

**Chapter 13**

# **The Social Context of the Juvenile Court**

The child saver movement grew up during the Progressive Era, from 1880 to 1920, during which the pace of industrialization, urbanization, and immigration quickened.

# Juvenile Court And The Progressives

**Ruth Evans, Louise Holt**

## Juvenile Court And The Progressives:

**The Juvenile Court and the Progressives** Victoria Getis, 2000 Today's troubled juvenile court system has its roots in Progressive era Chicago a city one observer described as first in violence and deepest in dirt Examining the vision and methods of the original proponents of the Cook County Juvenile Court Victoria Getis uncovers the court's intrinsic flaws as well as the sources of its debilitation in our own time Spearheaded by a group of Chicago women including Jane Addams Lucy Flower and Julia Lathrop the juvenile court bill was pushed through the legislature by an eclectic coalition of progressive reformers both women and men Like many progressive institutions the court reflected an unswerving faith in the wisdom of the state and in the ability of science to resolve the problems brought on by industrial capitalism A hybrid institution combining legal and social welfare functions the court was not intended to punish youthful lawbreakers but rather to provide guardianship for the vulnerable In this role the state was permitted great latitude to intervene in families where it detected a lack of adequate care for children The court also became a living laboratory as children in the court became the subjects of research by criminologists statisticians educators state officials economists and above all practitioners of the new disciplines of sociology and psychology The Chicago reformers had worked for large scale social change but the means they adopted eventually gave rise to the social sciences where objectivity was prized above concrete solutions to social problems and to professional groups that abandoned goals of structural reform The Juvenile Court and the Progressives argues persuasively that the current impotence of the juvenile court system stems from contradictions that lie at the very heart of progressivism

*The Evolution of the Juvenile Court* Barry C. Feld, 2019-06-01 Winner 2020 ACJS Outstanding Book Award given by the Academy of Criminal Justice Sciences A major statement on the juvenile justice system by one of America's leading experts The juvenile court lies at the intersection of youth policy and crime policy Its institutional practices reflect our changing ideas about children and crime control The Evolution of the Juvenile Court provides a sweeping overview of the American juvenile justice system's development and change over the past century Noted law professor and criminologist Barry C Feld places special emphasis on changes over the last 25 years the ascendance of get tough crime policies and the more recent Supreme Court recognition that children are different Feld's comprehensive historical analyses trace juvenile courts evolution through four periods the original Progressive Era the Due Process Revolution in the 1960s the Get Tough Era of the 1980s and 1990s and today's Kids Are Different era In each period changes in the economy cities families race and ethnicity and politics have shaped juvenile courts policies and practices Changes in juvenile courts ends and means substance and procedure reflect shifting notions of children's culpability and competence The Evolution of the Juvenile Court examines how conservative politicians used coded racial appeals to advocate get tough policies that equated children with adults and more recent Supreme Court decisions that draw on developmental psychology and neuroscience research to bolster its conclusions about youths reduced criminal responsibility and diminished competence Feld draws on lessons from

the past to envision a new developmentally appropriate justice system for children Ultimately providing justice for children requires structural changes to reduce social and economic inequality concentrated poverty in segregated urban areas that disproportionately expose children of color to juvenile courts punitive policies Historical prescriptive and analytical The Evolution of the Juvenile Court evaluates the author s past recommendations to abolish juvenile courts in light of this new evidence and concludes that separate but reformed juvenile courts are necessary to protect children who commit crimes and facilitate their successful transition to adulthood

