Talk with Krishna: Practical Solution from Bhagavad Gita to Fight every Disease Kishan Barai, We become unhappy and sad with numerous circumstances we may face in life because we lack control over our mind The sadness easily spreads in the subconscious mind and it becomes difficult to be happy even if we wanted to Even if you think of some good thoughts without a strong will your attention will quickly jump

from one thing to another Now in order to develop a strong will it is similar to your close friends and those you love the more you speak with them and spend time with them the easier it is to remember things about them The same can be said about content relating to the mind where your internal peace and happiness are attainable the more you dwell on those thoughts As in studying we can remember the content we read and practice more so just imagine how powerful it would be if you love it doesn't work like that However by Chanting and Practicing this you will develop Strong Tolerance in your mind so that there are no doors for negativity to enter Even if they enter you would be able to kick them out with your will by Visualizing Krishna in your mind Krishan Bhakti grows within the mind we can tune out the negative thoughts so that they have no way of entering our mind For one with a strong mind negative and sad thoughts will have difficulty entering as opposed to one with a weak mind as their mind is less fortified and as such may allow the thoughts to enter I can tell you with absolute certainty that people will always want products and services but may be unwilling to seek them from those who seem unreliable untrustworthy or who may charge unfairly So if you utilize your products and services in order to help others the law of Karma will be applied You will definitely receive based on what you serve so if you focus on serving the best quality of services you'll receive its financial rewards in return You will also receive positive word of mouth feedback which is better than any marketing model to promote your products and services Cordially Yours Kishan Barai *The Short List* David Ackert, 2025-01-28 Focus on the right relationships for better business results When it comes to business development professionals often struggle not from a lack of opportunities but from not knowing where to focus their attention In a world where we can access anyone through six degrees of separation our 500 LinkedIn connections and cluttered CRM databases only exacerbate the question What is the best use of my time The Short List delivers a clear actionable guide to identifying the people you need to prioritize and the techniques you can use to nurture those relationships into career catalysts It provides a step by step plan with easy to use exercises to help newcomers get started and seasoned rainmakers hone their approach Streamline your networking system and elevate your business development results with this indispensable guide Cofounder and CEO of PipelinePlus David Ackert is a highly regarded business development thought leader who has pioneered revenue acceleration programs for hundreds of professional services firms worldwide Jack with a Twist Brenda Janowitz, 2008-07-01 Planning a wedding can be a trying experience A little prewedding anxiety is normal for every bride and Manhattan attorney Brooke Miller isn't worried She's got the loving support of the world's greatest guy so planning her nuptials should be a piece of cake But that was yesterday Today Brooke's landed her first big case and has just discovered that the opposing attorney is none other than her fiancé Jack But that's okay These two professionals aren't going to let a little courtroom sparring get their legal briefs in a bunch Right Wrong Now Jack's pulling every dirty trick in the law books and Brooke's starting to suspect that maybe he isn't the man she thought he was Warring with her fiancé at work and at home Brooke realizes that she'll have to choose between the case of her life or actually having a life Sound of the Crowd:
