## Isles Of Home Seventy Years Of Shetland:

*The Caledoniad* Catriona M.M. MacDonald, 2024-10-17 Why did Scots in the nineteenth and twentieth centuries know so little about their past and even less about those who controlled their history Is the historical narrative the only legitimate medium through which the past can be made known Are novelists and historians as far apart as convention has it In an age when history grounds any claims to national status these are important questions and they have implications for how Scottish history has evolved and how Scottish identity has been understood up to the present day Scottish history is not simply the distillation of Scotland s past authors shape what we know and how we judge our forebears This book investigates who decided which Scottish voices of the past would be heard in history s pages and which would ultimately be silenced It sketches a picture of a narrow and privileged cultural elite that responded belatedly to a more democratic age and only slowly embraced women writers and the interests of average Scots Integrating historical fiction and popular histories in its appreciation of the Scottish historical imaginary it most importantly tells the story of why despite the interests of politicians and others a truly British history has never emerged A brilliant scholarly yet highly readable work which enlarges our understanding of what Scottish history is and reinforces why it really matters James Robertson **Her Majesty's**

**Historiographer** James Kirk, 1996 *Isles of Home* Gordon Donaldson, 1983 Scottish Life and Society: Bibliography for Scottish ethnology , 2000 This major project comprises fourteen thematically arranged volumes The aim of the Compendium is to examine the interlocking strands of history and traditional culture that go into the making of a national identity in an up to date synthesis of the current state of knowledge By bringing together information from a variety of sources the Compendium not only provides a digest of topics but also points towards areas for new investigation The Compendium concentrates upon the present and the historical period and does not generally deal with prehistory although for certain themes such as the development of agriculture and buildings early evidence is taken into account Where appropriate reference is made to foreign parallels and to the influence on Scotland of the cultures of neighbouring peoples Scottish influence on the world at large is also taken into account whether in relation to urban or rural maritime or land based topics Material and non material aspects of history and tradition are considered equally at all levels of society indeed oftentimes focusing on the interaction between people of differing social strata **The Farmers' Advocate and Home Magazine** , 1908 **The Shetland Isles** Andrew T.