**Mothers of All Children** Elizabeth Jane Clapp,1998 A history of the juvenile court movement in America which focuses upon the central but neglected contribution of women reformers The establishment of juvenile courts in cities across the United States was one of the earliest social welfare reforms of the Progressive Era The first juvenile court law was passed in Illinois in 1899 Within a decade twenty two other states had passed similar laws based on the Illinois example Mothers of All Children examines this movement focusing especially on the role of women reformers and the importance of gender consciousness in influencing the shape of reform Until recently historians have assumed that male reformers dominated many of the Progressive Era social reforms Mothers of All Children goes beyond simply writing women back into the history of the juvenile court movement to reveal the complexity of their involvement Some women operated within nineteenth century ideals of motherhood and domesticity while others trained in the social sciences and living in the poor neighborhoods of America s cities took a more pragmatic approach Despite these differences Clapp finds a common maternalist approach that distinguished women reformers from their male counterparts Women were more willing to use the state to deal with wayward children whereas men were more commonly involved as supporters of women reformers initiatives rather than being themselves the initiators of reform Firmly located in the context of recent scholarship on American women s history Mothers of All Children has broad implications for American women s political history and the history of the welfare state

*The Progressives' Century* Stephen Skowronek,Stephen M. Engel,Bruce A. Ackerman,2016-01-01 Chapter 20 How the Progressives Became the Tea Party s Mortal Enemy Networks Movements and the Political Currency of Ideas Chapter 21 What Is to Be Done A New Progressivism for a New Century List of Contributors Index A B C D E F G H I J K L M N O P R S T U V W Y Z

Children and Youth During the Gilded Age and Progressive Era James Marten,Paula S Fass,2018-05-15 In the decades after the Civil War urbanization industrialization and immigration marked the start of the Gilded Age a period of rapid economic growth but also social upheaval Reformers responded to the social and economic chaos with a search for order as famously described by historian Robert Wiebe Most reformers agreed that one of the nation s top priorities should be its children and youth who they believed suffered more from the disorder plaguing the rapidly growing nation than any other group Children and Youth during the Gilded Age and Progressive Era explores both nineteenth century conditions that led Progressives to their search for order and some of the solutions applied to children and youth in the context of that search Edited by renowned scholar of children s history James

Marten the collection of eleven essays offers case studies relevant to educational reform child labor laws underage marriage and recreation for children among others Including important primary documents produced by children themselves the essays in this volume foreground the role that youth played in exerting agency over their own lives and in contesting the policies that sought to protect and control them

**The Progressives** ,2013-11-13 The Progressives offers comprehensive coverage of the origins evolution and notable events that came to define the pivotal period of American history known as the Progressive Era Offers a rich in depth analysis of who the progressives were and the process through which they identified and attacked social economic and political injustices Features an up to date synthesis of the literature of the field including comprehensive treatment of the role of women in the Progressive Movement Considers the movement s enduring impact and how its vision for a better society became transfixed in the American social consciousness and helped to create the modern welfare state Part of the well respected American History series Integrates themes of class race ethnicity and gender throughout offering a concise and engaging account of a fascinating era in U S history that forever changed the relationship between a democratic government and its citizens

A Fierce Discontent Michael McGerr,2010-05-11 The Progressive Era a few brief decades around the turn of the last century still burns in American memory for its outsized personalities Theodore Roosevelt whose energy glinted through his pince nez Carry Nation who smashed saloons with her axe and helped stop an entire nation from drinking women suffragists who marched in the streets until they finally achieved the vote Andrew Carnegie and the super rich who spent unheard of sums of money and became the wealthiest class of Americans since the Revolution Yet the full story of those decades is far more than the sum of its characters In Michael McGerr s A Fierce Discontent America s great political upheaval is brilliantly explored as the root cause of our modern political malaise The Progressive Era witnessed the nation s most convulsive upheaval a time of radicalism far beyond the Revolution or anything since In response to the birth of modern America with its first large scale businesses newly dominant cities and an explosion of wealth one small group of middle class Americans seized control of the nation and attempted to remake society from bottom to top Everything was open to question family life sex roles race relations morals leisure pursuits and politics For a time it seemed as if the middle class utopians would cause a revolution They accomplished an astonishing range of triumphs From the 1890s to the 1910s as American soldiers fought a war to make the world safe for democracy reformers managed to outlaw alcohol close down vice districts win the right to vote for women launch the income tax take over the railroads and raise feverish hopes of making new men and women for a new century Yet the progressive movement collapsed even more spectacularly as the war came to an end amid race riots strikes high inflation and a frenzied Red scare It is an astonishing and moving story McGerr argues convincingly that the expectations raised by the progressives utopian hopes have nagged at us ever since Our current less than epic politics must inevitably disappoint a nation that once thought in epic terms The New Deal World War II the Cold War the Great Society and now the war on terrorism have each entailed ambitious plans for

