Simon Karlinsky, Alfred Appel Jr.

Isadora Esenin:

Isadora & Esenin Gordon McVay, 1980 Isadora and Esenin Gordon McVay, 1980 The Living Age , 1927 The Bitter Air of Exile Simon Karlinsky, Alfred Appel Jr., 2023-11-15 This compelling volume explores the complex lives and creative achievements of Russian writers exiled during a turbulent half century following the Bolshevik Revolution From renowned figures like Ivan Bunin and Dmitry Merezhkovsky to emerging voices such as Nina Berberova and Boris Poplavsky the book illuminates the struggles and triumphs of literary figures forced to navigate their craft far from home Set against the backdrop of stringent Soviet censorship and Western indifference The Bitter Air of Exile details how these authors sustained a flourishing migr literary culture complete with journals publishing houses and intellectual discourse despite limited readership and pervasive hostility Through anecdotes of writers like Vladimir Nabokov and their tenuous reception in Western literary circles the work vividly portrays the isolation and resilience that defined migr creativity The collection further examines how migr literature often censored or dismissed in both Soviet and Western spheres remains a vital but underappreciated component of 20th century Russian literary heritage It highlights how themes of individuality mysticism and surrealism found expression in exile challenging the orthodoxies of Soviet culture By featuring both celebrated and obscure writers and spanning early migr efforts through mid century Cold War realities the book makes a compelling case for reevaluating the global importance of Russian literature in exile With its incisive critique of cultural prejudice and call to broaden the literary canon The Bitter Air of Exile is an essential resource for understanding the richness and complexity of Russian literary traditions outside the U S S R This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 **Esenin** Gordon McVay, 1988 Christmas in July Diane Jacobs, 2023-11-15 In this first critical biography of Preston Sturges Diane Jacobs brings to life the great comic filmmaker whose career Andrew Sarris described as one of the most brilliant and bizarre bursts of creation in the history of the American cinema Jacobs uses letters and manuscripts never before revealed as well as interviews with people who knew Sturges including three of his wives to portray this fascinating contradictory man In addition to discussing his major films she also examines heretofore unknown work and shows that Sturges was highly creative even near the end of his life a time when many believed he had lost his touch Sturges secured his place in film history as the creator of such classic films as The Lady Eve Sullivan s Travels and The Palm Beach Story In 1939 he became the first screenwriter to win the right to direct his own script the result was the Oscar winning The Great McGinty Creator of Unfaithfully Yours The Miracle of Morgan s Creek and Hail the Conquering Hero he was the third highest paid man in the United States by the late 1940s He owned a swank Hollywood restaurant and was known as an ebullient raconteur as well as a world famous filmmaker A little over a decade

later Sturges died in New York impoverished and rejected by Hollywood The euphoria of success the fitfulness of luck the promise and poignancy of the American Dream the themes of Sturges's work also marked the man Diane Jacobs achieves a singular success in illuminating his extraordinary life This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992 **Becoming Modern**

Carolyn Burke, 1996-07-25 The poet and visual artist Mina Loy has long had an underground reputation as an exemplary avant gardist Born in London of mixed Jewish and English parentage and a much photographed beauty she moved in the pivotal circles of international modernism in Florence as Gertrude Stein's friend and Marinetti's lover in New York as Marcel Duchamp's co conspirator and Djuna Barnes's confidante in Mexico with the greatest love the notorious boxer poet Arthur Cravan in Paris with the Surrealists and Man Ray Carolyn Burke's riveting authoritative biography **Becoming Modern** brings this highly original and representative figure wonderfully alive in the process giving us a new picture of modernism and one woman's important contribution to it **Yankees in Petrograd, Bolsheviks in New York** Milla Fedorova, 2013-03-15

