# From Mosbys Command

**Richard Bailey**

## **From Mosbys Command:**

**War Reminiscences by the Surgeon of Mosby's Command** Aristides Monteiro,1890 Mosby's Rangers James J. Williamson,1909 This book is about a soldier s life serving under Colonel Mosby from the first muster up to the surrender and disbandment

**Mosby's Rangers** Jeffry D. Wert,2015-05-26 No single battalion was more feared during the Civil War than the 43rd Battalion of Virginia Cavalry As one contemporary said They had all the glamour of Robin Hood all the courage and bravery of the ancient crusaders Better known as Mosby s Rangers they were an elite guerrilla unit that operated with stunning success in northern Virginia and Maryland from 1863 to the last days of the war In this vivid account of the famous command of John Singleton Mosby Jeffry D Wert explores the personality of this iron willed commander and brilliant tactician and gives us colorful profiles of the officers who served under him Drawing on contemporary documents including letters and diaries this is the most complete and vivid account to date of the fighting unit that was so hated by General Ulysses S Grant that he ordered any captured Ranger to be summarily executed without trial

**Take Sides with the Truth** John Mosby,2010-09-12 During the Civil War John Singleton Mosby led the Forty third Battalion Virginia Cavalry better known as Mosby s Rangers in bold and daring operations behind Union lines Throughout the course of the war more than 2000 men were members of Mosby s command some for only a short time Mosby had few confidants he was described by one acquaintance as a disturbing companion but became close friends with one of his finest officers Samuel Forrer Chapman Chapman served with Mosby for more than two years and their friendship continued in the decades after the war Take Sides with the Truth is a collection of more than eighty letters published for the first time in their entirety written by Mosby to Chapman from 1880 when Mosby was made U S consul to Hong Kong until his death in a Washington D C hospital in 1916 These letters reveal much about Mosby s character and present his innermost thoughts on many subjects At times Mosby s letters show a man with a sensitive nature however he could also be sarcastic and freely derided individuals he did not like His letters are critical of General Robert E Lee s staff officers there was a lying concert between them and trace his decades long crusade to clear the name of his friend and mentor J E B Stuart in the Gettysburg campaign Mosby also continuously asserts his belief that slavery was the cause of the Civil War a view completely contrary to a major portion of the Lost Cause ideology For him it was more important to take sides with the Truth than to hold popular opinions Peter A Brown has brought together a valuable collection of correspondence that adds a new dimension to our understanding of a significant Civil War figure

**Mosby's Raids in Civil War Northern Virginia** William S Connery,2011-09-15 The fascinating life of Colonel John Singleton Mosby the Gray Ghost before during and after the Civil War The most famous Civil War name in Northern Virginia other than General Lee belongs to Colonel John Singleton Mosby the Gray Ghost His early life characterized by abuse of childhood bullies a less than outstanding academic career and even a brief incarceration Mosby stands out among nearly one thousand generals who served in the war Even though Mosby was opposed to secession he joined the Confederate

