From Every Nation:

From Every People and Nation J. Daniel Hays, 2003-07-12 With this careful nuanced exegetical volume in the New Studies in Biblical Theology J Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ

The Evangelical Universalist Gregory MacDonald, 2012-11-15 Can an orthodox Christian committed to the historic faith of the Church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible This book argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations the author shows that being a universalist is consistent with the central teachings of the Bible and of historic Christian theology

The Law of Nations Emer de Vattel, 1760

Still Here! Braxton DeGarmo, 2021-10-26 The Apocalypse A code book of future events awaiting deciphering Or a picture book of current events Is there a global tyrant who will be known as the Antichrist Who or what is the Beast The False Prophet Who are the 144 000 What is Babylon and who is the Prostitute who seduces the world Understanding the Book of Revelation need not be daunting You don't have to be theological scholar to understand it After all John wrote it for the common man Yet the key to understanding lies in the Old Testament foreshadowing and types preceding it Nowhere is the phrase The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed more true And once you understand it and take a look at the world today the more you might recognize that the Apocalypse is now