Yankees in Petrograd Bolsheviks in New York examines the myth of America as the Other World at the moment of transition from the Russian to the Soviet version The material on which Milla Fedorova bases her study comprises a curious phenomenon of the waning nineteenth and early twentieth centuries pilgrimages to America by prominent Russian writers who then created travelogues The writers' missions usually consisted of two parts the physical journey which most of the writers considered as ideologically significant and the literary fruit of the pilgrimages Until now the American travelogue has not been recognized and studied as a particular kind of narration with its own canons Arguing that the primary cultural model for Russian writers' journey to America is Dante's descent into Hell Fedorova ultimately reveals how America is represented as the country of dead souls where objects and machines have exchanged places with people where relations between the living and the dead are inverted **Komiks** José Alaniz, 2011-02-03 Jos Alaniz explores the problematic publication history of komiks an art form much maligned as bourgeois mass diversion before during and after the collapse of the USSR with an emphasis on the last twenty years Using archival research interviews with major artists and publishers and close readings of several works **Komiks Comic Art in Russia** provides heretofore unavailable access to the country's rich but unknown comics heritage The study examines the dizzying experimental comics of the late Czarist and early revolutionary era caricature from the satirical journal *Krokodil* and the postwar series *Petia Ryzhik* the Russian Tintin Detailed case studies include the Perestroika era KOM studio the first devoted to comics in the Soviet Union post Soviet comics in contemporary art autobiography and the work of Nikolai Maslov and women's comics by such artists as Lena Uzhinova Namida and Re I Alaniz examines such issues as anti Americanism censorship the rise of consumerism globalization e g in Russian manga the

impact of the internet and the hard won establishment of a comics subculture in Russia Komiks have often borne the brunt of ideological change thriving in summers of relative freedom freezing in hard winters of official disdain This volume covers the art form s origins in religious icon making and book illustration and later the immensely popular lubok or woodblock print Alaniz reveals comics vilification and marginalization under the Communists the art form s economic struggles and its eventual internet migration in the post Soviet era This book shows that Russian comics as with the people who made them never had a normal life [The Sixth Sense of the Avant-Garde](#) Irina Sirotkina,Roger Smith,2017-04-20 The touch and movement senses have a large place in the modern arts This is widely discussed and celebrated often enough as if it represents a breakthrough in a primarily visual age This book turns to history to show just how significant movement and the sense of movement were to pioneers of modernism at the turn of the 20th century It makes this history vivid through a picture of movement in the lives of an extraordinary generation of Russian artists writers theatre people and dancers bridging the last years of the tsars and the Revolution Readers will gain a new perspective on the relation between art and life in the period 1890 1920 in great innovators like the poets Mayakovsky and Andrei Bely the theatre director Meyerhold the dancer Isadora Duncan and the young men and women in Russia inspired by her lead and esoteric figures like Gurdjieff Movement and the turn to the body as a source of natural knowledge was at the centre of idealistic creativity and hopes for a new age for a new man and this was true both for those who looked forward to the technology of the future and those who looked back to the harmony of Ancient Greece The book weaves history and analysis into a colourful thoughtful affirmation of movement in the expressive life *Claude McKay, Rebel Sojourner in the Harlem Renaissance* Wayne F. Cooper,1996-02-01 Cooper paints a meticulous and absorbing portrait of McKay s restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of If We Must Die Home to Harlem Banana Bottom and A Long Way from Home among other works Claude McKay 1890 1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay s complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aim C saire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review **Vanessa** Dan Callahan,2014-05-15 Who isn t in awe of Vanessa Redgrave Her career on stage and screen remains vital and her

extreme left political stands are still quite controversial This is the moment and this is the biography to take stock of Vanessa Redgrave both as actress and as political activist with a critical objective study of her life and career It is also time to account for her unparalleled achievements as an empathetic actress of considerable genius Anyone who has seen Redgrave in her numerous stage and film roles will know why she is the very best we have The radiant fearless daring perverse and always unpredictable Redgrave is the brightest light in the forest of her famous family *The Gay & Lesbian Theatrical Legacy* Billy J. Harbin, Kim Marra, Robert A. Schanke, 2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time *Stalin's Apologist* S. J. Taylor, 2020-02-21 Short unattractive hobbling about Stalin s Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world s most famous foreign correspondent Yet for almost twenty years his articles filled the front page of The New York Times with gripping coverage of the aftermath of the Russian Revolution A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win the U S recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed But as S J Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known Stalin s Apologist deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W Averell Harriman Taylor s vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin s rise to power established his international reputation fed his overconfident contempt for his colleagues and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history s greatest man made disasters Later he took the rigged show trials of Stalin s Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin s crimes You can t make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty s astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin s victims but remained a prisoner of vanity self indulgence and success **The Right Side of History** Adrian Brooks, 2015-06-09 The Right Side of History tells the 100 year history of queer activism in a series of revealing close ups first person accounts and intimate snapshots of LGBT pioneers and radicals This diverse cast stretches from the Edwardian period to today Described by gay scholar Jonathan Katz as willfully cacophonous a chorus of

