From Bourassa To Bourassa:

From Bourassa to Bourassa L. Ian MacDonald, 2002 The story of the Quebec Liberal Party during its wilderness years between the 1976 election of the Parti Qu b cois and its return to power in 1985 **Transforming the Nation** Raymond Benjamin Blake, 2007 The monumental reshaping of Canada during the Mulroney Era The Great War Kellen Kurschinski, Steve Marti, Alicia Robinet, Matt Symes, Jonathan F. Vance, 2015-10-23 The Great War From Memory to History offers a new look at the multiple ways the Great War has been remembered and commemorated through the twentieth century and into the twenty first Drawing on contributions from history cultural studies film and literary studies this collection offers fresh perspectives on the Great War and its legacy at the local national and international levels More importantly it showcases exciting new research on the experiences and memories of forgotten participants who have often been ignored in dominant narratives or national histories Contributors to this international study highlight the transnational character of memory making in the Great War s aftermath No single memory of the war has prevailed but many symbols rituals and expressions of memory connect seemingly disparate communities and wartime experiences With groundbreaking new research on the role of Aboriginal peoples ethnic minorities women artists historians and writers in shaping these expressions of memory this book will be of great interest to readers from a variety of national and academic backgrounds

The Canadian Annual Review of Public Affairs John Castell Hopkins, 1914 *The Canadian Annual Review of Public Affairs* , 1908 *Morality and Nationalism* Catherine Frost, 2006-04-18 This book takes a unique approach to explore the moral foundations of nationalism Drawing on nationalist writings and examining almost 200 years of nationalism in Ireland and Quebec the author develops a theory of nationalism based on its role in representation The study of nationalism has tended towards the construction of dichotomies arguing for example that there are political and cultural or civic and ethnic versions of the phenomenon However as an object of moral scrutiny this bifurcation makes nationalism difficult to work with The author draws on primary sources to see how nationalists themselves argued for their cause and examines almost two hundred years of nationalism in two well known cases Ireland and Quebec The author identifies which themes if any are common across the various forms that nationalism can take and then goes on to develop a theory of nationalism based on its role in representation This representation based approach provides both a basis for the moral claim of nationalism while at the same time identifying grounds on which this claim can be evaluated and limited It will be of strong interest to political theorists especially those working on nationalism multiculturalism and minority rights The special focus in the book on the Irish and Quebec cases also makes it relevant reading for specialists in these fields as well as for other area studies where nationalism is an issue Official Report of the Debates of the House of Commons Canada. Parliament. House of Commons, 1894 **Official Report of Debates, House of Commons** Canada. Parliament. House of Commons, 1907

House of Commons Debates, Official Report Canada. Parliament. House of Commons, 1910 *Quebec Women and*

Legislative Representation Manon Tremblay, 2010-07-01 Women represent a slight majority of Quebec's population yet they continue to occupy a minority of seats in its National Assembly and in Canada's House of Commons and Senate To explain why this is Manon Tremblay examines Quebec women's political engagements from 1791 to the present She traces the path that led to women obtaining the rights to vote and run for office and then draws on statistics and interviews with female politicians to paint an in depth portrait of women's under representation and its main causes Her innovative account not only documents the significant democratic deficit in Canada's parliamentary systems it also outlines strategies to improve women's access to legislative representation in Canada and elsewhere *Official Reports of the Debates of the House of Commons of the Dominion of Canada* Canada. Parliament. House of Commons, 1906 *The Literary Digest*, 1919 **Quebec: A History 1867-1929** Paul-André Linteau, René Durocher, Jean-Claude Robert, 1983-01-01 List of Tables List of Maps List of Figures Preface PART I LAND AND POPULATION 1867-1929 1 The Land An American Land The Settlement of the Land The Shaping of Physical Space 2 *Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World* Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1918 *Canada: the State of the Federation* 1993 Douglas M. Brown, 1993-04 *Inside Politics* L. Ian MacDonald, 2018-03-21 If journalism is the first draft of history it's equally important to see how the work stands the test of time If the writing isn't prescient and perspicacious it doesn't meet that test This collection of columns and articles by L. Ian MacDonald a sequel to *Politics People Potpourri* meets that test Much has happened in the politics of Canada and Quebec as well as to the leaders who have defined and shaped the first two decades of the twenty first century since the first collection was published in 2009 The successful election campaigns of Harper and Trudeau form the political bookends of the present decade in Canada and the opening chapters of the book Between these governments there are the events personalities and issues that have shaped the political narrative and policy debate from fiscal frameworks to clean energy and pipelines from the Senate expense scandal and democratic reform to national security at home and the mission against ISIS abroad In his columns and longer pieces from *Policy Options* and *Policy* magazines MacDonald provides clear minded commentary on political issues salient to all Canadians including the election of Donald Trump in the United States He also profiles a diverse group of political figures and writes moving tributes to departed nationally respected figures such as Jean B. Lévesque Jim Flaherty Jack Layton and Tom Van Dusen This intelligent and entertaining collection presents MacDonald at his best and offers a captivating view of Canadian politics and life *Canada's Francophone Minority Communities* Michael Derek Behiels, 2004 By the late 1950s Canada's Francophone and Acadian minority communities were in rapid decline Demographic economic socio cultural institutional and political factors that had sustained both the concept and the reality of French Canada for well over a century were being eliminated or transformed at an unprecedented rate To survive these beleaguered minority communities set out to conquer the challenges of rebuilding their provincial and national organizations training a new generation of leaders

redefining their respective provincial and national identities elaborating new political and constitutional policies and strategies for survival and expansion and then defending and securing full implementation of these policies and strategies growth of their communities revitalized Francophone organizations and leaders lobbied for constitutional entrenchment of official bilingualism and of a mandated Charter right to education in their own language including the right to governance over their own schools and school boards Having achieved their objectives in the 1982 Charter of Rights and Freedoms Francophone provincial and national leaders learned the techniques of micro constitutional politics to convince the Ontario Alberta and Manitoba provincial governments to implement full and unfettered school governance by and for Francophone minority communities a collectivist and remedial interpretation to the Charter s official language minority education rights section 23 The Canadian government assisted the Francophone minority in two ways it made funds available to Francophone organizations and parents via the Court Challenges program and it signed lucrative financial agreements with the provinces to help defray the additional costs of establishing French language schools and school boards While the Francophone minority communities were pursuing implementation of their section 23 Charter rights they found themselves drawn into the mega constitutional negotiations and ratification procedures surrounding the controversial Meech Lake Constitutional Accord 1987 90 and the omnibus Charlottetown Consensus Report 1990 92 During the Quebec Provincial Round their Charter rights remained intact when the Meech Lake Accord failed to obtain ratification conception of a pan Canadian cultural and linguistic duality which helped minimize the constitutional and political impact of the Quebec government s insistence upon a territorial conception of duality that is an asymmetrical Canada Quebec federation When Canadians rejected the Charlottetown deal neither conception achieved formal constitutional recognition Nevertheless Canada s Francophone minority communities were regenerated by the intertwined developments of constitutional renewal and their winning of school governance A new vigorous Francophone pan Canadian national community emerged one capable of ensuring the survival of its constituents communities well into the 21st century
