Kate McGill, Romanian Cold Hand Michael Chechik Sunday, 2010-08 Katherine Harendt McGill became an athletic fashion pinup, a no-fear female defender of vulnerable beings with the strength of a trained fighter. First noticed as a teenage trick skater in Minnesota, Kate's mastery of martial arts, uncanny archery skills, and bold self-confidence made her a local star. As her skating routines became ever more spectacular, virtually defying gravity, she became a media sensation. Discovered by athletic gear designers GloryDays, Kate eventually becomes their worldwide model. The company also discovers their GloryDays Girl, as Kate is known, has a darker, threatening side. She is not afraid to employ aggressive physical punishment when confronting men who threaten innocent animals or women. Her public begins referring to Kate as the Nature Avenger, and she is approached to remedy injustices. Even as she becomes a remarkable athletic model, Kate also desires normalcy, gradually finding companionship with a handsome boyfriend. By her late teens, a family friend describes her as mysterious, unstoppable, scary, and gorgeous. But her risk-taking produces constant threat of injury, numerous failures, and eventually a confrontation with a brutal criminal in central America. Kate is introduced by her great grandmother, Queen Royal Elixir, to a bewildering and powerful mental technique passed down through the Harendt family: the Romanian Cold Hand can supposedly freeze attackers. Kate finally realizes this legacy brings with it an upsetting gift for predicting events. Rumors generated by an accurate prediction make her a target for intelligence spooks and criminals alike. Kate's eventual mastery of the Cold Hand takes a shape no military person could imagine.

The House of Last Resort Christopher Golden, 2024-01-30 The next high concept horror novel from New York Times bestselling author Christopher Golden. Across Italy, there are many half-empty towns nearly abandoned by those who migrate to the coast or to cities. The beautiful, crumbling hilltop town of Becchina is among them, but its mayor has taken drastic measures to rebuild, selling abandoned homes to anyone in the world for a single Euro as long as the buyer promises to live there for at least five years. It's a no-brainer for American couple Tommy and Kate Puglisi. Both work remotely, and Becchina is the home of Tommy's grandparents, his closest living relatives. It feels like a romantic adventure, an opportunity the young couple would be crazy not to seize. But from the moment they move in, they both feel a shadow has fallen on them. Tommy's grandmother is furious, even a little frightened, when she realizes which house they've bought. There are rooms in an annex at the back of the house that they didn't know were there. The place makes strange noises at night, locked doors are suddenly open, and when they go to a family gathering, they're certain people are whispering about them and about their house, which one neighbor refers to as The House of Last Resort. Soon they learn that the home was owned for generations by the Church, but the real secret and the true dread is unlocked when they finally learn what the priests were doing in this house for all those long years and how

many people died in the strange chapel inside While down in the catacombs beneath Becchina something stirs *The Dark Companion* David Smith,2004-03 The author of Trinity Grove and River Born moves his unique brand of modern murder meets ancient mystery to Washington D C When Carl Dantz a Capitol Hill aide is sent to his Congressman s remote West Virginia district to investigate a series of Night Snatcher disappearances he reconnects with a world of backwoods superstitions he left years ago for Washington Going back home makes Carl face old friends a lost love and a serial predator whose murders seem to span the centuries Locals suspect a new resident that few of them have seen while charred bones are found in a junkyard furnace and a mysterious writer chronicles episodes from a seemingly endless life as Man s Dark Companion Murders follow Carl back to the nation s capital from its dark ghetto alleys to the glittering Georgetown waterfront Soon thereafter major political figures become involved in a plot ranging from the highest levels of Congress to the depths of subterranean passageways under Capitol Hill Carl races to discover and defeat a ruthless opponent who claims to have matched wits with Machiavelli while a national crisis reaches a climax under the Capitol dome **The Play Within the Play: The Enacted Dimension of Psychoanalytic Process** Gil Katz,2013-07-24 In The Play within the Play The Enacted Dimension of Psychoanalytic Process Gil Katz presents and illustrates the enacted dimension of psychoanalytic process He clarifies that enactment is not simply an overt event but an unconscious continuously evolving dynamically meaningful process Using clinical examples including several extended case reports Gil Katz demonstrates how in all treatments a new version of the patient s early conflicts traumas and formative object relationships is inevitably created without awareness or intent in the here and now of the analytic dyad Within the enacted dimension repressed or dissociated aspects of the patient s past are not just remembered they are re lived Katz shows how when the enacted dimension becomes conscious it forms the basis for genuine and transforming experiential insight **The Mighty Mccords** Kenneth E.
