**Yesterday's Bandit** Barry Brierley, 2003-10 Read the Foreword Clarion book review of *The Life of Stuart O Van Slyke* In this autobiography compiled from old diaries and letters Stuart O Van Slyke recounts his adventures as a young man born to hardship in the early 20th century He recalls how he overcame his background through his own grit imagination and the support of his family and friends From a 21st century point of view Stuart's unsupervised childhood seems carefree Virtually on his own from the beginning Stuart worked his way through college where he was introduced to the Army through ROTC and was the first of his family to graduate He was called to active duty on June 30 1941 as a second lieutenant but his true military career started on Pearl Harbor day This turned out to be a pivotal event in the shaping of his life One of the highlights of the book is his service in the North African Campaign and his passionate yet sensitive command of the 78th Fighter Control Squadron and later on the staff of the Allied Air Command of Corsica The war's ending found him in Korea in military government in 1945 where he assisted in the start of South Korea's return to the community of countries who were no longer enslaved or ruled by despots He had a real bird's eye view of the development of the 38th Parallel dilemma that plagues us even today At the age of 29 in 1946 he was a lieutenant colonel in the Army Reserves and a civilian again who wondered what he was now going to do *The Blue Terraplane* James A. Terry, 2014-06-03 *The Blue Terraplane* is a 89 page novel This novel is written in the local unadorned Black dialect spoken in 1937 Bronzeville Chicago Bishop Flipper was a poor runaway southern Black orphaned teenager who encountered a starving crippled old Black man with a three legged dog After sharing his meager food with this old man the old man promised the orphaned teenager a blessed life in Chicago for six and a half years On July 12 1937 Madame Madelyn a frail pipe smoking elderly woman invited Bishop to her mysterious storefront business Madelyn a voodoo priestess warned her guest that his blessed six and a half year period would end on July 13 1937 This old lady offered the young man a battered old bronze magic ring which she claimed would protect him from any harm At noon July 13 Bishop encounters Raoul La Croix and Paloma Issert Raoul was huge menacing looking baldheaded Black man

with a long serpentine stiletto who was treating the helpless Paloma Issert in the local Illinois Central train station Paloma Issert was a young girl from Algiers Louisiana who was desperately attempting to escape from Raoul Quickly Raoul became Bishops adversary while Paloma became his femme fatale      What You Have Heard is True Carolyn Forché,2019 Describes the author s deep friendship with a mysterious intellectual who introduced her to the culture and people of El Salvador in the 1970s a tumultuous period in the country s history inspiring her work as an unlikely activist      *Three Days Before the Shooting* . . . Ralph Ellison,2011-04-26 At his death in 1994 Ralph Ellison left behind several thousand pages of his unfinished second novel which he had spent nearly four decades writing Five years later Random House published Juneteenth drawn from the central narrative of Ellison s epic work in progress Three Days Before the Shooting gathers in one volume all the parts of that planned opus including three major sequences never before published Set in the frame of a deathbed vigil the story is a gripping multigenerational saga centered on the assassination of a controversial race baiting U S senator who s being tended to by an elderly black jazz musician turned preacher Presented in their unexpurgated provisional state the narrative sequences brim with humor and tension composed in Ellison s magical jazz inspired prose style Beyond its compelling narratives Three Days Before the Shooting is perhaps most notable for its extraordinary insight into the creative process of one of this country s greatest writers and an essential fascinating piece of Ralph Ellison s legacy      *Sin in the City* Thekla Ellen Joiner,2013-05-20 Long before today s culture wars the Third Great Awakening rocked America During the late nineteenth and early twentieth centuries evangelists such as Dwight L Moody and Billy Sunday roused citizens to renounce sin as it manifested in popular culture moral ambiguity and the changing role of women Sin in the City examines three urban revivals in turn of the century Chicago to show how revivalists negotiated that era s perceived racial sexual and class threats While most studies of this movement have focused on its male leaders and their interactions with society Thekla Ellen Joiner raises new questions about gender and race by exploring Third Awakening revivalism as the ritualized performance of an evangelical social system defined by middle class Protestant moral aspirations for urban America Rather than approaching these events merely as the achievements of persuasive men she views them as choreographed collective rituals reinforcing a moral order defined by ideals of femininity masculinity and racial purity Joiner reveals how revivalist rhetoric and ritual shifted from sentimentalist identification of sin with males to a more hard nosed focus on females castigating loose women whose economic and sexual independence defied revivalist ideals and its civic culture She focuses on Dwight L Moody s 1893 World s Fair revival the 1910 Chapman Alexander campaign and the 1918 Billy Sunday revival comparing the locations organization messages and leaders of these three events to depict the shift from masculinized to feminized sin She identifies the central role women played in the Third Awakening as the revivalists promoted feminine virtue as the corrective to America s urban decline She also shows that even as its definition of sin became more feminized Billy Sunday s revivalism began to conform to Chicago s emerging color line Enraged by rapid social change in cities like

Chicago these preachers spurred Protestant evangelicals to formulate a gendered and racialized moral regime for urban America Yet as Joiner shows even as revivalists demonized new forms of entertainment they used many of the modern cultural practices popularized in theaters and nickelodeons to boost the success of their mass conversions Sin in the City shows that the legacy of the Third Awakening lives on today in the religious right's sociopolitical activism crusade for family values disparagement of feminism and promotion of spirituality in middle class racial and cultural terms Providing cultural and gender analysis too often lacking in the study of American religious history it offers a new model for understanding the development of a gendered theology and set of religious practices that influenced Protestantism in a period of enormous social change

Inseparable: The Original Siamese Twins and Their Rendezvous with American History Yunte Huang, 2018-04-03 An astonishing story by turns ghastly hilarious unnerving and moving Stephen Greenblatt author of The Rise and Fall of Adam and Eve In this excellent portrait of America's famed nineteenth century Siamese twins celebrated biographer Yunte Huang discovers in the conjoined lives of Chang and Eng Bunker 1811 1874 a trenchant comment on the times in which we live Wall Street Journal Uncovering ironies paradoxes and examples of how Chang and Eng subverted what Leslie Fiedler called the tyranny of the normal BBC Huang depicts the twins implausible route to assimilation after their discovery in Siam by a British merchant in 1824 and arrival in Boston as sideshow curiosities in 1829 Their climb from subhuman freak show celebrities to rich southern gentry who profited from entertaining the Jacksonian mobs their marriage to two white sisters resulting in twenty one children and their owning of slaves is here not just another sensational biography but an extraordinary New York Times Hawthorne like excavation of America's historical penchant for tyrannizing the other a tradition that as Huang reveals becomes inseparable from American
