Kabbalah Globary:

The Kingdom of the Occult Walter Martin, Jill Martin Rische, Van Gorden Kurt, Kevin Rische, 2008-10-21 The timely follow up to Dr Martin's *The Kingdom of the Cults* takes his comprehensive knowledge and dynamic teaching style and forges a strong weapon against the world of the Occult

The Global Mystical Tradition Bruce Stephen Naschak, 2023-01-09 Mysticism is an element of religion or spirituality which emphasizes direct apprehension of the divine whether the divine is understood from a theistic or non theistic perspective The author argues that such mystical experiences can be gained through the practice of specialized techniques of spiritual transformation techniques which have been passed down through the ages by Traditions of Masters or Holy Traditions These esoteric traditions are made up of masters and students who share secret doctrines and rituals and they can be found in cultures from the Upper Paleolithic Period through the present The *Global Mystical Tradition* studies these traditions their mystical experiences and practices from a global syncretistic perspective noting similarities and in some cases interaction between the Holy Traditions of different cultures

Secret Societies John Lawrence Reynolds, 2006 Reynolds takes readers on a behind the scenes tour of the world's most notorious secret societies including their origins and histories initiations and rituals secret signals and members

The Jewish Family in Global Perspective Harriet Hartman, 2024-07-01 This book contains a collection of chapters about the Jewish family across different parts of the world with contributions representing Africa Ivory Coast and Ethiopia Latin America Australia Europe Germany Russia Israel Canada Indian families in Canada and a comparative chapter of Ba'al Teshuva in the US and Argentina Where much existing research and literature on the dynamic process of intermarriage and Jewish family life has taken primarily a historical approach here the authors together present a broad global comparative approach The book uses an open systems model to organize comparisons between Jewish families the world over Each case study focuses on Jewish family life in a particular country or region of the world and taken together cover an extensive range of topics including but not limited to demographic and socio economic description of the Jewish families immigration patterns family roles family engagement in Jewish life marriage formation interfaith families same sex couples parenting surveying the extant research and or reporting on new research about contemporary families within the historical context The book therefore presents a novel framework for understanding the variations in Jewish families to highlight what Jewish families the world over have in common whether within the microsystem of the family or in the family's relationships with the environment as well as using the open systems model to explain main types of difference between the various regions

Self-Interest Vs. Altruism in the Global Era Michael Laitman, 2011-01-01 *Self Interest vs Altruism in the Global Era* regards the world's challenges as necessary consequences of humanity's growing egotism rather than a series of errors The book suggests ways to use our egos for society's benefit rather than trying to suppress them The book offers a novel understanding of humanity's existence on this planet a bird's eye view of history as a record of humankind's growing egotism as well as a solution to our current

social challenges

The Jews from Ancient Canaan to a Global Culture Matthias Lehmann, Steven

Weitzman, 2025-06-23 This accessibly written volume examines the major periods of Jewish history around the world from the Jews distant origins in antiquity through the beginnings of the modern period and the emergence of secular culture Although Jews are a small minority they have settled in almost every part of the world developing many different subcultures They have had an outsized impact on global religion even as they have faced prejudice and persecution and their history makes for a fascinating story of cultural change adaptation and survival that is continuing to unfold in the present Now in a new edition as a split volume this first volume of a comprehensive history of the Jews draws on up to date research to recount the story of the Jews from their beginnings in the ancient Near East through to the dawn of the modern period and the emergence of secular culture Enhanced by images limelight given to various historical mysteries recommendations for how to learn more as well as other features the book moves chapter by chapter through the major periods of Jewish history balancing introductions for those unfamiliar with that history with discussion of new approaches and recent discoveries that have reshaped understanding of the Jewish past The book is useful not just for those interested in the Jews themselves but also for readers open to learning about global history from the vantage point of a people whose experiences attest both to the resilience of human culture and to the impact of hate and violence

