**Karma's Spice** L.A. Boruff, Lacey Carter, 2024-01-19 The cafe has been cursed At least that was the only logical explanation for the strange happenings plaguing the cafe and its staff For a while Deva had simply thought she'd run into some bad luck but karma's powers have proved otherwise Now the ladies need to figure out who could be targeting the restaurant and why They need to work quickly too before this curse turns deadly With all the supernatural creatures in Mystic Falls Emma will need her friends and her sexy bear shifter if she has any chance of solving the mystery in time

Karma Burns Alma Trevino, 2005-08 Who's crazy and who's in charge of figuring it out Karma Burns are those experiences that are usually spontaneous inexplicable and more often unavoidable Some persons may have more than the usual share of Karma Burns while others may only have a few But it is the few experiences that are the more serious Within this book are short stories of such events Submitted in first person context most of the Karma Burns you will read about are often funny It is always good to inject humor in all experiences that are usually quite humbling While there are recipients of Karma Burns and there are witnesses to these experiences it is never clear what your role will be As for the more serious Karma Burns the irony can also be very entertaining It is only with good intentions if you should relate to any of these stories And it is the author's wish that your Karma Burns are treatable

**The Essence of the Bhagavad Gita** Paramhansa Yogananda,2008-02-04 Rarely in a lifetime does a new spiritual classic appear that has the power to change people s lives and transform future generations This is such a book The Essence of the Bhagavad Gita Explained by Paramhansa Yogananda shares the profound insights of Paramhansa Yogananda author of Autobiography of a Yogi as remembered by one of his few remaining direct disciples Swami Kriyananda This revelation of India s best loved scripture approaches it from an entirely fresh perspective showing its deep allegorical meaning and also its down to earth practicality The themes presented are universal how to achieve victory in life in union with the divine how to prepare for life s final exam death and what happens afterward how to triumph over all pain and suffering This book is itself

a triumph Swami Kriyananda worked with Paramhansa Yogananda in 1950 while the Master completed his commentary At that time Yogananda commissioned him to disseminate his teachings world wide Kriyananda has in his lifetime lectured taught and written eighty five books based on Yogananda s teachings The Essence of the Bhagavad Gita Kriyananda s eighty sixth book is the crowning achievement of his highly productive life In this his masterpiece he declares Yogananda s insights into the Gita are the most amazing thrilling and helpful of any I have ever read **Avadhōta Gita** ,2012 Thus

Avadhutopanishad mentions That which is indestructible worthy of seeking free from the bondage of relative existence and the implied meaning of the Tattvamasi mah v kya From this description it is evident that the Avadh ta is none other than the Absolute non dual Brahman When this Reality manifests through the limitations of the pa cako a s without any influence and thereby expresses the divinity in its stark naked truthful expression such a master is referred as Avadh ta This being so there cannot be any valid descriptions to fit our rational understanding of the Truth and its manifestations Such incarnation of the Absolute is Bhagaw n Datt treya to whom this text is attributed *The revelation of St. John* Irma Korte,2020-01-03 Could

the Revelation of St John inspire us even today in our own spiritual quest Yes answers Dr Korte an author of several books and articles interpreting myths and the Bible as she reads man s spiritual transformation in St John s visions Irma Korte questions the common view of Revelation as a prophesy of horrors and God s revenge and instead invites the reader into man s inner world Here St John contemplates in pictorial mythical language the most essential problems in religion such as the nature of man reality and evil As the visions proceed St John himself experiences a profound inner change He gives up alienating religious beliefs and moves toward ever deeper spirituality culminating in the final illumination Interpreting the visions much like myths are analyzed in Jungian thought Dr Korte compares the images in St John s visions to those from other religious texts psychological and philosophical theories mythology and yoga literature as well as from dreams and experiences of present day men and women The many quotations from the works of Occidental and Oriental mystics testify that they have used images similar to those of St John in recounting their own experiences These mystics include among others St Teresa of Avila St John of the Cross and Paramahansa Yogananda **The Bhagavad Gita for Awakening** Swami

*Hidden Lagnas: 24 Ascendants You Were Never Taught* Saket Shah, 2025-04-10 Dear Reader When I first encountered the concept of multiple Lagnas it felt like discovering secret chambers within a temple I thought I already knew I had spent years studying birth charts poring over transits yogas and dasha systems but something was missing One day a wise teacher whispered You are looking at the chart with one eye Use both and you ll see the soul This book is my attempt to offer you both eyes and perhaps even a third The 24 Lagnas presented here are not just theoretical constructs They are keys Each unlocks a different layer of your destiny Together they form a multi dimensional portrait of who you are not only as a person born at a particular moment but as a conscious being moving through lifetimes I did not write this book to impress but to awaken My hope is that you return to your chart and the charts of others with fresh eyes and a deeper reverence These hidden ascendants will not reveal themselves through logic alone They require intuition contemplation and sometimes silence I offer this work with humility and gratitude to the rishis who first glimpsed these truths to the lineage of astrologers who kept the fire alive and to you the reader who carries this light forward May your chart now become a living dialogue between soul and stars With reverence Saket Shah
