The Burning Truth Get Wet, Get Fit Megan Quann Jendrick, Nathan Jendrick, 2008-01-01 Two time Olympic gold medalist

Megan Quann Jendrick and her husband and personal trainer offer a complete training regimen including a diet program that will enable everyone to achieve the body of their dreams through swimming. Elite level swimmers share a common trait: their toned, shapely bodies. *Get Wet Get Fit* shows how anyone, regardless of age or size, can use swimming to get into the best condition of their lives. The Jendricks offer detailed instructions along with underwater photographs that illustrate how to achieve proper form and technique for the four basic strokes: backstroke, breaststroke, butterfly, and freestyle. But unlike the average training manual or how to book, *Get Wet Get Fit* also provides training regimens for everyone from beginners to Olympic level competitors, including dynamic drills for strengthening fat loss and endurance, physique building workout routines with and without weights for dry land. A complete diet plan including tempting recipes and menus swimmers need carbohydrates, so this is a diet to love. Tips from world class swimmers: Low impact and gentle on the joints, swimming is one of the most enjoyable and exhilarating ways to exercise, but *Get Wet Get Fit* shows how it can also be one of the most effective ways to get your body into top shape.

**Get in the Water** Mr Robert Hans Boder, 2018-03-07 Robert Boder's *Get in the water* is a book of innovative methods to educate coaches, athletes, and parents in basic skills of competitive swimming. It is a starting point to understand many important aspects of the sport, learning to do the strokes for speed and injury prevention, proper physical and mental training, interaction between coaches with parents, appendices of rules, swim terms, meet events, scoring, to do's and equipment to buy. The book starts by briefly covering the science for efficient motion through water in simple terms. There are pictures and diagrams even beginning swimmers can understand and is appropriate for coaches to use in teaching strokes. After that, it has age group training techniques, coaching tips, suggestions for Masters and Triathlon training. It is a short and thorough introduction to these topics. The sections for parents are based on his age group swimming experience and dealing with team parents. It is a realistic assessment of what to look for and expect to find in an appropriate program. Very successful Masters swimmers have commented on the explanation, clarity, and instruction value that went far beyond what is only directed to entry level swimmers.
