04 Guy Burgess was the most important complex and fascinating of The Cambridge Spies Maclean Philby Blunt brilliant young men recruited in the 1930s to betray their country to the Soviet Union An engaging and charming companion to many an unappealing utterly ruthless manipulator to others Burgess rose through academia the BBC the

Foreign Office MI5 and MI6 gaining access to thousands of highly sensitive secret documents which he passed to his Russian handlers In this first full biography Andrew Lownie shows us how even Burgess s chaotic personal life of drunken philandering did nothing to stop his penetration and betrayal of the British Intelligence Service Even when he was under suspicion the fabled charm which had enabled many close personal relationships with influential Establishment figures including Winston Churchill prevented his exposure as a spy for many years Through interviews with more than a hundred people who knew Burgess personally many of whom have never spoken about him before and the discovery of hitherto secret files Stalin s Englishman brilliantly unravels the many lives of Guy Burgess in all their intriguing chilling colorful tragi comic wonder *The British Friend of India Magazine, and Indian Review* , **A Narrative of the March and Operations of the Army of the Indus, in the Expedition Into Affghanistan in the Years 1838-1839, Under the Command of H.E. Lieut.-General Sir John (now Lord) Keane, G.C.B. & G.C.H., Commander-in-Chief** William Hough,1840 **The A to Z of Sexspionage** Nigel West,2009-09-16 In a surprising number of espionage cases sex has played a significant role often only in the background possibly as a reason why a particular individual has lived beyond his means and is in desperate need of cash FBI agent Earl Pitts sold secrets to the Soviets to ease his financial burdens which came from his habitually heavy use of male and female prostitutes Yuri Nosenko collaborated with the CIA after having misappropriated KGB funds to entertain expensive women while on official duties in Geneva and Aleksandr Ogorodnik of the Soviet foreign ministry was persuaded to become a spy by his pregnant Spanish lover an agent recruited by the CIA In the realm of human behavior sex can be the catalyst for risky or reckless conduct The A to Z of Sexspionage explores this behavior through a chronology an introduction a bibliography and hundreds of cross referenced dictionary entries on the secret agencies operations and events From Delilah s seduction of Samson in 1161 BC to State Department official Donald Keyser s conviction of passing secrets to Isabelle Cheng a Taiwanese intelligence officer in 2007 Nigel West recounts the history of sexspionage [The Muslim Brotherhood and the West](#) Martyn Frampton,2018-02-19 Drawing on the Muslim Brotherhood s Arabic and English writings and on archival research in London and Washington Martyn Frampton provides the first comprehensive history of the charged relationship between the world s largest Islamist movement and the Western powers that have dominated the Middle East for a century Britain and the United States [The Story of Rena Stewart](#) Victoria Walsh,2025-07-12 Soldier journalist and centenarian a triple badge of honour especially for a woman Introducing Rena Stewart 1923 2023 a remarkable 100 year old Bletchley Park Girl who translated Hitler s will and blazed a trail for women at the BBC The Story of Rena Stewart narrates Rena s fascinating tale in her own words and is a testament to a life that was seriously well lived On graduating from St Andrews University in 1943 Scottish linguist Rena and her friend Agnes decided to do something about the war They signed up for the Auxiliary Territorial Service and were posted to Bletchley Park where Rena processed secret German messages At the end of the war Rena and her Bletchley chums were sent to Germany to translate the statements of

