softball's usual brawn over brains formula. He coaxes his skeptical teammates to follow his sabermetric and sociological approach based equally on Bill James and Max Weber which in the heady days of early success he dubs Eddy Ball. But Amenta soon learns that his teammates' attachments to favorite positions and time honored if ineffective strategies are hard to break especially when the team begins losing. And though he rejects the baseball as life metaphor, life keeps intruding on his softball season. Amenta here comes to grips with the humiliation of assisted reproduction, suffers mysterious ailments and finds himself lingering at the sponsor's bar while his partner, a beautiful but baseball challenged professor, second guesses his book in the making. Can he turn his team and his life around? Packed with colorful personalities, dramatic games and the bustle of New York life, Professor Baseball will charm anyone who has ever root, root, rooted for the underdog.