America and each has had dramatic impacts on policy and society But the failure of the progressive movement set boundaries around the aspirations of all of these efforts None of them was as ambitious as openly determined to transform people and create utopia as the progressive movement We have been forced to think modestly ever since that age of bold reform For all of us right center and left the age of fierce discontent is long over [Federal Probation](#) ,1999 [The A to Z of the Progressive Era](#) Catherine Cocks,Peter C. Holloran,Alan Lessoff,2009-09-24 The Progressive Era the period in the United States between 1898 and 1917 was a time of great social political and industrial change Following the Spanish American War of 1898 an event that signaled the emergence of the United States as a great power the country soon was involved in its first overseas guerrilla war in the Philippines Vast changes in communications and transportation immigration and migration patterns social mores gender roles family structure class structure work patterns business methods education intellectual life religion the professions technology science medicine and much else were transforming the scope and feel of people s lives and relationships In many ways what happened in this era set the agenda for the rest of the 20th century The A to Z of the Progressive Era is the most comprehensive and coherent reference work on the Progressive Era Through its chronology introductory essay bibliography appendixes and hundreds of cross referenced dictionary entries on the key events people organizations and ideas of the period this resource is a lively complete and accessible overview of this significant era

**Advancing Criminology and Criminal Justice Policy** Thomas Blomberg,Julie Brancale,Kevin Beaver,William Bales,2016-03-10 Advancing Criminology and Criminal Justice Policy is a definitive sourcebook that is comprised of contributions from some of the most recognized experts in criminology and criminal justice policy The book is essential reading for students taking upper level courses and seminars on crime public policy and crime prevention as well as for policy makers within the criminal justice sphere There has been a growing recognition of the importance of evidence based criminal justice policies from criminologists policymakers and practitioners Yet despite governmental and professional association efforts to promote the role of criminological research in criminal justice policy political ideologies fear and the media heavily influence criminal justice policies and practices Bridging the gap between research and policy this book provides the best available research evidence identifies strategies for informing policy and offers direct policy recommendations for a number of pressing contemporary issues in criminal justice including Delinquency intervention programs and community crime prevention Problem oriented policing and the science of hot spot policing Sentencing and drug courts Community corrections incarceration and rehabilitation Mental illness gender aging and indigenous communities

**Handbook of Justice Research in Law** Joseph Sanders,V. Lee Hamilton,2007-05-08 Justice a word of great simplicity and almost frightening scope When we were invited to edit a volume on justice in law we joked about the small topic we had been assigned Often humor masks fear and this was certainly one of those times Throughout the project we found daunting the task of covering even a fraction of the topics that usually fall under the umbrella of justice research in law Ultimately the

organization of the book emerged from the writing of it Our introductory chapter provides a road map to how the topics weave together but as is so often the case it was written last not first It was only when we had chapters in hand that we began to see how the many strands of justice research might be woven together Chapters 2-4 on the basic forms of justice procedural retributive and distributive are the lynchpin of the volume they provide the building blocks that permit us to think and write about each of the other substantive and applied chapters in terms of how they relate to the fundamental forms of justice In the large central section of the volume Chapters 5-9 the contributors address many ways in which the justice dimensions relate to one another Most important for law is the relationship of perceptions of procedural justice and the two types of substantive justice retributive and distributive

