Boorstin,1985-02-12 An original history of man s greatest adventure his search to discover the world around him In the compendious history Boorstin not only traces man s insatiable need to know but also the obstacles to discovery and the illusion that knowledge can also put in our way Covering time the earth and the seas nature and society he gathers and analyzes stories of the man s profound quest to understand his world and the cosmos *Joseph Severn, A Life* Sue Brown,2009-10-08 This biography of Joseph Severn 1793 1879 the best known but most controversial of Keats s friends is based on a mass of newly discovered information much of it still in private hands Severn accompanied the dying Keats to Italy nursed him in Rome and reported on his last weeks there in a famous series of moving letters After Keats s death in relative obscurity Severn pressed hard for an early biography and a more fitting memorial in the Protestant Cemetery in Rome In the nineteenth century Severn s friendship with Keats was seen as a model of devoted masculine companionship and he was reburied by popular acclaim next to Keats in 1882 In the twentieth century by contrast he was denigrated as an unreliable self promoting witness Sue Brown s book fills a major gap in studies of Keats and his circle It reassesses Severn s character friendship with Keats and influence on the posthumous development of the poet s fame and provides new information on Keats s death The significance of Severn s artistic career has previously been downplayed This book offers the first full assessment of his work and of his turbulent spell as British Consul in Rome from 1860 to 1871 Keats was not Severn s only famous friend For most of his adult life Severn was at the heart of the large lively British community in Rome welcoming amongst others Gladstone who became his most important patron Ruskin Walter Scott Wordsworth Turner Samuel Palmer David Wilkie and many more He maintained long friendships with Leigh Hunt Mary Shelley Charles Eastlake Richard Monckton Milnes amongst others and enjoyed a rich family life **Choice** Richard K. About the Rose Elizabeth Ferrell, 2022-02-22 A remarkable portrait of a web of artistic connections traced outward from Jay DeFeo's uniquely generative work of art Through deep archival research and nuanced analysis Elizabeth Ferrell examines the creative exchange that developed with and around *The Rose* a monumental painting on which the San Francisco artist Jay DeFeo 1929-1989 worked almost exclusively from 1958 to 1966 From its early state to its dramatic removal from DeFeo's studio the painting was a locus of activity among Fillmore District artists Wallace Berman Bruce Conner Wally Hedrick and Michael McClure each took up *The Rose* in their photographs films paintings and poetry which DeFeo then built upon in turn

The resulting works established a dialogue between artists rather than seamless cooperation Illustrated with archival photographs and personal correspondence in addition to the artworks Ferrell s book traces how The Rose became a stage for experimentation with authorship and community defying traditional definitions of collaboration and creating alternatives to Cold War America s political and artistic binaries
