### **Juxtaposition Three The Apprentice Adept:**

**Juxtaposition** Piers Anthony, 2012-02-14 In this brilliantly satisfying conclusion to the epic adventure begun in *Split Infinity* and continued in *Blue Adept* Piers Anthony again proves himself a consummate master of both science fiction and fantasy Stile had problems two whole worlds of problems in fact On Proton a world of future science his murder was averted only by the help of a lovely robot who sent him through an invisible curtain to Phaze an alternate world ruled by magic There he found he was the double of the sorcerer the Blue Adept who had been mysteriously murdered And the assassin was after Stile To survive Stile had to master magic fight a dragon win the friendship of a lady unicorn locate his enemy among the paranoid Adepts and return out of Phaze to win the Great Games on Proton After that he was ready to face the real problems The infallible Oracle was suddenly involved in the conspiracy against him The two worlds were out of balance and heading for disaster Stile was somehow supposed to take over the job of saving them or go down to total destruction with all he loved he had to act and act quickly with no idea of what he was supposed to do

**Blue Adept** Piers Anthony, 2009-06-03 In this brilliant continuation of the epic adventure that began in *Split Infinity* Piers Anthony again proves himself a master of both fantasy and science fiction For Stile life was a matter of shuttling madly between two worlds with the problems growing greater on each On the science world of Proton he was a serf trying to prove his right to exist by competing in the Great Games On Phaze where only magic worked he was the Blue Adept trying to master the powers of sorcery And on both worlds someone was trying to assassinate him Aside from winning increasingly difficult contests with no time to prepare all he had to do was win the love of the Lady Blue fight a dragon discover the ultimate weapon and of course seek the paranoid Adept or the all powerful Citizen who was trying to kill him And now just when things were growing impossible he had to fight a mortal duel with the unicorn Herd Leader against whom his magic powers were useless

*On a Pale Horse* Piers Anthony, 2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader's mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution

*Sequels* Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

*Split Infinity* Piers Anthony, 2012-02-14 On the technological decadent world of Proton someone was trying to destroy Stile serf and master Gamesman His only escape lay through a mysterious curtain revealed by a loving robot Beyond

the curtain lay Phaze a world totally ruled by magic There his first encounter was with an amulet that turned into a demon determined to choke him to death And there he soon learned his alternate self had already been murdered by sorcery and he was due to be the next victim Know thyself the infallible Oracle told him But first he must save himself as he shuttled between worlds On Proton his fate depended on winning the great Games On Phaze he could survive only by mastering magic And if he used any magic at all the werewolf and the unicorn who were his only friends were determined to kill him at once

**Castle Roogna** Piers Anthony,2002-03-26 Once upon a past Millie had been a ghost for 800 years But now restored by the magic of Xanth she was again a maddeningly desirable woman She could have had any man she wanted except the one she did want Jonathan the zombie To grant Millie her desire and to prove his right to rule Xanth in the future young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life But the potion could be found only in the past so through a magic tapestry to the past he went taking over the body of a barbarian warrior The first person he encountered there was Jumper a giant spider a nightmare monster but a staunch friend and much needed ally in peril haunted ancient Xanth Then Dor met Millie 800 years younger but just as lovely And he realized that in his new body he was no longer twelve years old

With a Tangled Skein Piers Anthony,2008-12-24 Here in this third complete in itself novel of the Incarnations of Immortality Piers Anthony weaves a fascinating plot as tangled as any skein of fate This is Anthony at his most ingenious with another gripping fantasy of the struggle of the incarnations against the machinations of Satan When the man Niobe loved was shot she learned that she had been the target in a devious plot of the Devil s Hoping for revenge Niobe accepted a position as one of the three Aspects of Fate only to find that Satan s plots were tangled into the very Tapestry of Fate Now the Evil One was laying a trap to ruin Niobe s granddaughter Luna who threatened his plans and he had tricked her son into Hell Niobe s only chance to save her son and Luna was to accept a challenge by the Prince of Deceit a challenge to be decided in Hell and in a maze of Satan s devising

*Source of Magic* Piers Anthony,2002-03-26 A quest for the source of power threatened to doom the land of Xanth As a ruler of a country steeped in enchantment King Trent was naturally curious about the source of its magic It made sense to order Bink the only one of his subjects immune to supernatural harm to undertake a quest to discover the wellspring of Xanth s uniqueness From the beginning Bink and his companions Chester the centaur and Crombie the soldier transformed into a griffin were harried by an unseen enemy determined to thwart them Even the power of Good Magician Humfrey together with Bink s protective talent scarcely saved their lives Then when Humfrey and Crombie turned against him all seemed lost But Bink s ingenuity and luck prevailed and he reached his goal The King s orders had been carried out But the King had not expected Bink s next act to destroy utterly the magic of Xanth

*Night Mare* Piers Anthony,2002-03-26 The danger to Xanth was so great that only a night mare could offer hope The Nextwave of barbarian warriors was invading Xanth from the north ravaging and destroying as they advanced But Mare Imbrium had her own problems Ever since she had gained the half soul the night mare had begun to mishandle her job of

delivering bad dreams Now the night Stallion dismissed her exiling her to the day world with a message for King Trent Beware the Horseman She had no idea what that meant But that was the way with prophetic warnings nobody could understand them until it was too late Then she met the Horseman And she discovered that one who would right a night mare was a master of a bit and spur and not a man to surrender her For the night mare it all began to be a horrible nightmare

