Isshinryu Seiuchin Kata Secrets Revealed:

Okinawan Karate (Kobudo & Te) Teachers, Styles and Secret Techniques: Expanded Third Edition Mark D Bishop, 2017-12-18 Time moves on cultures change with the twists of history and secret arts are lost To understand the essence of karate kobudo and te is to read and digest this work To devour the mysteries of the secret principles it records is to dwell in a former time only then will the reader know the true meanings of what the masters passed on This book was a classic of the 20th century and with the passing of time is now considered to be an historic record for the modern era both a time capsule and an integrated tool of knowledge transmission Also featuring contributions from the latest breed of expert researchers this Expanded Third Edition keeps the original version alive in its entirety while bringing the Okinawan karate world up to date as it expands into an ever increasing international world Be warned though it also answers questions that have not been asked until now and topics that could not have been discussed while expanding on newly debatable issues This is what the masters were really saying
