From Baal To Ashtoreth

**Robert William Dale, James Guinness
Rogers**

From Baal To Ashtoreth:

Love Poems Paul Raboff, Yitzchak Greenfield, 1998 In this collection Paul Raboff pleads as an advocate for mankind against the sufferings and humiliations found in the great injustice of love yet at the same time celebrates its joys and hilarities Partly modeled on the Latin classical love poets Catullus and Propertius and partly on adversarial biblical commentary the events are transcribed to the moral and physical landscape of contemporary Israel From Baal to Ashtoreth evokes the clashing of egos in the love experience two very earthly Gods as models of predatory human behavior With imagery strongly identified with the Jewish Bible and the classical world ironically set against modern values the author interweaves the idea of physical love with the anguish of emotional love

So You Want to Be an Elijah David J. Bruns, 2012-10 What would you do if Christianity and Judaism were to become illegal What if your government mandated that large church buildings become government buildings and museums while small churches were bulldozed What if all known men and women of God were designated enemies of the state and either imprisoned in solitary confinement or summarily executed What if the government started a new state religion which was clearly a substitute for the worship of Yahweh God What if you seemed to be the only one who recognized the situation the only person who still recognized and prayed to God Would you keep a low profile for your own safety Would you pray for God's honor This is exactly the situation in which Elijah found himself in ancient Israel Not only was he apparently the only man of God left in the land he was seemingly a nobody He was an ordinary man living in a rural area Join us as we examine Elijah's life in the crucible of ancient Israel where he jumped from obscurity to the most wanted where the entire government mobilized itself to find him in order to put him to death Join us as we follow his death defying steps to one of the greatest miracles of God in all history Would you like to be an Elijah

Breaking the Threefold Demonic Cord Sandie Freed, 2008-01-01 God has a divine plan to release his people from the curse of desolation and barrenness Satan also has a strategy however which is to lock us to our past He uses a threefold cord of the demonic spirits of Jezebel Athaliah and Delilah strongholds that seek to destroy not only us but also generations to follow to block us from victorious Christian living But by exposing the plans of the enemy God's people can be released from barrenness and launched into expansion growth and multiplication Sandie Freed takes readers through a close study of each of these demonic forces in order to prepare them to break the threefold demonic cord Conducting a biblical exploration of the everyday tactics of each spirit Freed lays bare their strategies and helps readers defeat them through prayer
