Shaker Church and the government's response to this perceived threat to assimilation. *Assimilation's Agent* illuminates the sometimes treacherous political maneuverings and difficult decisions faced by government officials at Indian boarding schools. It offers a rarely heard and today controversial top-down view of government policies to educate and assimilate Indians. Drawing on a large collection of unpublished letters and documents, Cary C. Collins's introduction and notes furnish important historical background and context. *Assimilation's Agent* illustrates the government's long-term program for dealing with Native peoples and the shortcomings of its approach during one of the most consequential eras in the long and often troubled history of American Indian and white relations. **The Coast**, 1908 **Kickstart Initiative** Delano E.
