Fliers Of Antares Antares:

Fliers of Antares Jessica A. Salmonson, 1975-04-15 **Fliers of Antares** Alan Burt Akers, 1975 In order to return to his princess and homeland Dray Prescott must discover how the aircraft of Havilfar operates The Spikatur Cycle Alan Burt Akers, 2011-03-01 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light The Spikatur Cycle brings Prescott closer to the realization of many of his dreams He is determined to do what he feels is laid upon him but he finds it is not so easy particularly when the Empress Delia and his comrades are determined to keep him out of trouble But he is Dray Prescott Lord of Strombor and Krozair of Zy and that canny old leem hunter will not be prevented from buckling up the brave old scarlet breechclout and hurtling off beneath the Moons of Kregen into fresh headlong adventure with a sword in his fist The marvelous adventures of Dray Prescott on Kregen the world of wonders that orbits the twin suns of Antares in Scorpio have become a science fiction saga to rival and perhaps surpass the works of Edgar Rice Burroughs and others of the heroic fantasy band Beasts of Antares Dray Prescott lone Earthman once a pawn of cosmic powers rallies the warriors of Vallia for a final stand against the foes that encircle them Then in an act of true Prescott bravado undertakes single handed to rescue three old friends from slavery in a distant land The beasts of Antares are many and terrifying but Prescott does not belong to the faint hearted and he will need every ounce of courage this time Rebel of Antares At last Prescott has come in sight of his goal to overthrow the slavers and their evil empires that he shares with the Star Lords On the island kingdom of Hyrklana his course now seems clear overthrow its decadent queen lead a rebellion against the cruel Arena and free the princess who is its rightful ruler It is a hard task but for Dray Prescott against whom sorcerers and swordsmen have contended it is the only course he could follow Legions of Antares For too long the iron legions of the evil empress of Hamal have devastated the neighboring lands and islands of Kregen Dray Prescott has battled Empress Thyliss all the way and at long last finds himself nearing the end of his long campaign Gathering about himself old allies and former enemies Dray prepares to challenge the empress at the very doors of her capital city until he discovers that she is about to spring her secret weapon the super science of the mad wizard of Loh Allies of Antares Dray Prescott has made himself into a rallying point of strength on Kregen Now after the worst war between the humanoid lands has finally concluded Prescott again confronts the Star Lords only to learn that the hard won peace is just a transition to a great hemispheric invasion that was even then raiding over the horizon This book contains a glossary of the Spikatur cycle *The Havilfar Cycle II* Alan Burt Akers, 2007-04-01 For the first time ever the books in the Saga of Dray Prescott of Earth and of Kregen are being brought together in omnibus editions In the first Havilfar Cycle omnibus Dray Prescott was launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the Suns of Scorpio Now Hamal

the greatest power in Havilfar is bent on conquest and Prescott hates the Hamalese because he slaved in their diabolical Heavenly Mines His mission is to discover the secrets of the Hamalese airboats for his own people This book contains Bladesman of Antares Avenger of Antares Armada of Antares **The Havilfar Cycle I** Alan Burt Akers,2015-07-08 Together the three books in this volume make up the first part of the Havilfar Cycle of the Saga of Dray Prescott of Earth and of Kregen Dray Prescott is launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the Suns of Scorpio A new life opens for Dray but that new life is cruelly different from all he expected and dreamed hurling him into fresh adventure and danger among peoples and places far removed from those he knows and loves Dray Prescott's saga has been acclaimed as the best planetary adventure series since Burroughs stopped writing about Barsoom Manhounds of Antares Will Dray Prescott be able to remain a prince of proud Vallia or will he become just another human victim of the hunters and manhounds of the mysterious Southern Continent For that is the enigmatic fate that the Star Lords have suddenly confronted him with They want someone freed from the terrified pack of human prey among whom Prescott finds himself But who it is and how it is to be done they have left to Dray to work out Arena of Antares Never a man to leave something half done Dray Prescott knows his task on the mysterious continent of Havilfar is far from complete There are cruel conquerors to be overthrown the pursuit of the manhounds and their masters to continue and there is the dreaded arena Can he survive the life of a gladiator against the killers and monsters of a spoiled queen while the Star Lords wait for his mission to continue Fliers of Antares Dray Prescott confronts his most baffling task while he is a hunted and harried wanderer of the continent of Havilfar That task is to discover the means by which the aircraft of that continent's most advanced civilization operate Prescott is no scientist but fulfill his task he must or he will never return to the princess and homeland he has won So for Dray Prescott there is but one course With a whole continent against him with time itself conspiring to balk him the secrets of an unknown science must be made his The Krozair Cycle Alan Burt Akers,2011-12 Kregen that grim and beautiful marvelous and terrible world four hundred light years away beneath the red and green fires of Antares is a world too rich in passion and action to allow a fighting man like Dray Prescott to rest for long Once more then he is launched into fresh adventures but this time there is a hiatus which might easily break a man of lesser fire and spirit The Tides of Kregen Of all the honours that Dray Prescott Earthman has won during his fabulous adventures on Kregen none are valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords And before Dray Prescott can achieve redemption he has two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon Renegade of Kregen Never before in his adventurous career under the