captured Nazi officers There she and another friend Margery were also given a top secret task to translate Hitler's personal will Career woman Rena had however always wanted to work in the media On her return to England she managed to secure a position as a lowly clerk at the BBC World Service She worked her way up from there including spending ten years listening in to Russian Cold War broadcasts Finally she became the first female Senior Duty Editor in the World Service newsroom My greatest achievement she declared with pride has been getting people to recognise that a woman can be as good a journalist as a man Alongside Rena's story this book delves into the lives of her closest Bletchley friends and uncovers intriguing historical mysteries from her remarkable century of life Encyclopedia of Cold War Espionage, Spies, and Secret Operations Richard Trahair,2012-01-10 The only comprehensive and up to date book of its kind with the latest information *Palestine Investigated* Eldad Harouvi,2016-08-08 This book tells the story of the Criminal Investigation Department CID of the Palestine Police Force PPF in the historical context which impacted the CID's missions methods and composition At first the CID was engaged in providing technical assistance for criminal investigation Following the PPF's poor performance in the Arab Revolt in 1929 a commission of inquiry headed by Sir Herbert Dowbiggin recommended adding intelligence gathering and surveillance of political elements to police functions Teams were set up and a Special Branch established From 1932 the CID deployed a network of live sources among the Arabs and issued intelligence summaries evaluating Arab and Jewish political activity Post 1935 the security situation deteriorated Arab policemen and officials joined the Arab side thus drying up sources of information the British therefore asked for assistance from the Jewish population In 1937 Sir Charles Tegart recommended that the CID invest in obtaining raw intelligence by direct contacts in the field In 1938 Arthur Giles took command and targeted both the Revisionist and Yishuv movements Although the CID did not succeed in obtaining sufficient tactical information to prevent Yishuv actions Giles identified the mood of the Jewish leadership and public an important intelligence accomplishment regarding Britain's attitude towards the Palestine question But British impotence in the field was manifested by the failure to prevent the bombing of the King David Hotel in Jerusalem Towards the end of the Mandate as civil war broke out following the UN General Assembly resolution of November 1947 the CID was primarily engaged in documenting events and providing evaluations to London whose decision makers put high value on CID intelligence as they formulated political responses With Forewords by Professor Yoav Gelber University of Haifa and Professor John Ferris University of Calgary *A Narrative of the march and operations of the Army of the Indus, in the Expedition to Affghanistan in the years 1838 - 39* Will Hough,1841 Espionage and Secrecy (Routledge Revivals) Rosamund Thomas,2016-06-10 This prize winning book first published in 1991 provides a detailed legal account of the development of the UK Official Secrets Acts 1911 1989 In particular the Espionage section s 1 of this criminal law is analysed carefully illustrated by leading cases of UK spies prosecuted under this section particularly during the 1980's including MI5 officer Michael Bettaney and Geoffrey Prime who worked at GCHQ The author also examines problems of evidence in

espionage prosecutions and the consent of the Attorney General in cases under the Official Secrets Acts This book remains the definitive treatise on the UK Official Secrets Acts especially concerning the espionage provisions **My Friend Monica** Jane Duncan,2015-08-27 Bursting into Janet Sandison s life at the moment of her marriage to Twice Alexander comes the mercurial red haired Monica who hits post war Scotland like a tornado Through Monica Janet and Twice find the charming row of old cottages that becomes their home and incidentally Monica s too since she decides to move in with them At a time when Janet most needs help Monica is there But why should she have set her cap at Twice *Our Friend the Enemy* David W. Cameron,2014-10-01 Our Friend the Enemy is the first detailed history of the Gallipoli campaign at Anzac since Charles Bean s Official History Viewed from both sides of the wire and described in first hand accounts Australian Captain Herbert Layh recounted that as they approached the beach on 25 April that once we were behind cover the Turks turned their fire on us and gave us a lively 10 minutes A poor chap next to me was hit three times He begged me to shoot him but luckily for him a fourth bullet got him and put him out of his pain Later that day Sergeant Charles Saunders a New Zealand engineer described his first taste of battle The Turks were entrenched some 50 100 yards from the edge of the face of the gully and their machine guns swept the edges Line after line of our men went up some lines didn t take two paces over the crest when down they went to a man and on came another line Gunner Recep Trudal of the Turkish 27th Regiment wrote of the fierce Turkish counter attack on 19 May designed to push the Anzac s back into the sea It started at morning prayer call time and then it went on and on never stopped You know there was no break for eating or anything Attack was our command That was what the Pasha said Once he says Attack you attack and you either die or you survive Operation Bribes Ángel Viñas,2024-11-29 This forensic study of recently opened documents in Britain s National Archives reveals for the first time the details of an officially unnamed secret operation authorised by Winston Churchill in 1940 to keep Spain neutral in the Second World War through the financial manipulation of Spanish generals Vi as focuses on the crucial roles played by the British ambassador in Madrid Sir Samuel Hoare the embassy s naval attach Captain Alan Hillgarth and hitherto unknown to Anglophone readers the Spanish businessman Juan March perhaps one of the richest men in Spain at the time and a financial backer of the military conspirators sparking the Spanish Civil War in 1936 He identifies the likely recipients of the bribes how they were paid and the influence they wielded on Spain s dictator General Francisco Franco who together with his notorious foreign minister Ramón Serrano Suñer was minded to enter the war on the side of the Axis With masterly analysis this book places the bribes paid by Britain in the jigsaw puzzle of why after all Spain remained neutral This volume is a pioneering and important contribution for scholars and students of Anglo Spanish relations Spanish Axis relations and wider strategic aspects of the Second World War