voices untamed The Right Side of History sets itself apart by starting with the turn of the century bohemianism of Isadora Duncan and the 1924 establishment of the nation's first gay group the Society for Human Rights it also includes gay activism of labor unions in the 1920s and 1930s the 1950s civil rights movement the 1960s anti war protests the sexual liberation movements of the 1970s and more contemporary issues such as marriage equality The book shows how LGBT folk have always been in the forefront of progressive social evolution in the United States It references heroes like Abraham Lincoln Eleanor Roosevelt Bayard Rustin Harvey Milk and Edie Windsor Equally the book honors names that aren't in history books from participants in the Names Project a national phenomenon memorializing 94 000 AIDS victims to underground agitprop artists

Building a new New World Jean-Louis Cohen, 2021-01-12 An essential exploration of how Russian ideas about the United States shaped architecture and urban design from the czarist era to the fall of the U S S R Idealized representations of America as both an aspiration and a menace played an important role in shaping Russian architecture and urban design from the American Revolution until the fall of the Soviet Union Jean Louis Cohen traces the powerful concept of Amerikanizm and its impact on Russia's built environment from early czarist interest in Revolutionary America through the spectacular World's Fairs of the 19th century to department stores skyscrapers and factories built in Russia using American methods during the 20th century Visions of America also captivated the Russian avant garde from El Lissitzky to Moisei Ginzburg and Cohen explores the ongoing artistic dialogue maintained between the two countries at the mid century and in the late Soviet era following a period of strategic competition This first major study of Amerikanizm in the architecture of Russia makes a timely contribution to our understanding of modern architecture and its broader geopolitics

The Blumkin Project Christian Salmon, 2022-09-27 This page turning biographical novel follows the footsteps of a forgotten legend of the Russian Revolution from Odessa to Moscow Istanbul and beyond Yakov Blumkin claimed to have had nine lives Born to a poor Jewish family and orphaned as a child he was a Socialist Revolutionary a terrorist the assassin of the German ambassador Wilhelm von Mirbach a poet close to the avant garde a member of Cheka a military strategist a secret agent and Leon Trotsky's secretary Executed in 1929 on Stalin's orders at the age of only twenty nine he has continued to inspire a powerful curiosity and wild rumors and falsehoods about his extraordinary life abound today As a young man in 1980s Paris Christian Salmon identified strongly as a Bolshevik drawn to the glorious October Revolution immortalized in literature and films such as Warren Beatty's *Reds* and Sergei Eisenstein's trilogy Picking up the thread of his dream thirty years later he sets out to reconstruct Blumkin's shadowy past and ever shifting identity with a trove of manuscripts documents rare photographs and personal souvenirs

Unattainable Bride Russia Ellen Rutten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a

competition of two male suitors for the former's love In *Unattainable Bride Russia* Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration *Unattainable Bride Russia* locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths

The 20th Century A-GI Frank N. Magill, 2013-05-13 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography When She Danced Martin Sherman, 1988

This is likewise one of the factors by obtaining the soft documents of this **Isadora Esenin** by online. You might not require more mature to spend to go to the ebook instigation as competently as search for them. In some cases, you likewise attain not discover the declaration Isadora Esenin that you are looking for. It will certainly squander the time.

However below, later than you visit this web page, it will be hence totally simple to get as capably as download guide Isadora Esenin

It will not agree to many grow old as we accustom before. You can do it even if sham something else at house and even in your workplace. consequently easy! So, are you question? Just exercise just what we meet the expense of under as with ease as evaluation **Isadora Esenin** what you similar to to read!
