The Impact Of Reason On Faith, Ethics And Belief Geran F. Dodson,2016-04-11 The purpose of the book is to examine the theological claims of ethics faith and belief from a philosophical perspective The Abrahamic and Mosaic covenants of the Old Testament Jesus of the synoptic gospels and Paul s writings serve as the frame of reference in examining a biblical expression of reason and structured logic The message of Jesus centered on the Kingdom of God defined the meaning of faith and belief established a new ethic and framed the message in logic forms The life and death of Jesus brought the realization of God s final covenant as prophesied by the Old Testament However Paul appropriated and developed the Jesus of history into the mythological eschatological Christ figure The clash of philosophy and theology is evident with theological presuppositions that are based on spiritual insight and divine revelation Logic in scripture employs propositions based primarily on revealed proof that is within the context of that which cannot be proven absolutely Uncovering the identity of YHWH in the manuscripts and religious practices of Canaanite culture clearly associated YHWH with the polytheism of the Ugarit texts YHWH was one of the seventy sons of the Canaanite Most High God El and took on a unique identity that was rooted in El and the polytheistic nature of the pantheon of gods Theological truths stand within the context of faith and reason stands apart from faith and infers only that which can be proven based on evidence That which is knowable by faith cannot be known by reason since reason cannot validate that which is not proven to exist Faith's Defenders Dr. Octavian Caius Obeada,2024-07-28 Faith s Defenders The Christian Apologetic Mission offers a comprehensive exploration of the crucial role of apologetics in the Christian Church It examines the foundational beliefs historical challenges and modern day threats to Christianity while providing a detailed overview of apologetics from early Christianity to the present The book emphasizes the need for respectful and intellectually rigorous strategies to engage with contemporary culture address doubts and reinvigorate faith Drawing on insights from renowned defenders of the faith it highlights the importance of apologetics in strengthening the Church s witness and fostering meaningful dialogue making a compelling call for the Church to present the gospel with confidence clarity and compassion You can find the PAPERBACK version on Amazon <https://amzn.to/4jiSDjr> Journal of Moral Theology, Volume 14, Special Issue 1 Jana Bennett,Lessandro Rovati,2025-05-08 Contents Veritatis Splendor Three Decades On Shared Principles and Hidden Conflicts Jana Bennett and Alessandro Rovati A Ressourcement Encyclical Veritatis Splendor and the Recovery of Christocentric Moral Theology Michael A Wahl Seeds for an Encounter Ethics The Fruit of Reading Veritatis Splendor Beyond a Post Conciliar Binary Narrative Catherine Moon Veritatis Splendor and the Persistence of the Law Conscience Binary in Catholic Moral Theology Nicholas Ogle The Pastoral Conversion of Moral Theology and The Perspective of the Acting Person in Veritatis Splendor Matthew Kuhner Amoris Laetitia Develops the Subjective Conscience from Veritatis Splendor Matthew P Schneider Moral Law and Pastoral Praxis from Veritatis Splendor to the Magisterium of Francis Gustavo Irraz bal The Splendor of Freedom in Theory and Practice The Complementary Moral Theologies of John Paul II and Francis Conor Kelly Divine Authority and

Rational Religion and Morals: Presenting Analysis of the Functions of Mind, Under the Operations and Directions of Reason Thomas J. Vaiden, 1852 Wealth, Health, and Hope in African Christian Religion Stan Chu Ilo, 2017-11-22 Wealth Health and Hope in African Christian Religion offers a portrait of how contending narratives of modernity in both church and society play out in Africa today through the agency of African Christian religion It explores the identity and features of African Christian religion and the cultural forces driving the momentum of Christian expansion in Africa as well as how these factors are shaping a new African social imagination especially in providing answers to the most challenging questions about poverty wealth health human and cosmic flourishing It offers the academy a good road map for interpreting African Christian religious beliefs and practices today and into the future

The Identity of Christian Morality Ann Marie Mealey, 2016-03-03 This book argues that moral theology has yet to embrace the recommendations of the Second Vatican Council concerning the ways in which it is to be renewed One of the reasons for this is the lack of consensus between theologians regarding the nature content and uniqueness of Christian morality After highlighting the strengths and weaknesses of the so called autonomy and faith ethic schools of thought Mealey argues that there is little dividing them and that in some instances both schools are simply defending one aspect of a hermeneutical dialectic In an attempt to move away from the divisions between proponents of the faith ethic and autonomy positions Mealey enlists the help of the hermeneutical theory of Paul Ricoeur She argues that many of the disagreements arising from the Christian proprium debate can be overcome if scholars look to the possibilities opened up by Ricoeur's hermeneutics of interpretation Mealey also argues that the uniqueness of Christian morality is more adequately explained in terms of a specific identity self that is constantly subject to change and revision in light of many often conflicting moral sources She advocates a move away from attempts to explain the uniqueness of Christian morality in terms of one specific unchanging context motivation norm divine command or value By embracing the possibilities opened up by Ricoeurian hermeneutics Mealey explains how concepts such as revelation tradition orthodoxy and moral conscience may be understood in a hermeneutical way without being deemed sectarian or unorthodox

Bioethics, Law, and Human Life Issues D. Brian Scarneccchia,2010-06-02 Bioethics Law and Human Life Issues A Catholic Perspective on Marriage Family Contraception Abortion Reproductive Technology and Death and Dying draws on the Magisterial teaching of the Catholic Church to outline a Catholic response to a host of controversial issues related to human life Scarneccchia lays out a Catholic moral theology based on the writings of Pope John Paul II and Thomas Aquinas and he then applies those Christian moral principles to today s most contentious ethical issues including reproductive technology embryo adoption contraception abortion family and same sex marriage and euthanasia and assisted suicide This review of Catholic moral principles brings together an in depth consideration of the central human life issues of our day with abundant reference to the Church s social teaching and to contrasting positions of today s leading ethicists *Church in China: Faith, Ethics, Structure* Aiming Wang,2009 The Protestant Church in China is growing very fast However the role of the Church in society is still fragile and marginal The Church needs a strong ethical and structural development This study analyses the theological ethical and ecclesiological heritage of the Reformation and it shows how this can build the foundation for the future of the Church in China Four models serve as orientation the Reformers Luther and Calvin and the theologians Bonhoeffer and Barth in the 20th century with their vision of Christian faith and a humane society The critical analysis of the missionary heritage since the 19th century shows its contribution for the acceptance of the tradition of the Reformation for the growing Church in China The author combines this theological and ethical perspective with the inculturation in the strong ethical tradition of the Chinese culture He proposes the encounter between the spirituality of the Western culture and that of the traditional culture of China through the relationship with Confucianism The book also offers elements for the dialogue around modern values such as human rights and civil society In this dialogue Chinese Protestantism can play more and more an important role **The Foundations of Faith, Considered in Eight Sermons** Henry Wace,1886 Grassroots Development in Brazil Arlete Maria da Silva Alves,1993 Faith Morality Science Cardinal Péter Erdő,Chief Rabbi József Schweitzer,Professor E.
