

Karl Kraus

Géraldine Muhlmann

Karl Kraus:

Dicta and Contradicta Karl Kraus, 2001 Through the polemical and satirical magazine Die Fackel the torch which he founded in 1899 Kraus launched wicked but unrelentingly witty attacks on literary and media corruption sexual repression militarism and the social hypocrisy of fin de siecle Vienna His barbed aphorisms were an essential part of his running commentary on Viennese culture **BOOK JACKET** **The Kraus Project** Jonathan Franzen, 2013-10-01 Engrossing highly original Franzen finds in Kraus a model of how to provoke readers while at the same time getting them to do some work The New York Times Book Review A hundred years ago the Viennese satirist Karl Kraus was among the most penetrating and farsighted writers in Europe In his self published magazine Die Fackel Kraus brilliantly attacked the popular media s manipulation of reality and the dehumanizing machinery of technology and consumer capitalism But even though he had a fervent following which included Franz Kafka and Walter Benjamin few people today are familiar with his work Luckily Jonathan Franzen is one of them In The Kraus Project Franzen not only presents his definitive new translations of Kraus but annotates them spectacularly with supplementary notes from the Kraus scholar Paul Reitter and the Austrian author Daniel Kehlmann Kraus was a notoriously cantankerous and difficult writer and in Franzen he has found his match a novelist unafraid to voice unpopular opinions strongly a critic capable of untangling Kraus s often dense arguments to reveal their relevance to contemporary America While Kraus is lampooning the iconic German poet and essayist Heinrich Heine and celebrating his own literary hero the Austrian playwright Johann Nestoy Franzen is annotating Kraus the way Kraus annotated others surveying today s cultural and technological landscape with fearsome clarity and giving us a deeply personal recollection of his first year out of college when he fell in love with Kraus s work It is the achievement of The Kraus Project to provide a solid picture of what makes Kraus incomparable and paradoxically enough relevant Bookforum Kraus is one of the most uproarious and relevant writers who ever lived Slate [The Kraus Project](#) Jonathan Franzen, Karl Kraus, 2014-09-30 Franzen presents new translations and annotations of the work of early twentieth century satirist Karl Kraus who via his self published magazine Die Fackel attacked the popular media s manipulation of reality the dehumanizing machinery of technology and consumer capitalism and the jingoistic rhetoric of a fading empire Dust jacket flap [In These Great Times](#) Karl Kraus, Joseph B. Fabry, 1976 *In These Great Times* Karl Kraus, 2016 Kraus is acid Many of his pieces could be printed as current writing especially those on the press creating news There is a devastating piece on protective custody written in 1933 The play follows WWI from the shooting of the archduke to the last gasp of starving armies and still thriving profiteers The scenes wander through every corner of Austrian society from the common soldier to Franz Joseph himself Hypocrisy everywhere unethical false reporters wealthy draft dodgers propaganda wielding schoolmasters Woven throughout is The Grumbler a stand in for Kraus *Karl Kraus 1933* Gal Hertz, Ron Mieczkowski, Ari Linden, 2024-12-16 The book provides new perspectives on the historical context surrounding Kraus s writings during the Third Reich as well as an

analysis of the Third Walpurgis Night The contributions place Kraus's work in dialogue with a broader spectrum of critical voices including Adorno and Arendt Revisiting Kraus from these new perspectives contributes to a better understanding of this major intellectual of the first half of the 20th century Karl Kraus, Apocalyptic Satirist Edward Timms, 1989-01-01 This is a fascinating study of the life and work of Karl Kraus brilliant Austrian writer satirist and personality of fin de siècle Vienna This encyclopaedic study of his life his work and his generation will be of great interest to both the enthusiast and the general student of European culture Drawing on unfamiliar sources Edward Timms analyses Kraus's involvement in the fundamental ideological issues of his time and shows that Kraus's political position caught between traditional Habsburg loyalties and new democratic commitments was far more complex than has previously been suspected A major landmark in Kraus studies and an important contribution to our understanding of the culture of the early twentieth century It abounds in discoveries and insights Times Higher Education Supplement Timm's lucid prose his masterly organization of the voluminous material he treats his excellent translations of the documents he cites and his broad readable portrayal of Viennese fin de siècle culture makes this study accessible to the average reader and a pleasure for the literary professional An example of German studies at its best European Studies Journal This study which takes us to the end of the Great War is unquestionably the most detailed and thoughtful book about him in any language Edward Timms account skilfully interweaves his life times and work The Listener Timms successfully weaves a colourful and thoroughly researched and documented account of essential cultural currents in Habsburg Vienna around his central figure Copious illustrations and photographs enhance a most enjoyable text making this an ideal introduction to Kraus and his work Choice Edward Timms is lecturer in German at the University of Cambridge and a fellow of Gonville and Caius College **Karl Kraus** Wilma Abeles Iggers, 2012-12-06

