

A wooden gavel with a dark, polished head and a lighter, textured handle rests diagonally across the top right corner of a white document. The document is held in place by a silver paperclip on the left side. The text 'JUVENILE VIOLENCE' is printed in a large, bold, black serif font, slanted upwards from left to right. The background consists of a light brown, textured surface, possibly a desk or a folder.

## **Juvenile Violence:**

Juvenile Crime Lawrence V. Moore, 2003 Criminal justice professionals and the media have noted the rise of juvenile crime rates nationwide and a growing surge in youth violence This in turn has highlighted the debate over juvenile transfers to adult courts Proponents of treating violent juvenile offenders as adults argue that juvenile offenders should be held accountable and receive punishment that is appropriate to the seriousness of their offences and that society must be protected by their removal from law abiding communities They urge that young offenders must be held accountable for both lesser and more serious crimes especially when the former offences if unpunished may lead offenders to commit the latter Opponents of treating violent juveniles offenders as adults argue that harsh punishment of juvenile offenders is counterproductive creating recidivism Their contention is that youths who are committing crimes should still be tried in juvenile courts rather than adult courts for a greater effect This informative book presents all the current issues problems ideas as well as some background on the controversies surrounding juvenile crime

**Preventing and Reducing Juvenile Delinquency** James C. Howell, 2003-02-24 This book aims to inform students about the latest research and the most promising and effective programs and for understanding preventing and controlling juvenile delinquency The book is geared to preparing students for a career in juvenile justice or related social service systems and becoming research or program development specialists The history of current juvenile justice system policies and practices are examined including the juvenile violence epidemic Key myths about juvenile violence and the ability of the juvenile justice system to handle modern day juvenile delinquents are critically examined Developmental theories of juvenile delinquency are applied to understanding how juvenile offender careers evolve Effective prevention and rehabilitation programs and what does not work are reviewed A comprehensive framework for building a continuum of effective programs is presented in Part III

*Juvenile Delinquency* Kirk Heilbrun, Naomi E. Sevin Goldstein, Richard E. Redding, 2005-03-17 Juvenile offending and anti social behavior are enormous societal concerns This broad reaching volume summarizes the current evidence on prevention diversion causes and rates of delinquency as well as assessment of risk and intervention needs A distinguished cast of contributors from law psychology and psychiatry describe what we know about interventions in school community and residential contexts focusing particularly on interventions that are risk reducing and cost effective Equally important each chapter comments on what is not well supported through research distinguishing aspects of current practice that are likely to be effective from those that are not and mapping new directions for research policy and practice Finally the volume provides a description of a model curriculum for training legal and mental health professionals on conducting relevant assessments of adolescents for the courts Effectively bridging research and practice this will be an important resource for legal and mental health professionals involved in the juvenile justice system policy makers seeking humane but effective interventions in the context of society's need for safety and those involved in teaching about and training in juvenile delinquency

Encyclopedia of Juvenile

Violence Laura L. Finley, 2006-12-30 From concerns about juveniles incorrigibility at the turn of the century to school violence in the 1990s adults have attempted to understand control and prevent juvenile violence Yet juvenile violence takes many forms including both violence by juveniles and violence against juveniles and has various causes and consequences Since juvenile violence cannot be understood without examining the social context of a given time this comprehensive encyclopedia provides a historical overview of many significant time periods and offers entries about many types of juvenile violence It covers competing theories of youth violence issues such as gender race and educational status and the criminal justice system s methods for dealing with both victims and offenders over time Additionally several topics that receive little attention in traditional volumes about juvenile violence such as hazing systemic violence in schools peaceable schools are covered in these pages Each entry utilizes current sources making the book as up to date as possible The front and back matter offer important information including a chronological list of significant events related to juvenile violence and book and Web resources Authors represent many different fields including Sociology Psychology Education History Social Work Political Science Policing and English This offers readers a diversity of perspectives and information from a variety of sources Confronting a difficult and often misunderstood subject this encyclopedia is essential to a better understanding of juvenile violence