army as a private in Virginia and quickly rose through the ranks He became celebrated for his raids that captured Union general Edwin Stoughton in Fairfax and Colonel Daniel French Dulany in Rose Hill By 1864 he was a feared partisan guerrilla in the North and a nightmare for Union troops protecting Washington City After the war his support for presidential candidate Ulysses S Grant forced Mosby to leave his native Virginia for Hong Kong as U S consul A mentor to young George S Patton Mosby s military legacy extended far beyond the War Between the States and into World War II William S Connery brings alive the many dimensions of this American hero Quarterly Review of Military Literature ,1981 *Partisan Life with Mosby* John Scott,2021-10-28 Reprint of the original first published in 1867 **The Edge of Mosby's Sword** Gordon Blackwell Bonan,2009-10-09 The Edge of Mosby s Sword is the first scholarly volume to delve into the story of one of John Singleton Mosby s most trusted and respected officers Colonel William Henry Chapman Presenting both military and personal perspectives of Chapman s life Gordon B Bonan offers an in depth understanding of a man transformed by the shattering of his nation This painstakingly researched account exposes a soldier and patriot whose convictions compelled him to battle fiercely for Southern independence whose quest for greatness soured when faced with the brutal realities of warfare and who sought to heal his wounded nation when the guns of war were silenced Born into a wealthy slave owning family Chapman was a student of the fiery secessionist rhetoric of antebellum Virginia who eagerly sought glory and adventure on the battlefields of the Civil War Bonan traces Chapman s evolution from an impassioned student at the University of Virginia to an experienced warrior and leader providing new insight into the officer s numerous military accomplishments Explored here are Chapman s previously overlooked endeavors as a student warrior leader of the Dixie Artillery and as second in command to Mosby including his participation in the capture of Harpers Ferry the battering of Union forces at Second Manassas and his ferocious raids during the 1864 Shenandoah Valley campaign Bonan reveals fresh perspectives on the intrepid maneuvers of Mosby s Rangers the hardships of war and Chapman s crucial role as the right hand of the Gray Ghost But while Mosby recognized him for his bravery and daring the fame Chapman sought always eluded him Instead with his honors and successes came disillusionment and sorrow as he watched comrades and civilians alike succumb to the terrible toll of the war The end of the struggle between North and South saw Chapman accept defeat with dignity leading the Rangers to their official surrender and parole at Winchester With the horrors of the war behind him he quickly moved to embrace the rebuilding of his country joining the Republican party and beginning a forty two year career at the IRS enforcing Federal law throughout the South In the end Chapman s life is a study in contradictions nationalism and reconciliation slavery and liberty vengeance and chivalry **Partisan Life with Col. John S. Mosby** John Scott,1867 This book tells the history of Mosby s Rangers from first hand accounts of soldiers and the inhabitants in which they encountered **Chasing Jeb Stuart and John Mosby** Robert F. O'Neill,2014-01-10 This book is an operational and tactical study of cavalry operations in Northern Virginia from September 1862 to July 1863 It examines in detail John Mosby s first six months

as a partisan within the context of the larger threat to the Union capital posed by Jeb Stuart Previous studies of Mosby's career are largely based on postwar memoirs This narrative balances those accounts with previously unpublished official contemporary records left by the Union soldiers assigned to the defense of Washington D C The formation of the Michigan Cavalry Brigade is fully documented along with the exploits of the brigade in the months before George Custer took command Largely forgotten events such as Jeb Stuart's Christmas Raid the fight at Fairfax Station during Stuart's ride to Gettysburg as well as the vital role played by Union general Julius Stahel's cavalry division in the critical month of June 1863 are examined at length

**Confederate Veteran**, 1928      **Partisan Life with Mosby's Rangers (Abridged, Annotated)**

Major John Scott, John Singleton Mosby's Rangers bedeviled the Union army for four long years The Rangers were what we would today call guerillas units that could make fast raids and get away before the enemy could react This highly successful unit became legendary during the war and continues to be an object of fascination by scholars and enthusiasts of the period into the 21st century This is the official memoir of Mosby's command written with his cooperation after the war The author of this work John Scott wrote the Partisan Ranger Law in 1862 John Singleton Mosby was a remarkable individual Highly intelligent educated and modest he held the respect of many on both sides of the war After the Civil War he became a Republican and a supporter of Ulysses S Grant Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample

**Mosby's Memoirs** John S. Mosby, 1995-06-13 The Confederate guerrilla cavalry chieftain relates the history of his daredevil command in this memoir No other figure of the Civil War became during his lifetime such a storybook legend as John Mosby Edmund Wilson Southern Classics Series      [A Thousand Points of Truth](#) V. P. Hughes, 2016-08-18 My interest in Colonel John Singleton Mosby began in 1950 However it wasn't until 2002 that it led to extensive research on the subject centered upon newspaper reports on the man begun during the Civil War and continued throughout and even after his life And while I rejected Virgil Carrington Jones's observation on Mosby contained in the preface of this work I did not contemplate writing this book until an even more disparaging observation came to my attention during my research The comment was contained in an article in the Ponchatoula Times of May 26 1963 as part of a six article series written by Bernard Vincent McMahon entitled The Gray Ghost of the Confederacy Mr McMahon in turn based his comment upon General Omar Bradley's judgment of what might have been the postwar life of General George Patton Now substitute Mosby for General Patton in the book A General's Life by Omar Bradley I believe it was better for General Patton Mosby and his professional reputation that he died when he did He would have gone into retirement hungering for the old limelight beyond doubt indiscreetly sounding off on any subject anytime any place In time he would have become a boring parody of himself a decrepit bitter pitiful figure unwittingly debasing the legend emphasis mine McMahon however only proffered in his writings