Kurt Wolff Kurt Wolff, 1991-10-11 Kurt Wolff 1887-1963 was a singular presence in the literary world of the twentieth century a cultural force shaping modern literature itself and pioneering significant changes in publishing During an intense active career that spanned two continents and five decades Wolff launched seven publishing houses and nurtured an extraordinary array of writers among them Franz Kafka Lou Andreas Salom Boris Pasternak Günter Grass Robert Musil Paul Valéry Julian Green Lampedusa and Anne Morrow Lindbergh *Masks of the Prophet* Karl GRIMSTAD, 1982-12-15 When the name Hitler is mentioned nothing occurs to me so said Karl Kraus For this leading Viennese Jewish critic and intellectual the touchstone of art was ethics How could he be speechless in the face of a threat to all that ethics means To answer this question the author makes a detailed chronological study of Kraus's intellectual activity as reflected in his work on the theatre The results are presented in five chapters each dealing with a different mask adopted by Kraus during the period 1892-1936 Grimstad considers not only theatre and drama criticism in *Die Fackel* and Kraus's dramatic writings but also biographical data to help uncover the rationale of his work That rationale is the logic of the theatrical mode in which he lived and wrote The stage was not only his subject matter it determined what he would see and say Grimstad argues that when

Kraus wrote his words were the speech of an actor who was often infatuated with himself and obsessed with the need to overwhelm his rival actors When Hitler s storm troopers began their march he could say nothing for the world in which his thought took shape had become a world of theatrics not Realpolitik Kraus criticized plays without reading them and performances without seeing them obsessed with the belief that his was the voice of all that was true good and beautiful Grimstad observes that he was a prophet who confused the divine inspiration with the Thespian urge playing to an audience using a mask for each of his roles yet thinking he spoke to all mankind bringing them pure ethos This volume will be of particular interest to those working in the fields of theatre criticism comparative literature German literature and Jewish intellectual history *Karl Kraus* Harry Zohn,1971 [Karl Kraus and the Discourse of Modernity](#) Ari Linden,2020-05-15 Ari Linden s *Karl Kraus and the Discourse of Modernity* reconsiders the literary works of the Viennese satirist journalist and playwright Karl Kraus 1874 1936 Combining close readings with intellectual history Linden shows how Kraus s two major literary achievements *The Last Days of Mankind* and *The Third Walpurgis Night* and his adaptation of *The Birds* by Aristophanes *Cloudcuckooland* address the political catastrophes of the first third of Europe s twentieth century from World War I to the rise of fascism Kraus s central insight Linden argues is that the medial representations of such events have produced less an informed audience than one increasingly unmoved by mass violence In the second part of the book Linden explores this insight as he sees it inflected in the writings of S ren Kierkegaard Walter Benjamin and Theodor Adorno This hidden dialogue Linden claims offers us a richer understanding of the often neglected relationship between satire and critical theory writ large *The Austrian Mind* William M. Johnston,2023-09-01 Part One of this book shows how bureaucracy sustained the Habsburg Empire while inciting economists legal theorists and socialists to urge reform Part Two examines how Vienna s coffeehouses theaters and concert halls stimulated creativity together with complacency Part Three explores the fin de siecle world view known as Viennese Impressionism Interacting with positivistic science this reverence for the ephemeral inspired such pioneers ad Mach Wittgenstein Buber and Freud Part Four describes the vision of an ordered cosmos which flourished among Germans in Bohemia Their philosophers cultivated a Leibnizian faith whose eventual collapse haunted Kafka and Mahler Part Five explains how in Hungary wishful thinking reinforced a political activism rare elsewhere in Habsburg domains Engage intellectuals like Lukacs and Mannheim systematized the sociology of knowledge while two other Hungarians Herzl and Nordau initiated political Zionism Part Six investigates certain attributes that have permeated Austrian thought such as hostility to technology and delight in polar opposites Part One of this book shows how bureaucracy sustained the Habsburg Empire while inciting economists legal theorists and socialists to urge reform Part Two examines how Vienna s coffeehouses theaters and concert halls stimulated creativity together wi [Selected Short Writings: Karl Kraus, Hermann Broch, Elias Canetti, Robert Walser](#) Karl Kraus,Dirck Linck,2006-05-12 Includes selections from Krauss s *The Last Days of Mankind* and *Aphorisms* Bloch s *The Anarchist* Canetti s *Crowds and Power* and *Auto da Fe*

