Flower Of Love:

A Flower of Love Krister Hill, 2015-07-28 When life does not go as planned and dreams are shattered one can become lost in the what ifs Some people try to avoid the situation by running away the further away the better When John Campbell discovered he could not father the child he longed for with his wife he was shattered Author Krister Hill's A Flower of Love follows Campbell as he leaves his wife behind in England to patrol the border between India and Bangladesh He quickly learns while one problem can be avoided others appear when he is attacked and left for dead But he also discovers help can appear in unexpected ways when he is rescued by a young girl on an elephant Florence Flower is wiser than her twelve years She too has experienced tragedy and disappointment but has used the experiences in building her faith in God In A Flower of Love you will see how God used a child to transform John's life and reveal his purpose Flower is a living example of true love and a reminder that help and inspiration can come from anyone

Reflexivity in Love A Self-Reflexive Portrait of the Little Flower of Jesus Fr. Emmanuel Javert Nnadozie OCD, 2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese's spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God's Word and God's grace hidden in the events of her life The book shows how through self reflexivity and meditation on God's Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God's grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual's spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese's simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of

Field of English Poesy ... Garland,1836 A Garland of Love, Wreathed of Pleasant Flowers, Gathered in the Field of English Poesy Mark Akenside,2024-11-12 Reprint of the original first published in 1836 **The Harp of the Wilderness; Or, Flowers of Modern Fugitive Poetry ...** Harp,1836 **Wounds of Love** Frank Graziano,2004-01-15 The Peruvian mystic St Rose of Lima Isabel Flores y Oliva 1586 1617 was canonized in 1671 as the first saint of the New World and remains the object of widespread devotion today In this engrossing new study Frank Graziano uses the example of St Rose to explore the meaning of female mysticism and the way in which saints are products of their cultures Virginity austerity eucharistic devotion incessant mortification and mystical marriage to Christ characterized the devotional regimen that structured St Rose s entire life Many of her mystical practices echo the symptoms of such modern psychological disorders as masochism depression hysteria and anorexia nervosa Graziano offers a sophisticated argument not only for the origins and meaning of these behaviors in Rose s case but also for the reason her culture venerated them as signs of sanctity In the process he explores a wide range of themes from the idea of suffering as an expression of love to the assimilation of childhood trauma through religious repetition Graziano also offers a penetrating analysis of the politics of Rose s canonization He finds that her mystical union with God bypassing the institutional channels of sacrament and priestly mediation was inherently subversive to the bureaucratized Church Canonization was a cooptation by which Rose s competing claim to Christ was integrated into the Catholic canon The book concludes with a fascinating exploration of mystical eroticism with its intense experiences of vision and ecstasy The eroticized suffering of many mystics is shown to be very human in origin the mystic s wounded love is projected onto a God conceived to accommodate it Wounds of Love is based on a decade of research in archives rare books and an extraordinary range of secondary sources Introducing an innovative method that integrates history cultural studies psychoanalysis and clinical psychology this compelling work offers a bold new interpretation of female mysticism *The Sweet Fragrance Of LOVE* Bairister Sharma,2022-08-22 LOVE IS THE FOOD OF OUR HEART MIND AND SOUL Love is breath of our life Without love our life is death or lifeless or meaningless or worthless We can t think or imagine anything without love It is only love which gives us new meaning of our life It is only love which teaches us the purpose of our life Love is the foundation of every relationship Without love no relationships ever survive in this world Love is the mother of everything in this world Love is the only medicine which heals every wound of our life We can state that love is the herb of our life Without love every creature will die in this world Love is the only source of life in this entire world Love is the life saving energy of every creature love is the only power which combines and binds everything in one knot of togetherness Love brings everything under one roof or in oneness Love is like air we breathe Love is like water we drink Love is like fire we get warm Love is like earth where we live Love is like the sky which is above us Love is the element of our life Love yourself Love your life Love your world Love your beloved ones Love your friends Love your neighbors Love every creature of this world Love is the only way to live in this world with happiness and peace It is only love
