Issues In British Politics Since 1945 Political Realities:

Issues in British Politics Since 1945 Leslie John Macfarlane,1986 Issues in British Politics Since 1945 L. J. Macfarlane,1981 **Radical Politics in Britain** R. G. Williams,2022-07-13 This book is a study of British politics from a Socialist and Left wing perspective It outlines the causes and consequences of the contemporary crisis in British society since 2008 and the impact they may have on the Left **Radical Ideas in Britain** R. G. Williams,2022-07-13 This book is a study of British society It outlines the struggle for social change in Britain today from a Socialist and Left wing perspective It considers the role of ideas in British politics British history and British society It argues that if Britain is to become a better society it needs to develop better ideas specifically the ideas of Socialism **British Politics since the War** Bill Coxall,Lynton Robins,1997-10-29 The election of New Labour in 1997 closes a long chapter in British political history At this moment of dramatic change this book combines an incisive thematic discussion of all the key policy areas with succinct overviews of British governments since 1945 the rise and fall of consensus politics and ideological perspectives on recent British history Extensive use has been made of illustrative material including photographs cartoons graphs tables and exhibits Written by the authors of the best selling Contemporary British Politics Parliamentary Affairs ,1947 A quarterly publication devoted to all aspects of parliamentary democracy *The Political Thought of the Conservative Party since 1945* K. Hickson,2005-04-01 The Conservative Party is usually seen as being non ideological This book is the first comprehensive treatment of the political thought of the Conservative Party examining the major elements of Conservative thinking since 1945 cross cutting thematic issues and commentaries from leading politicians and journalists The book is essential for anyone interested in the history and future of the Party **The British Study of Politics in the Twentieth Century** Jack Hayward,Brian Barry,Archie Brown,2003-05 A collection of articles about British studies relating to various political issues including totalitarianism individualism pluralism political parties elections political institutions public administration nationalism authoritarianism and international relations **Mastering British politics** F.N. Forman,2016-08-16 Providing an introduction to British politics this book aims to facilitate a better understanding of the political system It covers the history the constitutional framework the traditions and culture and the structure and procedures of the democratic process of government in Britain The New British Politics Ian Budge,David McKay,Kenneth Newton,John Bartle,2013-12-16 The New British Politics is one of the most comprehensive and successful introductions to British politics ever published Now available in a fully revised and updated fourth edition this clear lively and authoritative text has an emphasis on law and order and the historical context of British politics Written by internationally known specialists the book combines incisive and original analysis with direct presentation **Postwar British Politics** Peter Kerr,2005-07-26 This book offers a fresh view of postwar British politics very much at odds to the dominant view in contemporary scholarship The author argues that postwar British politics up to and including the Blair Government can be largely characterised in terms of continuity and a

gradual evolution from a period of conflict over the primary aims of government strategy to one of recent relative consensus This book provides a provocative and challenging account of the historical background to the election of the Blair Government and will be of interest to a wide audience British Sources of Information P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual *Teaching Politics* ,1987 **Socialism, Social Ownership and Social Justice** Leslie J. Macfarlane,2016-07-27 Socialism Social Ownership and Social Justice is concerned with the emergence in Europe over the centuries of dreams and aspirations amongst the poor and weak for new societies of justice and equality based on common ownership and common sharing It ranges from the Greek legendary ideal of a simple communal golden age of equals and the dark reality of Spartan perverted communalism to the collapse of Soviet communism and the abandonment by West European socialist parties of their commitment to transform ruling class dominated capitalist societies into democratic egalitarian socialist societies **Subject Catalog** Library of Congress, **Constraints and Adjustments in British Foreign Policy (Routledge Revivals)** Michael Leifer,2013-10-31 This book first published in 1972 offers a detailed analysis of the post war formulation of foreign policy as Britain sought to detach itself from its imperialist past and moved towards a European future The contributors all experts in their fields together provide a comprehensive commentary on the complexities of the external pressures that moulded British foreign policy during these years The subjects covered highlight the dichotomy of and interaction between residual obligations and new goals and national aspirations These include the examination of past policies regarding the Commonwealth South East Asia NATO and the special relationship with the U S A as well as multi national companies and Britain s place in the changing global society This reissue will of particular interest to students and academics researching the history of British foreign policy international diplomacy and development and post colonialism **In Search of the Constitution** Nevil Johnson,2025-10-31 First published in 1977 In Search of the Constitution consists of a collection of critical reflections on the condition of government and politics in Britain After a discussion of the effects of the growth in the government s responsibility for the economy and of the extension of the welfare state since 1945 the argument is advanced that political problems by 1970s have assumed a constitutional character The traditional constitutional theory no longer corresponds to the political realities but no replacement for it has been found The central parts of the book analyse Parliament and its role the central direction of government the character of the Civil Service the threats to the unitary state implicit in demands for devolution individual rights and the rule of law parties and

political elites It concludes by presenting a case for constitutional reconstruction and outlines what this might involve This is a must read for students of British politics **Library of Congress Catalogs** Library of Congress,1978 **Encyclopedia of Historians and Historical Writing** Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies Victory in Europe? Sabine Lee,2014-07-15 With the debate about Europe constantly in the headlines this examination of the important and tricky post war relationship between German and Britain compares their different roles outlook and development In the wake of a devastated continent this relationship has been one of the central axes of the development of post war Europe and crucial in terms of recent British history Sabine Lee considers broad issues such as the comparative senses of national identity destiny and direction and the respective roles of Germany and Britain in Europe and in the world community at large With Germany now reunited and at the head of the new Europe and Britain in the process of devolution and struggling to retain the special relationship with the United States this is an important and topical book
