personal experience tragedy stories in the news nostalgia memories resurfacing sad depressing moments and happier times too What makes Me and My Thoughts interesting is that it is different but not uncommon These poems touch on moments many people have had at some stage in their life or might be experiencing right now and they can relate to what Ekayen Essien was going through when she wrote each poem Me and My Thoughts helps us remember that we are not alone during those quiet storms in our hearts and minds and we can relieve a lot of stress by just writing down what we are going through