Kabbalistic Revolution Hartley Lachter, 2014-11-01

The set of Jewish mystical teachings known as Kabbalah are often imagined as timeless texts teachings that have been passed down through the millennia Yet as this groundbreaking new study shows Kabbalah flourished in a specific time and place emerging in response to the social prejudices that Jews faced Hartley Lachter a scholar of religion studies transports us to medieval Spain a place where anti Semitic propaganda was on the rise and Jewish political power was on the wane Kabbalistic Revolution proposes that given this context Kabbalah must be understood as a radically empowering political discourse While the era s Christian preachers claimed that Jews were blind to the true meaning of scripture and had been abandoned by God the Kabbalists countered with a doctrine that granted Jews a uniquely privileged relationship with God Lachter demonstrates how Kabbalah envisioned this increasingly marginalized group at the center of the universe their mystical practices serving to maintain the harmony of the divine world For students of Jewish mysticism Kabbalistic Revolution provides a new approach to the development of medieval Kabbalah Yet the book s central questions should appeal to anyone with an interest in the relationships between religious discourses political struggles and ethnic pride

Jewish Radicalisms Frank Jacob, Sebastian Kunze, 2019-12-16 Jewish radical thoughts and actions can be described in a variety of terms and dimensions This volume wants to survey Jewish radicalism and present different approaches on this global historical phenomenon It is focused on the 19th and 20th century and tries to grasped the manyfold Ideas of Jewish radicalism and thereby it approaches the term Jewish radicalism from different perspectives and wants to extend the understanding of this phenomenon

Moshe Idel: Representing God Hava Tirosh-Samuelson, Aaron W. Hughes, 2015-01-08

Moshe Idel the Max Cooper Professor Emeritus at the Hebrew University of Jerusalem and Senior Researcher at the Shalom Hartman Institute is a world renowned scholar of the Jewish mystical tradition His historical and phenomenological studies of rabbinic philosophic kabbalistic and Hasidic texts have transformed modern understanding of Jewish intellectual history and highlighted the close relationship between magic mysticism and liturgy A recipient of two of the most prestigious awards in Israel the Israel Prize for Jewish Thought 1999 and the Emmet Prize for Jewish Thought 2002 Idel s numerous studies have uncovered persistent patterns of Jewish religious thought that challenge conventional interpretations of Jewish monotheism while offering a pluralistic understanding of Judaism His explorations of the mythical theurgical mystical and messianic dimensions of Judaism have been attentive to history sociology and anthropology while rejecting a na ve historicist approach to Judaism

Philippon Matthew Wood **Shakespeare and Religion: Global Tapestry, Dramatic Perspectives** Margie Burns,2025-01-07 Twelve research articles deal with aspects of religion in the plays of William Shakespeare from early in the dramatist s career to the end Ordered by chronology two chapters focus on history plays three chapters focus on comedies and three on tragedies one deals with Troilus and Cressida and three chapters deal with the late romances The anthology does not cover all of Shakespeare s plays and collaborations or the lyric poems The collection is ecumenical and transnational While the contributors all recognize that Shakespeare wrote in a Renaissance Christian universe Christianity is not the only world religion dealt with Approaches involve history and philosophy as well as theology and individual perspectives vary One thing the collection makes clear is that religion in some sense operates in every Shakespearean work and its large spectrum ranges through plot and character from shallow to deep self interested to elevated bloody to harmonious Religion and religious differences were also part of the fabric and history of the playwright s world manifesting in the plays in situation language and iconography From various perspectives a common denominator is that the authors approach aspects of religion as one element in an informed analysis of the works *From Chaos to Harmony* Michael Laitman,2007-01-01 Reveals the factors contributing to the perilous state in which we find our world today Many researchers and scientists agree that the cause of humankind s problems is the human ego Yet Laitman s groundbreaking new book not only demonstrates that ego has been the basis for all suffering throughout human history but also reveals why we are subject to suffering due to our egos and how we can turn our plight to pleasure our troubles to opportunity The book contains two parts First an analysis of the human soul and how the soul s own structure is its bane The book also maps out what we need to do to once again be happy and what we should avoid because it would worsen our suffering Throughout the book Laitman s analysis of the state of humanity is supported by examples from science and from Kabbalists both ancient and contemporary From Chaos to Harmony determines that we can and must collectively rise to a new level of existence and explains how we can accomplish this goal on personal social national and international levels The Sociology of Philosophies Randall Collins,2009-07-01 Collins traces the movement of philosophical thought in ancient Greece China Japan India the medieval Islamic and Jewish world medieval Christendom and modern Europe He focuses on the social locations where sophisticated ideas are formed the patterns of intellectual networks and their inner divisions and conflicts **Foundations of a Global Spiritual Awakening** Edgar John Burns,2003-06-27 Blood Thick red still I shivered in spite of the comfortable temperature in the room Staring fixedly at the ooze I watched the edges curl inward as if it were trying to remove itself from the white linoleum embarrassed by its own unseemly appearance Except for the blood all was normal in the primate biology lab of Loma University Situated in upscale San Larimor the campus s property nestles in the rolling hills just northwest of Los Angeles renowned for stately Mediterranean style mansions and frequent celebrity sightings San Larimor Police Detective Cate Blaine becomes embroiled in a puzzle of blood a missing security guard and a deadly chase against time While searching for the answers to the case

