Flight of Fantasy Neil H. Donahue,Doris Kirchner,2005-12-01 During the Nazi era many German writers chose or were forced into exile Many others stayed and after the end of this period claimed to have retreated into Inner Emigration The nature of this kind of emigration and the underlying motives of these writers have been hotly debated to this day Though the reception of Inner Emigration has often been confounded by disputes over the term itself the issue is ultimately not a matter of nomenclature but of more far reaching issues of literary evaluation moral discernment and the writing of history This volume presents for the first time to an English speaking readership the complexity of Inner Emigration through the analysis of problematic individual cases of writers who under constant pressure from a watchful dictatorship to conform and to collaborate were caught between conscience and compromise **Contemporary Verse** ,1927 **The Flying Change: Poems** Henry Taylor,1985 **Flight of the Caged Pelvis** David Calandra,2018-06-05 Flight of the Caged Pelvis is a collection of imagist narrative poems that will stretch your imagination to its limits and then some Composed by an American poet influenced by the life and times of the mid twentieth century counterculture these poems offer a delightful romp through the American mindscape of this time and right into the uncharted territory of the present day Intended as a historical document of sorts this collection will surely amuse and beguile discriminating minds everywhere **Flight from Wonder** Albert Rothenberg,2015 Scientific breakthroughs have had far reaching social and physical effects on modern civilization yet until recently there have been relatively few investigations into the nature of scientific creativity itself Flight

from Wonder reports the findings from an empirical study of 42 Nobel laureates in science from the United States and Europe concerning the creative processes that yield scientific innovation To this end Albert Rothenberg designed an interview scheme to delineate the content and sequences of processes that lead scientists to specific creative achievements He conducted interviews with Nobel laureates in the fields of medicine physiology physics and chemistry while carrying out matching interviews with a control group consisting of twelve accomplished engineers on the faculty of a leading engineering university Rothenberg s results demonstrate that the Nobel laureates perform three distinct cognitive creative processes to achieve key formulations and discoveries the detailed nature and structure of these findings were reviewed and corroborated by each of the Nobel laureates To supplement his findings Rothenberg engages with autobiographical accounts and work in progress manuscripts pertaining to the creative discoveries of outstanding scientists of the past including Albert Einstein Charles Darwin Max Planck Neils Bohr Hideki Yukawa and James Watson The book will interest students and general science readers fascinated by the development of scientific inquiry and innovation

Cyclopaedia of Poetry: Second Series: Embracing Poems Descriptive of the Scenes, Incidents, Persons and Places of the Bible, also Indexes to Foster's Cyclopaedias Elon Foster, 2025-07-29 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

EOS Reference Handbook ,1991 **Bolder Flights** Frank Tierney, Angela Arnold Robbeson, 1999-01-07 A growing number of literary historians and critics now recognize the contemporary long poem as a distinctively Canadian genre This collection of essays leads the reader to a deeper understanding of Canadian literary cultures in terms of their local intimacies and idiosyncrasies as well as in their national contexts

The Classic Hundred Poems William Harmon, 1998 Here in one volume are the top one hundred poems as determined by a survey of more than 1 000 anthologies the poems in English most frequently anthologized the poems with the broadest most enduring appeal From Shakespeare to Dickinson to Frost from sonnets to odes to villanelles William Harmon s Classic Hundred Poems offers a feast for poetry lovers This book updates the first edition by presenting the new top one hundred poems nineteen of which were not in the first edition The revised edition is arranged chronologically and features new commentary and notes on verse form as well as an index of the poems in order of popularity notes on words and proper names and a bibliography for each poet and each poem A glossary of terms author index and index of titles and first lines are also included From Keats To Autumn now ranked as the number one poem in this collection to George Herbert s Virtue in the hundredth spot every poem is illuminated by Harmon s informative notes With insights into the historical period in which each poem was written the verse form used and connections among poems this is the ideal introduction to poetry as well as a treasury for the dedicated reader

The Flight of Love ,2016-04-01 After a sleepless night spent longing for his absent wife Sita Rama god prince and future king surveyed his army camps on a clear autumn morning and spied a white

goose playing in a pond of lotus flowers Seeing this radiant creature who so resembled his lost beloved he began to plead with the bird to give her a message of love and fierce revenge This is the setting of the Hamsasandesa A Message for the Goose a sandesa or messenger poem by the medieval saint poet and philosopher Venkatanatha a seminal figure for the Srivaisnava religious community of Tamil Nadu South India and a master poet in Sanskrit and Tamil In The Flight of Love Steven P Hopkins situates Venkatanatha's Sanskrit sandesa within the wider comparative context of South Indian and Sri Lankan literatures He traces the significance of messenger poetry in the construction of sacred landscapes in pre modern South Asia and explores the ways the Hamsasandesa re envisions the pan Indian story of Rama and Sita rooting its protagonists in a turbulent emotional world where separation overwhelming desire and anticipated bliss are written into the living particularized bodies of lover and beloved in the messenger goose and in the landscapes surrounding them Hopkins's translation of the Hamsasandesa into fluid American English verse is framed by a comparative introduction including an extended essay on translation detailed linguistic notes and an expanded thematic commentary that weaves together traditional religious interpretations of the poem with themes of contemporary literary relevance

The Poems and Prose Sketches of James Whitcomb Riley ...: The flying islands of the night. 1898 James Whitcomb Riley, 1900 The Poetry of Victorian Scientists Daniel Brown, 2013-01-31 A surprising number of Victorian scientists wrote poetry Many came to science as children through such games as the spinning top soap bubbles and mathematical puzzles and this playfulness carried through to both their professional work and writing of lyrical and satirical verse This is the first study of an oddly neglected body of work that offers a unique record of the nature and cultures of Victorian science Such figures as the physicist James Clerk Maxwell toy with ideas of nonsense as through their poetry they strive to delineate the boundaries of the new professional science and discover the nature of scientific creativity Also considering Edward Lear Daniel Brown finds the Victorian renaissances in research science and nonsense literature to be curiously interrelated Whereas science and literature studies have mostly focused upon canonical literary figures this original and important book conversely explores the uses literature was put to by eminent Victorian scientists