**California Progressivism Revisited** William F. Devereaux, Tom Sitton, 2023-09-01 California was perhaps the most important locus for the development of the Progressive reform movement in the decades of the twentieth century These twelve original essays represent the best of the new scholarship on California Progressivism Ranging across a spectrum that embraces ethnicity gender class and varying ideological stances the authors demonstrate that reform in California was a far broader more complicated phenomenon than we have previously understood Since the 1950s scholars have used California Progressivism as a model case study for explaining early twentieth century social and political reform nationwide But such a model which ignored issues of class race and gender simplified a political movement that was in fact quite complex In revising the monolithic interpretation of reform and reformers this volume provides a better understanding of the sweeping reform impulses that had such a profound effect on American political and social institutions during this century Equally important the issues examined here offer significant insights into problems that the entire country must tackle as we approach the new century California was perhaps the most important locus for the development of the Progressive reform movement in the decades of the twentieth century These twelve original essays represent the best of the new scholarship on California Progressivism Ranging across

[Encyclopedia of the Gilded Age and Progressive Era](#) John D. Buenker, Joseph Buenker, 2021-04-14 Spanning the era from the end of Reconstruction 1877 to 1920 the entries of this reference were chosen with attention to the people events inventions political developments organizations and other forces that led to significant changes in the U S in that era Seventeen initial stand alone essays describe as many themes

*Race and Crime* Elizabeth Brown, George Baganier, 2018-10-02 Criminal justice practices such as policing and imprisonment are integral to the creation of racialized experiences in U S society Race as an important category of difference however did not arise here with the criminal justice system but rather with the advent of European colonial conquest and the birth of the U S racial state *Race and Crime* examines how race became a defining feature of the system and why mass incarceration emerged as a new racial management strategy This book reviews the history of race and criminology and explores the impact of racist colonial legacies on the organization of criminal justice institutions Using a macrostructural perspective students will learn to contextualize issues of race crime and criminal justice Topics include How coloniality

explains the practices that reproduce racial hierarchies The birth of social science and social programs from the legacies of racial science The defining role of geography and geographical conquest in the continuation of mass incarceration The emergence of the logics of crime control the War on Drugs the redefinition of federal law enforcement and the reallocation of state resources toward prison building policing and incarceration How policing courts and punishment perpetuate the colonial order through their institutional structures and policies Race and Crime will help students understand how everyday practices of punishment and surveillance are employed in and through the police courts and community to create and shape the geographies of injustice in the United States today *Progressive Punishment* Judah Schept, 2015-12-04 The growth of mass incarceration in the United States eludes neat categorization as a product of the political Right Liberals played important roles in both laying the foundation for and then participating in the conservative tough on crime movement that is largely credited with the rise of the prison state But can progressive politics with their benevolent intentions nevertheless contribute to the expansion of mass incarceration In *Progressive Punishment* Judah Schept offers an ethnographic examination into that liberal discourses about therapeutic justice and rehabilitation can uphold the logic practices and institutions that comprise the carceral state Schept examines how political leaders on the Left despite being critical of mass incarceration advocated for a justice campus that would have dramatically expanded the local criminal justice system At the root of this proposal Schept argues is a confluence of neoliberal style changes in the community that naturalized prison expansion as political common sense for a community negotiating deindustrialization urban decline and the devolution of social welfare While the proposal gained momentum local activists worked to disrupt the logic of expansion and instead offer alternatives to reduce community reliance on incarceration A well researched and well narrated study *Progressive Punishment* provides an important and novel perspective on the relationship between liberal politics neoliberalism and mass incarceration from back cover U.S. Criminal Justice Policy Karim Ismaili, 2010-07-20 This current collection of essays on contemporary U S criminal justice policy is a timely response to the significant recent growth of policy oriented research in the fields of criminology and criminal justice U S Criminal Justice Policy A Contemporary Reader addresses how criminal justice policy issues are framed identifies participants in the policy process discusses how policy is made and considers the constraints and opportunities found in the policy process Findings are linked to broader institutional cultural and global criminal justice trends and are used to determine what recent research reveals about crime policy and democratic governance The main goal of this book is to encourage readers to engage in a dialogue about criminal justice policy and to think about the potential for criminal justice reform **Progressive Education** , 1926 *Historical Dictionary of the Progressive Era* Catherine Cocks, Peter C. Holloran, Alan Lessoff, 2009-03-13 The Progressive Era the period in the United States between 1898 and 1917 was a time of great social political and industrial change Following the Spanish American War of 1898 an event that signaled the emergence of the United States as a great power the country soon was involved in its first