*Juvenile Justice and Youth Violence* James C. Howell, 1997-07-29 Comprehensive and detailed this book provides information on the history of the United States response to juvenile delinquency the increasing seriousness of the problem and the public policies available to deal with it James C Howell cites the pressing need for a clearer understanding of the risk factors for youth violence Long term solutions such as the development of more effective prevention programmes better matched offender treatment programmes and a more cost effective juvenile justice system are also discussed Extensive figures and tables are included

*Report to Congress on Juvenile Violence Research* United States. Office of Juvenile Justice and Delinquency Prevention, 1999

*Juvenile Delinquency: An Integrated Approach* James Burfeind, Dawn Jeglum Bartusch, 2010-02-26 Juvenile Delinquency An Integrated Approach Second Edition offers a comprehensive introduction to juvenile delinquency Now in a more concise and accessible format this text cultivates an understanding of juvenile delinquency by examining and linking key sociological and criminological theories and research Biological and psychological approaches to delinquency are covered as well as responses to delinquent behavior including prevention early intervention and contemporary juvenile justice

*Youth Violence* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Youth Violence, 1997 This hearing focused on youth violence and the importance of developing local and state solutions Senator Fred Thompson made an introductory statement This was followed by four panels on each of 2 days of testimony Day one s first panel included involved students and business people from Memphis TN The second panel included two Tennessee mayors the president of the Memphis Board of Education and the Honorable Kenneth Turner Juvenile Court Judge Memphis TN The third panel included James Ball Facility Administrator Shelby County Training Center Memphis TN

Veronica Coleman U S Attorney Memphis TN John W Pierotti District Attorney General Memphis TN and Robert Wood Consultant Agency for Youth and Family Development Memphis TN The fourth panel included community health workers advocates religious representatives from Memphis TN Day two s first panel included the Honorable Don Sunquist Governor State of Tennessee George Hattaway Commissioner of Youth Development Nashville TN and Rita Wadley Commissioner of Public Health Nashville TN The second panel included the Honorable Beth Halteman Harwell State Representative State and Local Government Committee the Honorable Douglas Henry State Senator Special Select Committee on Children and Youth and Chairman Finance Ways and Means Committee and the Honorable Page Walley State Representative Special Select Committee on Children and Youth The third panel included administrators from various community organizations that focused on adolescent needs The fourth panel included the Honorable Paul R Wohlford Judge Juvenile Court Bristol TN the Honorable Randy Camp Judge Crockett County TN the Honorable Dan Speer Mayor Pulaski TN the Honorable Bernie Swiney Mayor London TN and the Honorable C Van Deacon Judge Juvenile Court Cleveland TN An appendix presents additional submissions for the record SM

*Delinquency in Society* Robert Regoli, John Hewitt, Matt DeLisi, 2010 *Delinquency in Society* Eighth Edition provides a systematic introduction to the study of juvenile delinquency criminal behavior and status offending youths This text examines the theories of juvenile crimes and the social context of delinquency including the relevance of families schools and peer groups Reorganized and thoroughly updated to reflect the most current trends and developments in juvenile delinquency the Eighth Edition includes discussions of the history institutional context and societal reactions to delinquent behavior Delinquency prevention programs and basic coverage of delinquency as it relates to the criminal justice system are also included to add context and support student comprehension

*Youth Violence* I. M. Rachia, 1999 This bibliography comprises a selection of Library of Congress catalog records for some 1 500 books periodicals and websites related to youth violence Anyone wanting such a bibliography could probably compile it from the Library of Congress web site and the deficiencies in conception and design of this product defy understanding A brief preface sounds an alarm no one should be surprised that youth violence lurks behind every school house door but sets forth no criteria for selection of citations no indication of time frame purpose or audience Entries are arranged alphabetically by title within chapters on school violence guns and youth gangs campus violence dating and violence and periodicals and Web sites Unforgivably primitive alphabetic sorting puts all titles beginning with The together the same with other articles and in addition those titles are indexed together Though the title indicates the presence of abstracts there are none except the summaries supplied by Library of Congress for juvenile titles of which there are many Cross referencing and indexing except by title are absent The compiler s credentials motivation and orientation are not cited Furthermore with better design the contents would have consumed half the number of pages and a few typeface variations would have eased scanning