double suns of Antares has Dray Prescott been in as desperate a situation as he finds himself on his second entry into the city of Magdag Magdag was the scene of one of Prescott's earliest experiences on Kregen and he recalled it with loathing as a city of power lustful slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despises all that the city stood for But now Prescott is an outcast Any Krozair any follower of the Red Sun of his former friends will slay him on sight For him there is only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stains his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph Krozair of Kregen Dray Prescott has been condemned by his old enemies whose battle color is the green of the sun Grodno For while among these slavers and conquerors of the green searching for a way to turn the tide of war to his own redemption and his friends advantage he had personally encountered the deadly animosity of Grodno's king had betrayed his champion and had shattered all he so carefully worked for But he must soldier on For now in addition to the enormous feat that alone would restore his honor he has a blood vengeance to achieve that overrides everything This edition contains the short story Wizard of Scorpio and a glossary to the Krozair Cycle The Jikaida Cycle Alan Burt Akers, 2009 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Here in the unforgiving yet rewarding world of Kregen struggling through disaster and triumph Dray Prescott has made his home He has acquired a number of titles and estates but now the people of the island empire of Vallia which has been ripped to shreds by ambitious and mercenary invaders have called on him to lead them to freedom as their emperor Reluctant to accept the imperium he shoulders the burden because rightly or wrongly he sees this as the lesser evil A Life for Kregen Prescott is the unwilling battle arm of the mysterious Star Lords who contend for that planet with the powerful Savanti Yet Prescott's ambitions are his own for he has inherited the remnant of a shattered empire and must fight to bring hope and freedom to all its peoples By his side stands his princess Delia of the Blue Mountains and a band of stalwart companions of many races and species But arrayed against him are flying armadas armed hordes the wizardry of a super scientist and most shocking of all the fury and steel claws of his own daughter Dayra A Sword for Kregen The most popular game among the many peoples of Kregen is one that resembles chess called Jikaida Jikaida is a battle of wits and war game pieces that suits well the tension charged atmosphere that envelops Dray Prescott Because reconquering Vallia is assuming the aspect of such a game move versus countermove horde against horde But Dray Prescott finds himself no longer in control of the game when he becomes a living chessman on a real life board at the dreaded arena of Jikaida City There every move is accompanied by bloodshed and behind every game might hang the fate of a city an island or even a nation A Fortune for Kregen Fame and fortune may await the winners of the life and death game called Jikaida but for Dray Prescott his triumphs

