Keeping America Great:

America's Greatest Challenge Newt Gingrich, 2019-10-22 Former Speaker of the House Newt Gingrich sounds the warning bell that communist ruled China poses the biggest threat to the United States that we have seen in our lifetime The United States is currently engaged in a competition with the Chinese government unlike any other that we have witnessed before This is a competition between the American system which is governed by freedom and the rule of law and a totalitarian dictatorship that is controlled by the Chinese Communist Party These are two different visions for the future one will succeed and one will fail It is possible for America to respond to the Chinese Communist Party's efforts but doing so will require new thinking many big changes and many hard choices for our leaders in government and private sector Newt Gingrich's Trump vs China serves as a rallying cry for the American people and a plan of action for our leaders in government and the private sector Written in a language that every American can understand but still rich in detail and accurate in fact Trump vs China exposes the Chinese Communist Party's multi pronged threat against the United States and what we must do as a country to survive

America in 2040: Still a Superpower? David M. Walker, 2020-09-27 This book provides a Wake up Call regarding what the international and domestic situation could look like for America in 2040 absent a change in course It includes an overview of the significant adverse implications of COVID 19 related activities lessons learned from past great powers and key concepts from our nation's founding and past history It summarizes a broad range of economic national security and domestic tranquility threats facing America including the new and dangerous Modern Monetary Theory It also includes a number of sensible and publicly tested solutions spanning a broad range of policy areas that if implemented will create a better future in America and ensure that the U S is the first republic and great power to stand the test of time It concludes with steps that individuals should take to create a better future for themselves their family and our country

American History through Its Greatest Speeches Jolyon P. Girard, Darryl Mace, Courtney Michelle Smith, 2016-12-05 What did America's greatest orators say regarding significant issues and concerns throughout United States history This three volume set examines hundreds of the most historically significant speeches from colonial times to the modern era allowing readers to consider exactly what the speakers said and to better understand the motivations behind each speech as well as the effect on the audiences that heard them This essential reference work presents the most important and historically significant speeches delivered since colonial times providing in essence a documentary history of the United States through these public utterances Readers can witness American history unfold firsthand through these stirring and at times controversial speeches from Patrick Henry's fiery words calling for an American revolution through the words of the 19th century abolitionists and Lincoln's immortal Gettysburg Address and up through the 20th century with President Wilson's famous Fourteen Points FDR reminding Americans that the only thing they had to fear was fear itself and

George W Bush responding to the attacks of September 11 For students teachers librarians and general readers this indispensable work provides essential reference resources on the speeches of great significance in American history Each speech is prefaced by a contextual headnote that provides essential background information and specific details about the speech This three volume set also includes a timeline a historical review of each era biographical sketches of each speaker and anecdotal sidebars containing additional information about the speech or speakers

The Whole Truth William Young,2021-04-19 All in all Author WCY is founder of the National Reparation Reformation Annexation movement historian and Social Engineer of the 21st Century His work collaborate family history with American history world history current affairs and bible history from the perspective of truth African American Historian Dr Jim Horton declared if you tell the story of the American experience known as American history and leave out African American history then American history is incomplete Therefore WCY s work is a correction of American history b c the history that the baby boomer generation learned in school was about wars economics and dead white men which undermined the deeds of African Americans Although WCY is into politics he is not a politician He is a salesman that s selling 100 U S senate seats for 177 00 each and is trying to spark the biggest real estate deal in American history since the Louisiana Purchase of 1803 that will tear down Trump s wall via annexation of North America preserve the continuity of the American Dream and bring in Mexico Cuba Canada USA territories into the union as states which means a new white suburbs on the white sandy beaches of Mexico Guam and Puerto Rico After all white people without suburbs are like fish without a sea As a congressional informer consumer protector and whistle blower WCY s reports are on record and are reported to the U S Senate Homeland Committee on Governmental Affairs the U S House of Representatives Committee on Homeland Security and the president of the USA In Case No 12 01189 CV W REL in U S District Court for the Western District of Missouri according to the Federal Rules of Civil Procedure Bill summoned the regional directors of the U S Census Bureau to court to explain their methodology and how they arrived at the conclusion on the 2010 Census that the USA population was 310 million with the majority race being white and the directors were a NO SHOW which means pursuant to Rule 12 of Fed R Civ If you fail to respond judgment by default will be entered against the defendants Bill Young won the case by default but U S Attorney General Eric Holder II refused to pay Bill and had the case DISMISSED which resulted in Holder s forced resignation as U S Attorney General Holder s suppression of the truth via having case dismissed covered up the fact that the majority USA population is Hispanic and not white which means Americans in the 21st Century have become slaves to lies but after they read WCY s work THE WHOLE TRUTH then the truth shall set them free However to get to the hill of truth WCY s book will navigate his readers through the valley of 200 years of lies and the 116th Congress whom are the largest group of liars that has ever been assembled together in one place in America s 244 years of American history

Our Hidden Legacy Kenneth C. Bryant,2019-01-19 I am an elderly black male who in my youth developed a love of reading history and in that period of

time the late 30s and the early 40s I found it very hard to locate much literature depicting black presence in American history Later in life when this information was publicly made more available I was overwhelmed with shock and I questioned as to why all this had been hidden all these years Black people had not only just existed here they were also necessary for this country to achieve the success that was attained to push this nation ahead in the following years This book is detailed to prove this assertion I also go into great detail explaining why this information has been kept hidden There is only a glimpse of pre North American contributions mentioned in the book but there is a detailed explanation of the making of the United States of America all the way up until the present time depicting how the black presence was necessary to bring this country to where it is today It is also necessary for young and elderly both black and white who are aspiring ambitious American citizens to be fully cognizant of this in order to reap the benefits they will need in keeping this nation as the greatest nation on earth This book proves that diversity is the main bulwark of our nation Keeping America Sane Ian Robert

Dowbiggin,2018-10-18 What would bring a physician to conclude that sterilization is appropriate treatment for the mentally ill and mentally handicapped Using archival sources Ian Robert Dowbiggin documents the involvement of both American and Canadian psychiatrists in the eugenics movement of the early twentieth century He explains why professional men and women committed to helping those less fortunate than themselves arrived at such morally and intellectually dubious conclusions Psychiatrists at the end of the nineteenth century felt professionally vulnerable Dowbiggin explains because they were under intense pressure from state and provincial governments and from other physicians to reform their specialty Eugenic ideas which dominated public health policy making seemed the best vehicle for catching up with the progress of science Among the prominent psychiatrist eugenicists Dowbiggin considers are G Alder Blumer Charles Kirk Clarke Thomas Salmon Clare Hincks and William Partlow Tracing psychiatric support for eugenics throughout the interwar years Dowbiggin pays special attention to the role of psychiatrists in the fierce debates about immigration policy His examination of psychiatry s unfortunate flirtation with eugenics elucidates how professional groups come to think and act along common lines within specific historical contexts The Trump Doctrine and the Emerging International System Stanley A. Renshon,Peter

Suedfeld,2020-08-27 President Donald J Trump s America First outlook has inspired both enthusiasm and condemnation among different segments of the American population This book examines the meaning and implications of that perspective and how the Trump Administration has implemented it or failed to do so Contributors subject matter experts with diverse points of view place the Trump Doctrine within the succession of presidential foreign policy themes and provide a case by case analysis of how it has been applied in specific regions and countries around the world The book s aim is to provide a fair and balanced assessment relatively rare in this period of intense partisanship and impending national election *Keeping America's Promise* United States.
