*Vagabonds, Tramps, and Hobos* Owen Clayton,2023-08-10 This book explores the diversity of meanings that accrue around the terms hobo tramp and vagabond      The Lives and Extraordinary Adventures of Fifteen Tramp Writers from the Golden Age of Vagabondage Ian Cutler,2020-02-25 The combined events of the end of the American Civil War in 1865 the first transcontinental railroad opening in 1869 and the financial crash of 1873 found large numbers including thousands of former soldiers well used to an outdoor life and tramping thrown into a transient life and forced to roam the continent surviving on whatever resources came to hand For most the life of the hobo was born out of necessity For a few it became a lifestyle choice Some of the latter group committed their adventures to print both autobiographical and fictional and together with their British and Irish counterparts whose wanderlust was fueled by an altogether different genesis they account for the fifteen tramp writers whose stories and ideas are the subject of this book The lives of some like Jack Everson Jack Black and Tom Kromer are told in a single volume others like Morley Roberts and Stephen Graham have eighty and fifty published works to their credit respectively Some remain completely unknown and their books are long since out of print others like Trader Horn and Jim Tully were Hollywood celebrities Others yet such as Black Tulley Horn Bart Kennedy Leon Ray

Livingstone and Jack London had their stories immortalized in film      **A Dictionary of the Underworld** Eric Partridge,2015-06-12 First published in 1949 this edition in 1968 this book is a dictionary of the past exploring the language of the criminal and near criminal worlds It includes entries from Australia New Zealand Canada and South Africa as well as from Britain and America and offers a fascinating and unique study of language The book provides an invaluable insight into social history with the British vocabulary dating back to the 16th century and the American to the late 18th century Each entry comes complete with the approximate date of origin the etymology for each word and a note of the milieu in which the expression arose      **American First Editions** Merle De Vore Johnson,1929      **American first editions; bibliographic**

**check list of the works ...** Merle De Vore Johnson,1929      **Richard Halliburton and the Voyage of the Sea Dragon**

Gerald Max, 2023-08-18 Richard Halliburton 1900-1939 considered the world's first celebrity travel writer swam the length of the Panama Canal, recreated Ulysses' voyages in the Mediterranean, crossed the Alps on an elephant, flew around the world in a biplane, and descended into the Mayan Well of Death, all the while chronicling his own adventures. Several books treat his life and travels, yet no book has addressed in detail Halliburton's most ambitious expedition: an attempt to sail across the Pacific Ocean in a Chinese junk. Set against the backdrop of a China devastated by invading Japanese armies and the storm clouds of World War II gathering in Europe, Halliburton and a crew of fourteen set out to build and sail the Sea Dragon, a junk or ancient sailing ship from Hong Kong to San Francisco for the Golden Gate International Exposition. After battling through crew conflicts and frequent delays, the Sea Dragon set sail on March 4, 1939. Three weeks after embarking, the ship encountered a typhoon and disappeared without a trace. Richly enhanced with historic photographs, Richard Halliburton and the Voyage of the Sea Dragon follows the dramatic arc of this ill-fated expedition in fine detail. Gerry Max artfully unpacks the tensions between Halliburton and his captain John Wenlock Welch, owing much to Welch's homophobia and Halliburton's unconcealed homosexuality. And while Max naturally explores the trials and tribulations of preparing, constructing, and finally launching the Sea Dragon, he also punctuates the story with the invasion of China by the Japanese. As Halliburton and his letters home reveal, an excellent wartime reporter, Max mines these documents, many of which have only recently come to light, as well as additional letters from Halliburton and his crew to family and friends, photographs, films, and tape recordings to paint an intricate portrait of Halliburton's final expedition from inception to tragic end.

**The Selected Works of Eric Partridge** Eric Partridge, 2021-07-14 This set reissues important selected works by Eric Partridge covering the period from 1933 to 1968. Together, the books look at many and diverse aspects of language, focusing in particular on English. Included in the collection are a variety of insightful dictionaries and reference works that showcase some of Partridge's best work. The books are creative as well as practical and will provide enjoyable reading for both scholars and the more general reader who has an interest in language and linguistics.

**Homelessness** Neil Larry Shumsky, 2012-01-16 This book presents an unflinching investigation of homelessness in the United States, a problem that has been with us since the arrival of the first English settlers nearly 400 years ago. The terms historically used to describe them include bums, hoboes, migrants, street people, transients, tramps, and vagrants. Just as varied as the words we have used to describe them are the reasons many people have found themselves living in the land of opportunity without permanent residence. The book considers homelessness and its distinctive character in three periods of American history: the era of tramps and hoboes in the late 1800s, early 1900s; the era of transients and migrants in the 1930s; and the era of homeless and street people in the last 40 years. It clarifies the multiple meanings of the word homeless today and demonstrates that homelessness is a symptom of more than one problem, leading to confusion about the issue of homelessness and hampering attempts to reduce its occurrence. Author Neil Larry Shumsky, PhD, also postulates that the treatment of homelessness in England before the

colonization of North America laid the foundation of pervasive American attitudes and practices
