 - A. People Shape Policy
 1. The **policymaking system** is the process by which policy comes into being and evolves over time. (See Figure 1.4)

 3. The **policy agenda** consists of the issues that attract the serious attention of public officials and other people actively involved in politics at a given time.
 4. A **political issue** arises when people disagree about a problem or about a public policy choice made to fix a problem.
