From Wall Street to Main Street Reginald F. Davis, 2013-10-24 From Wall Street to Main Street the moral toxicity in our country is alarming There are frightening signs that America is on the same path to destruction as the Roman Empire was before its fall Since America has embraced secular progressivism and redefined its traditional spiritual values our nation has greatly declined History points to the judgment of God that came upon nations for their moral toxicity Unless America repents returns to God reorders its priorities and sets its financial house in order future generations will ask Why has the mighty fallen America needs to heed Abraham Lincoln who said America will never be destroyed from the outside If we falter and lose our freedom it will be because we destroyed ourselves from within From Wall Street to Main Street is a trumpet blast not only to alert Americans to our spiritual and moral decline but also to encourage our citizens to save this great republic Our struggle is not merely social economic and political it is spiritual There is hope and this hope is in the struggle to make God justice and morality central in our nation once again **The Nation**, 1929 **Creating a Model Church** Bill Vincent, 2023-06-02 The Church has been spinning out of control for hundreds of years The current state of the Church is no match for the Early Church This book is being published in order to restore the Church and to establish a new form of church known as a Prototype Things don't always turn out the way we expect them to It doesn't seem to matter how hard we prepare and strategize keep the chain of command minimal to avoid confusion work within strict constraints and generally specifically stay on top of things I'm here to inform you that this book is inspired by the Holy Spirit and will undoubtedly stir up some religious debate Some strange variable that we hadn't expected will enter into the mix and cause havoc Assume you're in the midst of a full fledged revival There has been a great move of God that has shattered all of your comfortable church beliefs and traditions The Holy Spirit has instilled in you and your church a strong desire to evangelize and combat demonic forces wherever they may be found Even the weakest brethren now have considerably more anointing than your most powerful preachers did before the march of God began Thousands of people are being rescued Sick people are being healed demons are being thrown out and the country is being turned inside out Are you prepared for a Church like this I'm here to inform you that today is your day to seize God's intentions for you **The Churchman**, 1915 *The British Journal of*