McShane,2007-05-30 Juvenile crime and violence has always piqued the public's interest. Indeed, each generation of Americans tends to define the youth crime problem as more serious than any previous generation. Even though juvenile homicides have been decreasing since the mid 1990s, the media is still quick to provide dramatic examples of juvenile monsters who are terrorizing their communities. Shootings at school, gang banging, and trafficking drugs, school bullies, and charging juveniles as adults are subjects that have recently received wide media coverage. This three-volume set on the nature, incidence, consequences, and treatment of youth crime and violence will help readers understand the true nature of youth crime and violence from a variety of perspectives. Each volume covers a different area, and experts write on topics ranging from sex offending to fire starting, from gangs to guns, from juvenile probation to charging youths as adults, from mandatory mental health treatment to police in school settings, and more. What drives a teenager to steal? To kill? Why does youth crime and violence occur? Why are youths such vulnerable targets? What can be done to stop youth offenders, and what can be done to help youthful victims? How does the criminal justice system respond? What do communities do to punish and protect youths? What can schools do to intervene? All these questions and more are answered in this set on this timely and important topic. Our youth are our most precious commodity, and protecting vulnerable children, as well as helping offenders, is of paramount importance for steering them toward safe and productive lives. These volumes help readers better

understand the causes and consequences of youth violence and crime and consider ways to address the problems. **Youth Violence in America** Barry Leonard,1998-12 The Youth Violence Summit included over 80 participants: leaders in the fields of law enforcement, juvenile justice, criminal justice, community programs, health, and social services, as well as students from area schools. Participants worked in small groups to examine youth violence from 6 perspectives: law enforcement, juvenile justice, community, family, school, and health. Each group identified or developed strategies believed or expected to reduce youth violence. Those strategy recommendations are presented in this report along with background information on youth violence in America, its trends, and contributing factors. Charts and tables. **Violence Juvenile** Frieder Dunkel,Kirstin Drenkhahn,2003

*Juvenile Violence: Causes and Solutions* Pasquale De Marco,2025-07-11 In a world where the innocence of youth is increasingly marred by violence, this book emerges as a beacon of hope, offering a comprehensive exploration of juvenile violence in America. With meticulous research and poignant case studies, it delves into the disturbing rise of juvenile crime, shedding light on the complex factors that contribute to this alarming trend. Through a multidisciplinary lens, this book examines the interplay of social, psychological, and environmental factors that shape the lives of troubled youth. It explores the impact of poverty, inequality, and discrimination on the development of aggressive and violent behavior. It also delves into the role of family dynamics, school environments, and peer influences in shaping a child's propensity for violence. Unraveling the complexities of the juvenile justice system, this book highlights the challenges of balancing rehabilitation and punishment. It advocates for evidence-based interventions, restorative justice practices, and community-based programs that prioritize the

well being of juvenile offenders while holding them accountable for their actions Moreover this book emphasizes the crucial role of prevention in combating juvenile violence It offers practical strategies for schools families and communities to create safe and supportive environments that foster healthy development and discourage delinquent behavior It also highlights the importance of early intervention programs that identify and address risk factors before they escalate into violent behavior Ultimately this book is a clarion call for action urging policymakers educators parents and community leaders to join forces in creating a safer future for our youth It is a roadmap for change providing a comprehensive understanding of juvenile violence and outlining a path towards meaningful solutions With its in depth analysis compelling case studies and actionable recommendations this book is an essential resource for anyone seeking to understand and address the issue of juvenile violence in America If you like this book write a review