seem to bring only infamy and misfortune Prescott needs to find a way out of his Jikaida City exile for his homeland needs him in its hour of danger But it seems that fate will place him in an even more terrifying game a treasure hunt played out in the illusion webbed catacombs of a haunted valley where desperate men come to find fortunes at the risk of their followers lives and their own sanity A Victory for Kregen The ending of Prescott s stark adventures as a living chess piece in the city of blood games was to be as terrifying as the perils that had gone before Because now that transposed Earthman has to fight his way back to his embattled Vallian homeland across a sky full of danger and a sea full of death And when he returns he will find the combat joined his son at doom s door his troops up against superior odds and a battle he must personally fight that would be two battles in two different places at the same time This edition contains a glossary to the Jikaida cycle *The Tides of Kregen* Alan Burt Akers,2006-03-29 Of all the honours that Dray Prescott Earthman had won during his fabulous adventures on Kregen none were valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts And Prescott had been ordained a Krozair back at the dawn of his career Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords Before Dray Prescott could achieve redemption he had two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon *The Vallian Cycle* Alan Burt Akers,2015-07-08 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Dray Prescott s happiness with Delia the Princess Majestrix of Vallia is threatened as the notorious Wizard of Loh Phu si Yantong seeks to destroy Delia s father and take control of the empire of Vallia And Prescott is determined to seek the whereabouts of his daughters alienated from him during his forced absence on Earth But the brilliant world of Kregen under Antares will always challenge Prescott with new problems and adventures Dray Prescott knows only too well that he must continue to struggle against himself as well as the malignant fates that pursue him in the mingled streaming lights of the Suns of Scorpio Secret Scorpio Courage and ingenuity has won Dray Prescott a high role in the Vallian Empire and a certain independence from the Star Lords So when a mysterious monster cult begins to undermine the empire and when his own beloved princess becomes a victim of those secret schemers Prescott has to go into action Savage Scorpio Somewhere in the unmapped regions of Kregen lies the hidden city of the Savanti Dray has long sought the locale of his original landing and now the time has come when the search must be completed without delay for the father of his beloved Delia is a victim of assassins Only the Savanti can undo the evil that could shatter all that Dray holds dear in his second planetary homeland Captive Scorpio Prescott has risen high in the empire of Vallia but luck cannot always sustain him All the forces opposed to his lands his princess his emperor and to him personally converge to bring about the

darkest hour of his long career With his back to the wall Dray Prescott faces that time of peril with unflinching will until the cruelest blow of all is struck his warrior daughter Dayra rode in the vanguard of his foes Golden Scorpio When you re down there s no place to go but up That s the way the brave think and if there is anyone on two worlds braver than Dray Prescott he has yet to appear Prescott would never give up Single handedly if need be he would be a deadly threat to the enemies of Vallia But as he sets out on a liberation mission incomparable in the history of two worlds he knows he will never be alone This edition contains a glossary to the Vallian cycle

Renegade of Kregen Alan Burt Akers,2007-04-04 Never before in his adventurous career under the double suns of Antares had Dray Prescott been in as desperate a situation as he found himself on his second entry into the city of Magdag Magdag had been the scene of one of Prescott s earliest experiences on Kregen and he recalled it with loathing as a city of power lusting slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despised all that that city stood for But now Prescott was an outcast Any Krozair any follower of the Red Sun of his former friends would slay him on sight For him there was only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stained his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph

The Balintol Cycle I Alan Burt Akers,2015-10-22 Dray Prescott begins an entirely new phase of his adventures on Kregen that magnificent and terrible world four hundred light years from Earth Reared in the harsh conditions of Nelson s Navy Dray Prescott failed to find success on Earth but has succeeded in winning fortune on Kregen He is called the Emperor of Emperors the Emperor of Paz but he himself regards these titles as meaningless Paz is a vast grouping of continents and islands and is inhabited by innumerable races and nations so why should they band together under Prescott The Star Lords themselves have chosen him for this heavy task Intrigue of Antares In this the first book of the Balintol cycle the Star Lords have dispatched Dray Prescott to the town of Amintin in the continent of Balintol Under the streaming mingled lights of the Suns of Scorpio Dray Prescott sets forth on new adventures in the subcontinent of Balintol Gangs of Antares All hell was due to break out in the country of Tolindrin and the city of Oxonium as the capital was likely to receive more than its fair share Dray Prescott is in the middle of it and strangeness unlike any that he has previously encountered awaits him Demons of Antares Dray Prescott s task of uniting the disparate countries so that all Paz can defend itself against the predatory fish headed Shanks from the other side of the world is complicated And the megalomaniac desires of certain princes and nobles who are determined to win the crown of Tolindrin for themselves and who are willing to destroy anyone who gets in their way isn t helping They have hired mercenary armies and allied themselves with the traditional enemies of the country Prescott must travel to Prebaya the capital of Caneldrin and use all his strengths and all his scheming and tricks to achieve his goal with as little bloodshed as possible