the widely accepted view of John Mosby held by many if not most. However like General Ulysses S Grant I have come to know Colonel Mosby rather more intimately through the testimony of countless witnesses over a span of 150 years and I believe that it is time for those who deeply respect John Mosby the soldier to now also respect John Mosby the man. A century ago the book of John Singleton Mosby's life closed. It is my hope that this book will validate the claim he made during that life that he would be vindicated by time. V P Hughes Gray Ghost And His Featherbed Guerrillas: A Leadership Analysis Of John S. Mosby And The 43rd Virginia Cavalry Major Michael D. Pyott, 2014-08-15 John Singleton Mosby led a successful partisan campaign during the American Civil War for the Confederacy. Prior to the war Mosby was a frail nondescript lawyer. Entering the war as a private Mosby eventually rose to the rank of Colonel. He organized, trained and equipped the 43rd Virginia Cavalry, better known as Mosby's Rangers. This unit grew from nine men to almost nine hundred at the war's end and conducted many daring, celebrated raids on the Union forces and their supply lines. In addition to his raids, Mosby provided accurate and timely intelligence to Major General J E B Stuart and General Robert E Lee throughout his service. This study is a leadership analysis of John Singleton Mosby using the U S Army's Field Manual 22-100, Army Leadership. The study examines Mosby's leadership development and evaluates him against the sixteen leadership dimensions that the Army currently uses to evaluate potential officers. The purpose of this study is to determine what leadership qualities Mosby possessed that contributed to his success. The study concludes that Mosby was able to influence subordinates, peers, superiors and non-combatants; he provided a purpose and gave them direction and motivation; he also continuously sought ways to improve and expand the organization. *The Mosby Myth* Paul Ashdown, Edward Caudill, 2002 Confederate Colonel John Singleton Mosby 1833-1916 was only one of a number of heroes to emerge during the Civil War yet he holds a singular place in the American imagination. He is the irrepressible rebel with a cause, the horseman who emerges from the forest to protect the embattled farmer and his household and bring retribution to the invader. Mosby was the fabled Gray Ghost of the Confederacy, a mythic cavalry officer who operated with virtual impunity behind Union lines near Washington D C. *The Mosby Myth* is the first book devoted to explaining Mosby's place in American culture, myth and legend. The book provides not just a biography of John Mosby's life but a study of his legacy. Well written and informative, this book is sure to provoke new thought about the effect of the memory of Mosby and the memory of the Civil War on American society and culture. **PRODUCT DESCRIPTION** **43rd Battalion, Virginia Cavalry, Mosby's Command** Hugh C. Keen, 1993 From a small group of 16 men Mosby's Command would grow to include nearly 2000 soldiers. They raided Union supply lines, picket posts and camps ranging from Maryland in the north to the Rappahannock River on the south to the Potomac River on the east and the western edge of the Shenandoah Valley. Mosby's Command was also called the 43rd Virginia Cavalry Battalion. **The War That Made America** Caroline E. Janney, Peter S. Carmichael, Aaron Sheehan-Dean, 2024-03-01 This collection of original essays reveals the richness and dynamism of contemporary scholarship on the Civil War era. Inspired by the lines of inquiry

that animated the writings of the influential historian Gary W Gallagher this volume includes nine essays by leading scholars in the field who explore a broad range of themes and participants in the nation's greatest conflict from Indigenous communities navigating the dangerous shoals of the secession winter to Confederate guerrillas caught in the legal snares of the Union's hard war to African Americans pursuing landownership in the postwar years Essayists also explore how people contested and shaped the memory of the conflict from outright silences and evasions to the use of formal historical writing Other contributors use comparative and transnational history to rethink key aspects of the conflict The result is a thorough examination of Gallagher's scholarly legacy and an assessment of the present and future of the Civil War history field Contributors are William A Blair Peter S Carmichael Andre M Fleche Wayne Wei siang Hsieh Caroline E Janney Peter C Luebke Cynthia Nicoletti Aaron Sheehan Dean and Kathryn J Shively

**Gray Ghost** James Ramage, 2010-09-12 Confederate John Singleton Mosby forged his reputation on the most exhilarating of military activities the overnight raid Mosby possessed a genius for guerrilla and psychological warfare taking control of the dark to make himself the Gray Ghost of Union nightmares **Gray Ghost** the first full biography of Confederate raider John Mosby reveals new information on every aspect of Mosby's life providing the first analysis of his impact on the Civil War from the Union viewpoint Mosby's War Reminiscences, and Stuart's Cavalry Campaigns John Singleton Mosby, 1887

## The Enigmatic Realm of **From Mosbys Command**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **From Mosbys Command** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.