and Walser's Jakob von Gunten *Karl Kraus and the Critics* Harry Zohn, 1997 Karl Kraus and the Critics the first study devoted entirely to a century of critical reactions to this controversial satirist who was both deified and vilified in his lifetime and in the six decades since his death attempts to reduce an enormous amount of criticism to manageable dimensions and to give a typology of this commentary By means of copious quotation from both major and minor studies as well as reliable translation it provides some access to criticism that has been published only in German A chronology of Kraus's life and works and an extensive bibliography of both primary and secondary writings are intended to enhance the reference value of this book and to stimulate further reading and research **The Routledge Encyclopedia of Jewish Writers of the**

Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading **No Compromise** Karl Kraus, 1984-01-01

The Forty-nine Steps Roberto Calasso, 2001 Forty nine steps refers to the Talmudic doctrine that there are forty nine steps to meaning in every passage of the Torah Employing this interpretive approach Calasso offers a secret history of European literature and philosophy in the wake of Nietzsche Marx and Freud Calasso analyzes how figures ranging from Gustav Flaubert Gottfried Benn Karl Kraus Martin Heidegger Walter Benjamin Franz Kafka Bertolt Brecht and Theodor Adorno has contributed to or been emblematic of the current state of Western thought This book's theme writ large is the power of fable specifically its persistence in art and literature despite its exclusion from orthodox philosophy **BOOK JACKET**

The Literature of Satire Charles A. Knight, 2004-02-12 The Literature of Satire is an accessible but sophisticated and wide ranging study of satire from the classics to the present in plays novels and the press as well as in verse In it Charles Knight analyses the rhetorical problems created by satire's complex relations to its community and examines how it exploits the genres it borrows He argues that satire derives from an awareness of the differences between appearance ideas and discourse Knight provides illuminating readings of such satirists familiar and unfamiliar as Horace Lucian Jonson Molière Swift Pope Byron Flaubert Ostrovsky Kundera and Rushdie This broad ranging examination sheds light on the nature and functions of satire as a mode of writing as well as on theoretical approaches to it It will be of interest to scholars interested in literary theory as well as those specifically interested in satire Journalism for Democracy Géraldine Muhlmann, 2010-12 The important new book by Géraldine Muhlmann addresses these gaps in our understanding and goes a long way towards

filling them

Thank you for reading **Karl Kraus**. Maybe you have knowledge that, people have look numerous times for their chosen readings like this Karl Kraus, but end up in infectious downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some harmful virus inside their laptop.

Karl Kraus Introduction

In today's digital age, the availability of Karl Kraus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Karl Kraus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Karl Kraus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Karl Kraus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Karl Kraus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Karl Kraus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Karl Kraus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Karl Kraus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Karl Kraus books and manuals for download and embark on your journey of knowledge?

FAQs About Karl Kraus Books

1. Where can I buy Karl Kraus books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
