Nick is sent to China for its 60th Naval Anniversary celebration and secretly attempts a dangerous mission to retrieve Red's mother and the Crown of India with help from a very unexpected ally. It's a colorful account of how a mother and her six-year-old son transitioned, adapted, and eventually triumphed in a foreign country. This mother didn't wait for her ship to come in; she swam out to meet it. So when the opportunity presented itself for her to take her young son and travel to Japan to teach English as a Foreign Language, she let go, said goodbye to all that was comfortable, to all that was familiar, and followed her dream. A Magnificent Exchange is a testimony to the human spirit and an unforgettable story of an American family's successful assimilation into Japanese society. It's a story of promise and one of hope. It proves that harmony can come from chaos and courage can come from fear. **Tokyo** Louis G.