Witches of Kregen Alan Burt Akers,2007-12-01 When his new army was ready to march against the witch hordes it rained frogs It was a veritable heavy bombardment from empty skies

That's the sort of thing Dray Prescott is up against in the war of the Nine Unspeakable Curses Dray was struggling to gather together his shattered empire when the witchcraft hit But he has wizards on his side too and very soon it becomes a battle of sheer courage quick wits and fast flying This was more to his liking for he knew that this time the Star Lords might be on his side Not that he could rely on them for they were just as likely to toss him back to Earth for a crash course in the old world's learning Witches of Kregen is the thirty fourth book in the epic fifty two book saga of Dray Prescott of Earth and of Kregen by Kenneth Bulmer writing as Alan Burt Akers The series continues with Storm over Vallia The Lohvian Cycle II Alan Burt Akers, 2014-07-17 On the magnificent and mysterious beautiful and terrible world of Kregen a planet orbiting Antares four hundred light years from Earth much may be achieved and much lost Far more than merely a strong sword arm is required for victory Far more than a cunning and devious brain is needed to secure success Having won his princess Delia of Delphond Delia of the Blue Mountains and having become the Emperor of Vallia with Delia at his side as Empress Dray Prescott has renounced the crown and throne Any thoughts of a quiet life are foolish as he well knows Among the many problems besetting him the most important are uniting the lands of Paz and beating off the viciously hostile raiders from over the curve of the sea the feared and hated Shanks Scorpio Ablaze Under the twin sun Antares the planet Kregen is a world of wonder and terror of beauty and horror Now in the streaming mingled lights of the Suns of Scorpio Prescott slave of the Shanks takes up the Krozair brand to attempt to save his friends who are about to be killed by the vicious Shank lord Next he must rally the coalition of forces from Vallia Hamel and Tsungfaril to expel the Shanks from Tarankar But things rarely go according to plan on Kregen Scorpio Drums The forces of Paz have driven off the Shanks and the mysterious Carazaar from the city of Taranjin People are beginning to call Dray Prescott the Emperor of Emperors the Emperor of Paz As he enters the city to assist in the rout of the Shanks and their slaving allies the whiptailed Katakis to his horror he sees Delia being carried off by a group of the slavers galloping off astride zorcas Frenziedly he charges after them Scorpio Triumph Many expeditions have ventured below the City of Eternal Twilight into the Realm of the Drums in search of one of the rubies of the Skantiklar A Wizard of Loh Na Si Fantong is collecting the rubies and it is believed he wants them for no good purpose He has succeeded in obtaining a ruby and vanishes into the maze of tunnels under the city Not really convinced of the importance of the Skantiklar Prescott has to go in pursuit Alone he threads his way through the labyrinth already feeling he will never catch Na Si Fantong This edition includes a glossary to the Lohvian cycle Werewolves of Kregen Alan Burt Akers, 2007-11-01 Having at last returned to his home empire to his wife and his friends Dray Prescott will learn that the vengeance of his defeated enemies has unleashed a final assault against Vallia and all that Dray holds dear Nine occult curses The first curse the plague of murderous werewolves takes Dray by surprise Could his valor and courage though tempered on the battlefields of alien suns stand up against an unprecedented onslaught of warring witchcraft Werewolves of Kregen is the thirty third book in the epic fifty two book saga of Dray Prescott of Earth and of Kregen by Kenneth Bulmer writing as Alan Burt Akers

