Historical Dictionary of Taiwan (Republic of China) John F. Copper,2024-11-05 Taiwan is a place of contradictions Its successful economic and political modernization has stimulated the imaginations of most observers Still its nation state status has been constricted and weakened It covets and pursues peace yet it is a vortex actor in global strategic military competition It is small yet its importance far exceeds its size It has long occupied a crucial place in history

even though it has not sought this status yet it appears inevitable that it will continue to do so Historical Dictionary of Taiwan Republic of China Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Taiwan
