The Uncrowned Champion Joey Giambra,Gina Giambra,2009 Stories like Joey Giambra's have been attempted many times in many different styles So what s the difference This is the truth The Gods honest ghetto style Italian American truth Dramatic and intimate details about his childhood life and death experiences and life in the world of boxing controlled by the mafia Rising from poverty during the Great Depression to dining with royalty and celebrities The book is finally here to reconstruct each and every moment of a man who would eventually be denied of the very thing he trained and fought so hard to attain This is a story teeming with challenge love abuse and family Both kinds It has a heart warming love story a quality about the underdog makes good and the seedy truths about the controlled history of the boxing world feared to be told before now The Golden era of boxing from the forties fifties and sixties Famous and infamous Italian Mafia members trying to kill and then saving the young Giambra despite him not joining the Mafia or playing hardball with them to throw fights for an eventual title shot

Mobsters such as Vito Genevese Carlo Gambino Frankie Carbo and Jack Ruby were all key figures in Giambra's career. He had real friendships with major sports figures such as heavyweight champions Rocky Marciano and Cassius Clay Muhammad Ali who was taught the Rope A Dope by the young Giambra. A middleweight champion Sugar Ray Robinson openly stated he would not fight Giambra for the title when he was champ. Lightweight champion Willie Pep and baseball legend Joe DiMaggio were two of Giambra's biggest fans. And being in Hollywood during the romantic era of the 60s he acted in movies such as The Misfits and the television series Mission Impossible and The Joey Bishop Show a comedy series and also had friendships with Ann Margaret Marilyn Monroe Clark Gable and Joey Bishop. The original self-published book The Uncrowned Champion has sold over 100,000 copies since its release in 1980 despite not being marketed. A lot of material was left out of the original book due to sensitivity to subject matter people and many situations. RE mafia This is the new book and is a tell all. This book is a piece of American history. Told by the warrior Joey Giambra.

The Drone Show Celebrating Vegas Golden Knights 2023 Stanley Cup Championship David Heath, On Saturday June 17th 2023 The Vegas Golden Knights celebrated with their adoring fans at Toshiba Plaza just east of T Mobile Arena. Unbeknownst to us a drone show had been planned paid for and was already in the works for us revelers below. The drone show contractor was the amazing folks and UAS UAV pilots from Sky Elements USA. Personally I was expecting a ton of crazy fireworks. However I spotted just over the Toshiba Plaza Parking Structure the drones en route to their airborne stage. I started flying drones in 2015. I have been a tenured drone UAS UAV pilot for 8.5 years. I consider myself a seasoned veteran when it comes to dynamic drone aerial videography. I had seen drone shows that were spectacular at the Disney World theme parks and Universal Orlando. They used to have large screens placed around the park and viewing areas. They projected video on sheets of fountain water and the leaves of the nearby trees which looks rather slick. Then I saw an animated Disney one with the infamous animated characters goofing around in the night sky. I was driving the I-4 corridor coming back from Clearwater Beach FL and I saw another one that looked like Universal Orlando's as I drove past the attractions. It was very cool but the Disney drone show was slightly better. This was five years ago approximately when I attended or viewed these shows in Florida. None were as sensational as 6-17-23. You can actually see individual tree leaves and dark unlit drones in the sky in this Ultra High Definition video captured. If you are patient when loading your video. The 4K UHD playback experience will be well worth it on a compatible screen. I also included a short biography of my experience piloting drones since 2015. My tenth drone is a DJI drone. My favorite drone to fly and perform aerial video capture with in 4K UHD mind you was my Yuneec Typhoon Q450. The drone I piloted a dozen times over South Beach Middle Beach and North Beach in Miami Beach FL was my Yuneec Typhoon Q450. I hope that this becomes a loved 4K UHD video that can be considered a time capsule hockey fan gem. Go Knights Go. Defeat The Fortress Dragon with a REPEAT championship title next season in The 2024 Realm of Knights on ice. We GOT the Cup baby.
