Kandahar Cockney A Tale Of Two Worlds:

Kandahar Cockney James Fergusson,2004 The remarkable and touching story of a singular friendship between the author an affluent Western correspondent and his Pashtun interpreter who meet in an Afghan war zone and resume their friendship when Mir becomes an asylum seeker in London s East End In the spring of 1997 James Fergusson a young freelance British correspondent encounters a local Pashtun interpreter named Mir in rebel controlled Afghanistan They soon become firm friends with Mir an invaluable guide not only to the battle zone but to the country s complex politics culture and traditions Not long after James s return home Mir and his family are forced to flee Afghanistan fearing for their lives When Mir arrives in London seeking asylum it is to James that he turns for help Now their roles reverse the guided becomes the guide as James introduces Mir to the bewildering customs of the infidel West Yet in many ways it is Mir who remains the guide this time to a side of his own homeland that James had never noticed or engaged with before He discovers whole communities of Afghans scattered throughout London and the shadow economy in which asylum seekers are forced to work He accompanies Mir through *The British Dream* David Goodhart,2013-07-01 In *The British Dream* David Goodhart tells the story of postwar immigration and charts a course for its future Drawing on hundreds of interviews with people from all over the country and a wealth of statistical evidence he paints a striking picture of how Britain has been transformed by immigration and examines the progress of its ethnic minorities projected to be around 25 per cent of the population by the early 2020s Britain today is a more open society for minorities than ever before but it is also a more fragmented one Goodhart argues that an overzealous multiculturalism has exacerbated this problem by reinforcing difference instead of promoting a common life The multi ethnic success of Team GB at the 2012 Olympics and a taste for chicken tikka masala are not he suggests sufficient to forge common bonds Britain needs a political culture of integration Goodhart concludes that if Britain is to avoid a narrowing of the public realm and sharply segregated cities as in many parts of the U S its politicians and opinion leaders must do two things Firstly as advocated by the center right they need to bring immigration down to more moderate and sustainable levels Secondly as advocated by the center left they need to shape a progressive national story about openness and opportunity one that captures how people of different traditions are coming together to make the British dream *Deportation is Freedom!* Steve Cohen,2006 *Deportation is Freedom* is a searing critique of today s immigration systems a lively yet thought provoking read that will captivate anyone who cares about the immigration systems that are shaping our world today It will be of particular interest to social workers and all people politically engaged in immigration campaigning **Al-Britannia, My Country** James Fergusson,2018-08-23 Shortlisted for the British Academy Nayef Al Rodhan Prize for Global Cultural Understanding 2018 A SERIOUSLY NECESSARY BOOK ROWAN WILLIAMS FORMER ARCHBISHOP OF CANTERBURY A MUST READ MIQDAAD VERSI MUSLIM COUNCIL OF BRITAIN A COMPELLING AND COMPASSIONATE SURVEY OF BRITISH ISLAM THE GUARDIAN A TIMELY BOOK BARONESS WARSI HUGELY

IMPORTANT PETER OBORNE HEARTENING DAVID ANDERSON QC In this groundbreaking book James Fergusson travels the length of Britain to explore our often misunderstood Muslim communities and to experience life on both sides of our increasingly segregated society The face of Britain is changing The Muslim population has more than doubled over the last twenty years and is projected to do so again over the next twenty A societal shift of this size and speed has inevitably brought growing pains with the impact on our communities becoming ever more profound as well as painful because in the eyes of many Islam has a problem the extremist views of a tiny minority which when translated into action can result in catastrophic violence The danger of this extremist threat or our response to it is that we are collectively starting to lose faith in the cultural diversity that has glued our nation together for so long Our tolerance of others so often celebrated as a fundamental British value is at risk In this groundbreaking book James Fergusson travels the length of Britain to evaluate the impact these seismic shifts have had on our communities With the rise of nationalist movements growing racial tensions and an increasingly out of touch political elite what does it mean to be a Muslim in Britain What is life like on both sides of this growing religious divide And what can we do to heal the fractures appearing in our national fabric Al Britannia My Country is a timely and urgent account of life in Britain today a call to action filled with real life experience hard truths and important suggestions for our future

Taliban James Fergusson, 2011-05-24 From a small group of religious students formed in 1994 the Taliban quickly grew into a national movement that occupied all of Afghanistan Led by the mysterious Mullah Omar the group established a theocracy based on strict observance of Sharia law When the Americans overthrew the Taliban in 2001 the United States thought the regime had been defeated Yet today nine years later the Taliban continue to wage a bloody insurgency In this extraordinary and compelling account of the rise fall and return of the Taliban author James Fergusson who has unique access to its shadowy leaders presents the reality of the movement so often mischaracterized in the press His surprising and perhaps uncomfortable conclusions about our current strategy in Afghanistan should be required reading for anyone who wishes to understand this intractable conflict
