Justin Martyr And The Mosaic Law Sbl Dissertation Series :

Justin Martyr and the Mosaic Law Theodore G. Stylianopoulos, 1975 The Early Church at Work and Worship, Vol I Everett Ferguson, 2014-08-28 Many recognise Everett Ferguson as the definitive voice on early Christianity patristic writing and ecclesiology The Early Church at Work and Worship is a challenging collection broad in scope and formidable in depth This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands Practices of Ordination and attitudes to religious schism in antiquity are analysed by the scholar in this collection which not only includes articles and publications from various sources but also previously unpublished material **The Early Church at Work and Worship - Volume 1** Everett Ferguson, 2013-01-22 This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands **In the Shadow of the Temple** Oskar Skarsaune, 2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e.g. worship baptism and Eucharist and doctrine e.g. Scripture Christology pneumatology This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 A.D. has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian history Notwithstanding the fact that there were points of bitterness and strife the relationship is better viewed as that of a younger and older sibling There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople and this left its impression on the church Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story Anti-Semitism and the Foundations of Christianity Alan T. Davies, 2004-01-09 No one would disagree with the assessment that Christians over the centuries have been guilty of anti-Semitism sometimes with barbarous results The real question is not whether individual Christians have been anti-Semites but whether anti-Semitism is somehow ingrained in the very roots of Christianity in its very essence Rosemary Ruether has declared that anti-Semitism is the other side of Christology the inevitable fallout of placing Jesus at the right hand of the Father The contributors to this volume consider that larger question from several vantage points Their findings are vitally important for Christians and Jews alike Not only do they explore the beginnings of Christian anti-Semitism they help us understand the dynamics of the religious impulse for all peoples and all times The contributors to this volume include John C. Meagher Douglas R. A. Hare Lloyd Gaston John T. Townsend David Efroymson Monika K. Hellwig Gregory Baum John T. Pawlikowski Douglass J. Hall Alan T. Davies Terence R. Anderson and Rosemary R. Ruether The Footprints of God Stephen D. Benin, 2012-02-01 This book traces one exegetical interpretative principal divine accommodation in Jewish and Christian thought from the first to the nineteenth century The focus is upon major figures and the place of accommodation in their work Divine accommodation the idea that divine revelation had to be attuned to the human condition is a vital interpretive

device in the history of both Judaism and Christianity Accommodation is present not only in the language style and tone of Scripture but in all of human history This is the first systematic study of the concept of accommodation and shows how both religions employed the same interpretative tool for different purposes and to different ends **Anti-cultic Theology in Christian Biblical Interpretation** Valerie A. Stein,2007 Anti Cultic Theology in Christian Biblical Interpretation challenges the widely held view that Isaiah 66 1 4 is a prophetic indictment against temple worship Through critical analysis of representative interpretations from the Patristic Era the writings of Martin Luther and Modern Biblical Scholarship the book reveals the anti cultic interpretation of these verses to be theologically motivated The author argues instead that Isaiah 66 contrasts divine and human nature rather than cultic and spiritual worship This work contributes to the subject of Jewish Christian relations in a unique way grounding the discussion of anti Jewish interpretation of the Hebrew Bible in the analysis of a particular passage **Scriptural Interpretation and Community Self-Definition in Luke-Acts and the Writings of Justin Martyr** Susan Wendel,2011-02-14 Although scholars often assume that Luke and Justin similarly claim the sacred texts of Jews for the non Jewish church this book offers a fresh analysis that uncovers significant differences between their respective depictions of the relationship between Christ believers and the Jewish scriptures Jesus in Q Ky-Chun So,2017-04-06 JESUS IN Q is about the Sabbath and the theology of Jesus There are several books about the Sabbath with regard to the Gospel of Matthew Mark Luke and John but nothing regarding Q This book is designed to address the relation to the Sabbath in Q which makes it remarkable amongst other Sabbath related books with reference to the Synoptic Gospels Considering the rabbinic writers and the early fathers who have used generally in a free way the sayings of Jesus drawn from the Gospels and or oral tradition this book examines the apologists and the extracanonical writers whose writings constitute a well defined literary genre and witness a progressively more bookish use of the sayings of Jesus This book understands the extracanonical documents in early Judaism as a prerequisite for understanding the appearances of Jesus **Holy Writings, Sacred Text** John Barton,1998-01-01 An internationally respected biblical scholar investigates the origins of the Christian canon John Barton explores the reasons behind the development of the New Testament and pursues the historical factors involved in combining these books with the Hebrew Scriptures **Journal of Ecumenical Studies** ,1987 *Texts and Testaments* Wallace Eugene March,1980 **Journal for the Study of Judaism in the Persian, Hellenistic, and Roman Period** ,1985 **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983 **The Biblical Canons** Jean-Marie Auwers,H. J. de Jonge,2003 This volume contains the Proceedings of the 50th Colloquium Biblicum Lovaniense the 40 contributions written in English French and German focus on the canons of the Old and New Testament as well as those of the Bible as a whole The theme is studied from a variety of historical hermeneutical and biblical theological points of view Several contributions discuss the process that resulted in the canonical status of certain writings or groups of writings in particular such as the Book of Psalms Ezekiel the Wisdom of Ben Sira the Pauline corpus

Acts and the gospels **Revelation, Truth, Canon and Interpretation** Craig D. Allert, 2015-12-22 This volume treats the concepts of revelation truth canon and interpretation as four pillars of early Christian theology Using Justin Martyr as a case study his Dialogue with Trypho is examined with a view toward discerning how a second century Christian father understands and develops these concepts Justin's intellectual background is discussed within the nuanced context of Middle Platonism Particular attention is paid to his use of biblical sources which is grounded in the foundational chapter on revelation in Justin Justin is placed within the wider context of theological developments in pre Nicene Christianity and includes a warning against judging Justin by anachronistic post Nicene developments **Bulletin** Council on the Study of Religion, 1981 *Journal of Biblical Literature* , 1977 *Bulletin - Council on the Study of Religion* Council on the Study of Religion, 1981 **St. Paul among the Philosophers** John D. Caputo, Linda Martín Alcoff, 2009-07-06 In his epistles St Paul sounded a universalism that has recently been taken up by secular philosophers who do not share his belief in Christ but who regard his project as centrally important for contemporary political life The Pauline project as they see it is the universality of truth the conviction that what is true is true for everyone and that the truth should be known by everyone In this volume eminent New Testament scholars historians and philosophers debate whether Paul's promise can be fulfilled Is the proper work of reading Paul to reconstruct what he said to his audiences Is it crucial to retrieve the sense of history from the text What are the philosophical undercurrents of Paul's message This scholarly dialogue ushers in a new generation of Pauline studies