*Centaur Aisle* Piers Anthony, 2002-03-26 The magic of Xanth was useless in Mundania until Dor tried honesty Dor was having troubles growing up to be the next Magician King of the magic Land of Xanth He wanted no part of running the Kingdom But now the Good King Trent was leaving on a trade mission to non magical Mundania home of such weird beasts as horses and bears so Dor had to take over as King for a week A week passes No Trent Then three weeks King Trent still hasn't returned Surely something terrible had happened he was apparently held captive in some foul dungeon unable to escape Dor was left with the burden of ruling and with Irene who was entirely too willing to be his Queen His only hope was to enter Mundania and free King Trent But how could it be done without the powers of magic Nevertheless he started forth bravely together with Irene a golem a centaur and a young ogre heading for the far south of Xanth The entrance to Mundania of course lay to the north

*Wielding a Red Sword* Piers Anthony, 2012-02-15 Here in a fourth complete in itself novel of the Incarnations of Immortality Piers Anthony again combines fascinating magic with a gripping complex struggle between good and evil Mym was a dutiful son but his father the Rajah interfered in his love life once too often Rather than wed without love he took up the Red Sword symbol of office of the Incarnation of War At first he thought his efforts could ameliorate some of the suffering caused by Earth's constant petty wars But he found that behind all his involvement were the clever traps of Satan When seeming mischance placed him in Hell Mym organized a great rebellion among the Damned And Satan seemed to capitulate But free again Mym learned that Satan had been busy stirring up riots and war Now it seemed things had gone too far and Satan must surely win There was only one desperate chance

**Bearing an Hourglass** Piers Anthony, 2012-02-14 Like *On a Pale Horse* this second complete in itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story And again Piers Anthony adds to his gripping plot a serious though provoking study of good and evil When life seemed pointless to Norton he accepted the position as the Incarnation of Time even though it meant living backward from present to past The other seemingly all powerful Incarnates of Immortality Death Fate War and Nature made him welcome Even Satan greeted him with gifts But he soon discovered that the gifts were cunning traps While he had been distracted he had become enmeshed in a complex scheme of the Evil One to destroy all that was good In the end armed with only the Hourglass Norton was forced to confront the immense power of Satan directly And though Satan banished him to Hell he was resolved to fight on

**A Spell for Chameleon** Piers Anthony, 2002-03-26 BEST NOVEL OF THE YEAR  
BRITISH FANTASY SOCIETY Discover the magical beginning of Piers Anthony's enthralling Xanth series Xanth was the enchanted land where magic ruled where every citizen had a special spell only he could cast It was a land of centaurs and

dragons and basilisks For Bink of North Village however Xanth was no fairy tale He alone had no magic And unless he got some and got some fast he would be exiled Forever But the Good Magician Humfrey was convinced that Bink did indeed have magic In fact both Beauregard the genie and the magic wall chart insisted that Bink had magic Magic as powerful as any possessed by the King or by Good Magician Humfrey or even by the Evil Magician Trent Be that as it may no one could fathom the nature of Bink s very special magic Bink was in despair This was even worse than having no magic at all and he would still be exiled Thus begins Piers Anthony s enthralling Xanth series      Golem in the Gears Piers Anthony,2002-03-26 A golem to the rescue Grundy Golem was the size of an inconsequence and nobody had any respect for him including Grundy To prove himself he volunteered to ride the Monster Under the Bed to the Ivory Tower to find little Ivy s long lost dragon Stanley Steamer After many adventures he reached the Tower to learn that the evil Sea Hag kept lovely Rapunzel imprisoned there her body destined to be used to maintain the witch s immortality Grundy managed to free the damsel and they fled together As the descendant of Jordan the Barbarian and Bluebell Elf Rapunzel could become any size even that of any Golem s dreamgirl But Grundy knew she was surely fated for someone better than he Besides the Sea Hag still pursued them to destroy him and get her back And he still hadn t found Stanley Steamer      *Crewel Lye* Piers Anthony,2002-03-26 A knight of ghosts and shadows Jordan was a ghost in Castle Roogna now spending his time with little five year old Ivy and watching his own past unfold on the magic tapestry But once he had been a valorous knight riding his ghost horse Pook on a fabulous and dangerous mission He had been betrayed with a cruel lie by two wily magicians and the woman he loved He had been killed at the end and his bones had been scattered Now he could not even remember where they had been buried That was important because Jordan s talent had been to recover from almost any injury provided enough of his body could be assembled to grow together again But all that had been four hundred years before Nobody who was alive today knew or cared where his bones might be It was hardly the proper ending for a gallant adventure      **Dragon on a Pedestal** Piers Anthony,2002-03-26 There is trouble in Xanth again all kinds of trouble in fact The Gap Dragon had escaped from the Gap and was ravaging across the land The forget spell that had covered the Gap was breaking up into small forget whorls that wandered about giving amnesia to all they touched Good Magician Humfrey might have had the Answer but he had overdosed on water from the Fountain of Youth and was only a helpless baby And Ivy three year old daughter of King Dor and Queen Irene as lost in the jungles south of the Gap While Irene sought her without much hope Ivy was wandering further into danger her memories erased by a passing forget whorl Her path was leading her directly to where the Gap Dragon was seeking dinner      **Being a Green Mother** Piers Anthony,2012-02-14 Orb had a rare gift the magic which manifested whenever she sang or played her harp No one could resist her music But she knew that greater magic lay in the Llano the mystic music that controlled all things The quest for the Llano occupied Orb s life Until she met Natasha handsome and charming and an even finer musician But her mother Niobe came as an Aspect of Fire with the news that Orb had been

chosen for the role of Incarnation of Nature The Green Mother But she also warned of a prophecy that Orb was to marry Evil Could she be sure that Natasha was not really Satan the Master of Illusion laying a trap for her      To Be Continued Hope Apple,Merle L.