and begins a new cycle of adventures The series continues with Witches of Kregen

The Pandahem Cycle II Alan Burt Akers,2011-07-12 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with the light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Down in the island of Pandahem Prescott and his comrades having burned a temple or two must now press on and open a fresh campaign against the Silver Wonder Of course life is not as simple as that particularly on the horrific and fascinating world of Kregen where under the mingled streaming radiance of the Suns of Scorpio the unexpected is always to be expected Talons of Scorpio Finishing the job of destroying the hideous cult of the Leem is just one of the problems confronting Dray Prescott For he must also rally all the world s forces to combat the onslaught that is on its way from the unexplored Southern Hemisphere While rescuing kidnapped children from the altars of sacrifice Dray finds himself fighting side by side with his own worst enemy his renegade daughter Ros the Claw who has pledged his death Masks of Scorpio The task of burning out the cult of the Silver Leem had been given Star Lords priority Although Dray Prescott was emperor of Vallia still he has to work incognito on an enemy island until that task is done Aided by a valiant crew of piratical swashbucklers Dray invaded the capital of the secret order only to find treachery and terror where he had thought to find treasure and triumph It became a battle of golden masks against silver masks and behind each facepiece could be hiding the bony features of the Grim Reaper himself Seg the Bowman Dray Prescott s fighting comrade Seg is the finest archer in two worlds Seg is a wild and reckless fellow courageous in the face of any adversity and this is the account of his greatest challenge On an enemy island Seg becomes knight protector of the mysterious lady Milsa and by her side he beats off frightful beasts and inhuman foemen intent on blocking her path to a rightful royal inheritance This edition includes a glossary of the Pandahem cycle and the short story Green Shadows

The Delian Cycle Alan Burt Akers,2009-08-01 The first five books in the Saga of Dray Prescott of Earth and of Kregen are brought together in this omnibus edition Together they make up the Delian Cycle in which Dray Prescott comes to terms with the alien world of Kregen Here he tries to make sense of his situation the Star Lords the Savanti the marvelous places strange beasts and stranger people And here he pursues his greatest love of two worlds Delia of the Blue Mountains Dray Prescott s saga has been acclaimed as the best planetary adventure series since Burroughs stopped writing about Barsoom Transit to Scorpio On the planet Kregen that circles Antares the brightest star of the Constellation of the Scorpion two forces contend for the world s destiny One of them the Savanti called in a human pawn from far away Earth

His name is Dray Prescott and only the Savanti know his role But it soon turns out that Dray Prescott himself has to make a decision that will change him from a mere pawn to a bolder piece on the planetary chessboard The Suns of Scorpio Slave of the colossus builders or scourge of the Inland Sea Both roles await Dray Prescott on his return to Kregen Torn between two contending forces the Star Lords and the Savanti Prescott himself wants only to find his beloved Delia of the Blue Mountains But the powers that had drawn him across interstellar space to the world that orbit the red and green suns have set him a task the nature of which even he cannot fully comprehend Warrior of Scorpio Dray Prescott finds himself torn from the battles of the Inner Sea for a mission in the air For it is now his mission to carry his beloved Delia by airboat to that far kingdom Vallia from whence she had come But the route lies across the gaunt mountains and the shadowy jungles of the Hostile Territories and there Dray will be plunged among stranger peoples and more fantastic challenges than even his Kregen princess has known Swordships of Scorpio What does a man do when fate makes him the protector of the royal head of the land of his enemies If he is Dray Prescott he sets aside his quest to reach Vallia and his princess Delia and help her claim her throne But his duty is to defend Vallia s ancient foe and place its rightful heir on its throne So when the pirate fleets known as the swordships come between the two contending demands Dray sees that only by following his own personal star could the contradiction be resolved Prince of Scorpio Dray Prescott has fought long and hard through perilous lands to claim the hand of the heiress to the mighty Vallia Yet when finally he sets foot in that long sought empire it is not as hero or noble It is as an unknown a mendicant and finally as a condemned slave This edition contains a map and glossary planetary adventure sword and planet bulmer adventure series kregen krozair dray prescot sword wizard savanti scorpio antares burroughs gor barsoom sf fantasy science fiction delia pandahem seg kenneth bulmer sword and sorcery swordsman swordfighting alan burt akers

Omens of Kregen Alan Burt Akers,2008-01-01 Striving to save his strife torn empire of Vallia from the Nine Unspeakable Curses Dray Prescott has faced a plague of murderous werewolves and attack by the witch hordes Now he must conquer the bloodthirsty forces of the would be king of North Vallia while at the same time protecting the realm from the evil witch Csitra and her sorcerous son Journeying to the witch s dark Maze of Coup Blag Dray and his comrades must meet the challenge of this realm of traps and treasures where death waits around every turn and a wizardly battle of destruction is the price of winning free Omens of Kregen is the thirty sixth book in the epic fifty two book saga of Dray Prescott of Earth and of Kregen by Kenneth Bulmer writing as Alan Burt Akers The series continues with Warlord of Antares
