Dr. David Jeremiah, 2021-01-26 In this six session video Bible study DVD digital downloads sold separately bestselling author Dr David Jeremiah reminds us that the Christian life is to be lived looking forward and with our eyes fixed on the race in front of us not looking back over at our shoulder at the other runners or the past In the Bible the apostle said as much when he wrote Not that I have already attained or am already perfected but I press on that I may lay hold of that for which Christ Jesus has also laid hold of me Brethren I do not count myself to have apprehended but one thing I do forgetting those things which are behind and reaching forward to those things which are ahead I press toward the goal for the prize of the upward call of God in Christ Jesus Philippians 3 12 14 NKJV Dr Jeremiah draws on this key verse to show that while it is good at times to look back we need to make sure that we don t go back and allow the past to dictate our future We need to celebrate our

good memories but also celebrate our bad memories with finality thanking God for the lessons that He has taught us through the experience and committing to use those lessons to make positive changes in our lives. We then need to allow our past memories to cultivate our dreams boldly stepping into the mission God has for us and allowing Him to continually transform us to be more like Christ. Now is the time to step past our comfort and our failure. Now is the time to move forward in following God. Designed for use with the Forward Video Study available on DVD or streaming video sold separately.