overseas guerrilla war in the Philippines Vast changes in communications and transportation immigration and migration patterns social mores gender roles family structure class structure work patterns business methods education intellectual life religion the professions technology science medicine and much else were transforming the scope and feel of people's lives and relationships In many ways what happened in this era set the agenda for the rest of the 20th century The Historical Dictionary of the Progressive Era is the most comprehensive and coherent reference work on the Progressive Era Through its chronology introductory essay bibliography appendixes and hundreds of cross referenced dictionary entries on the key events people organizations and ideas of the period this resource is a lively complete and accessible overview of this significant era

**Diverse Spaces of Childhood and Youth** Ruth Evans, Louise Holt, 2016-04-08 Diverse Spaces of Childhood and Youth focuses on the diverse spaces and discourses of children and youth globally The chapters explore the influence of gender age and other socio cultural differences such as race ethnicity and migration trajectories on the everyday lives of children and youth in a range of international contexts These include the diverse urban environments of Istanbul Copenhagen Helsinki Toronto London and Bratislava and the contrasting rural settings of Ghana and England The analyses of children's young people's parents and professionals experiences and discourses provide critical insights into how gender and other socio cultural differences intersect The importance of everyday practices and performances in the formation of children's and young people's identities is revealed through for example friendships and everyday sociality mobilities and movements across space in both rural and urban environments The volume shows how discourses of childhood particularly those associated with risk intersect with difference The recognition of young people's agency and participation is central to many of the chapters whilst also raising methodological questions about how discourses of childhood and youth are researched Overall the book provides an original contribution to geographies of children youth and families and research on diversity and difference in global contexts This book was published as a special issue of Children's Geographies

**Changing Lives** Peter W. Greenwood, 2008-09-15 One of the most astonishing aspects of juvenile crime is how little is known about the impact of the policies and programs put in place to fight it The most commonly used strategies and programs for combating juvenile delinquency problems primarily rely on intuition and fads Fortunately as a result of the promising new research documented in Changing Lives these deficiencies in our juvenile justice system might quickly be remedied Peter W Greenwood here demonstrates here that as crimes rates have fallen researchers have identified more connections between specific risk factors and criminal behavior while program developers have discovered a wide array of innovative interventions The result of all this activity he reveals has been the revelation of a few prevention models that reduce crime much more cost effectively than popular approaches such as tougher sentencing D A R E boot camps and scared straight programs Changing Lives expertly presents the most promising of these prevention programs their histories the quality of evidence to support their effectiveness the public policy programs involved in bringing them into wider use and the potential for investments and

developmental research to increase the range and quality of programs

Thank you for downloading **Juvenile Court And The Progressives**. As you may know, people have search hundreds times for their favorite readings like this Juvenile Court And The Progressives, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some malicious bugs inside their desktop computer.

Juvenile Court And The Progressives is available in our digital library an online access to it is set as public so you can download it instantly.

Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Juvenile Court And The Progressives is universally compatible with any devices to read

## **Juvenile Court And The Progressives Introduction**

In today's digital age, the availability of Juvenile Court And The Progressives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Juvenile Court And The Progressives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Juvenile Court And The Progressives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Juvenile Court And The Progressives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Juvenile Court And The Progressives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Juvenile Court And The Progressives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Juvenile Court And The Progressives books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Juvenile Court And The Progressives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Juvenile Court And The Progressives books and manuals for download and embark on your journey of knowledge?

### **FAQs About Juvenile Court And The Progressives Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Juvenile Court And The Progressives is one of the best book in our library for free trial. We provide copy of Juvenile Court And The Progressives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Juvenile Court And The Progressives. Where to download Juvenile Court And The Progressives online for free? Are you looking for Juvenile Court And The

Progressives PDF? This is definitely going to save you time and cash in something you should think about.
