Boss Me Michelle McCraw, 2022-02-04 He's finally found The One. Too bad it's his boss. Ben has spent his life with his heart on his sleeve only to have it trampled. After one bad breakup, too many he's done. No more romance for him. He's focused on his career, his delayed college degree, and saving enough to finally move off his sister's couch. The only problem? His frosty boss haunts his fantasies. Cooper has always kept his heart under lock and key. He's too toxic to love. And as an executive at the company he founded, he can't afford to give in to temptation, especially when that temptation is his indispensable assistant. After a crisis at work forces Cooper to take a long-needed break, Ben, ever the caretaker, follows him to his Caribbean getaway. When they're no longer boss and assistant, they finally give in to the passion that's been burning between them. Can their relationship survive their return to the office? Should it?

Boss Me is a romantic comedy featuring an off-limits boss/assistant fling, umbrella drinks, wardrobe malfunctions, and a scene-stealing stray dog. It can be read as a standalone and is the fourth book in the *Synergy* series.

Reunited with His Long-Lost Nurse Charlotte Hawkes, 2021-07-27 An unexpected reunion in paradise. Leading heart surgeon Liam Miller has come to St. Victoria to perform lifesaving surgery. He never imagined the distraction of bumping into the woman who loved him and then left him without a word. Avoiding nurse Talia Johnson is far harder than he thought, especially when their inconvenient but still burning attraction keeps boiling over. As their painful secrets come tumbling out, are they ready to finally confront the truth?

The Island Clinic novel *The Island Clinic* quartet Book 1 *How to Win the Surgeon's Heart* by Tina Beckett Book 2 *Caribbean Paradise* Book 3 *Miracle Family* by Julie Danvers Book 4 *The Princess and the Pediatrician* by Annie O'Neil Book 5 *Reunited with His Long-Lost Nurse* by Charlotte Hawkes. I loved this book. I love both of the two main characters and boy, oh boy, did they have some steamy chemistry. I loved watching their relationship unfold and seeing them overcome their challenges. The Doctor's One Night To Remember was a fast steamy read that had a nice new twist on the medical romance trope. This is definitely one I would recommend.

Harlequin Junkie The medical dramas are outstanding and action-packed. Couldn't fault them. They were interesting, sharp, and action-packed. I literally felt front-line. The humor sprinkled through the story was genius. This author absolutely 100% nailed it.