Cate is searching for clues to solving her own inner battle dealing with the senseless loss of her son and husband As she moves between the real world of crime and the inner chaos of her emotions she is in jeopardy of loosing her job and her sanity Thrown into an unwelcome partnership with LU s Private Security chief Sloane Stevens Cate fights the impulse to keep case details from the blue eyed ex cop when The flashlight reflecting off the industrial plastic made Stan s face and body just visible Blank eyes stared back at us a silent scream contorting his features Sloane s involvement proves almost too much as Cate races against time murders and the possibility of her safety *About the Rose* Elizabeth Ferrell,2022-02-22 A remarkable portrait of a web of artistic connections traced outward from Jay DeFeo s uniquely generative work of art Through deep archival research and nuanced analysis Elizabeth Ferrell examines the creative exchange that developed with and around *The Rose* a monumental painting on which the San Francisco artist Jay DeFeo 1929 1989 worked almost exclusively from 1958 to 1966 From its early state to its dramatic removal from DeFeo s studio the painting was a locus of activity among Fillmore District artists Wallace Berman Bruce Conner Wally Hedrick and Michael McClure each took up *The Rose* in their photographs films paintings and poetry which DeFeo then built upon in turn The resulting works established a dialogue between artists rather than seamless cooperation Illustrated with archival photographs and personal correspondence in addition to the artworks Ferrell s book traces how *The Rose* became a stage for experimentation with authorship and community defying traditional definitions of collaboration and creating alternatives to Cold War America s political and artistic binaries **Religions of the Stars** Richard Abanes,2009-07-01 Today s culture is saturated with news about celebrities and their beliefs Oprah Winfrey Tom Cruise and Madonna all promote their own brand of spirituality What do they really believe and does it line up with what the Bible teaches This book answers these questions appealing to those curious about the religions of the rich and famous while holding up their beliefs to the light of the gospel Concerned parents will also gain insight into the religious influences their kids may be exposed to in the media *I'm Not Religious. I'm a Spiritual Person.* Susan D. Sammarco,2011-05-01 This book is for people who are dissatisfied with mainstream organized religions but still have sincere questions about God and truth **Toward a Global Civilization?** Patricia M. Mische,Melissa Merklng,2001 Creating a peaceful and sustainable global future is as much an ethical and spiritual matter as an economic social and legal one To respond to the challenges resulting from today s global economic and ecological interdependence twenty one distinguished scholars from the world s major religions describe their traditions contributions to the development of a shared global ethic respectful of national cultural and religious diversity and its applications in humane and effective global governance structures and systems They show how each tradition frames comprehensive values for human society contains seeds of world systems thinking and approaches multireligious initiatives These contributors are seekers doers and path pointers on the human journey toward a global civilization in which people of diverse cultures and belief systems will need to learn to live in true community
