the decade could be seen in the collective experience of Billie Jean King and Muhammad Ali Henry Aaron and Julius Erving Kareem Abdul Jabbar and Joe Greene Jack Nicklaus and Chris Evert among others who redefined the role of athletes and athletics in American culture The Seventies witnessed the emergence of spectator sports as an ever expanding mainstream phenomenon as well as dramatic changes in the way athletes were paid portrayed and packaged In tracing the epic narrative of how American sports was transformed in the Seventies a larger story emerges of how America itself changed and how spectator sports moved decisively on a trajectory toward what it has become today the last truly big tent in American culture
