

The background of the book cover is a photograph of a coastal scene at dusk or dawn. The sky is a mix of orange, pink, and purple, with a bright sun partially obscured by a thin, dark horizontal line, indicating a solar eclipse. The sun's light creates a lens flare effect. Below the sky, the sea is calm, reflecting the colors of the sky. In the foreground, dark, silhouetted rocks and a steep, grassy cliff are visible on the left side.

Grace In Eclipse A Study On Eternal Rewards:

Grace in Eclipse Zane C. Hodges, 2016-11-01 **Grace in Eclipse** Zane Clark Hodges, 1985-01-01 Eternal Security Charles F. Stanley, 1990-08-27 Do you ever find yourself wondering Is it actually possible to know beyond the shadow of a doubt that I am going to heaven If you say that my salvation is eternally secure and that I can never lose it does that mean that I can commit any sin and still go to heaven How can an understanding of eternal security make a difference in my Christian life With the wisdom and skill of a man who has personally wrestled with these questions internationally known pastor and bestselling author Charles Stanley addresses the age old issue of grace vs works in this compassionate straight forward book With questions at the end of each chapter *Eternally Secure* is an excellent choice for individual or group study I know from experience that until you settle once and for all the question of whether or not you are eternally secure joy will elude you Therefore it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure Charles Stanley Previously published in hardcover 0840790953 *Heavenly Rewards* Mark Hitchcock, 2019-07-16 Are You Living in Light of Eternity It s difficult to imagine eternal life But when you ve got only one life and you know there is coming a day when you will stand before God it s important to consider whether you re living each day like your life depends on it If you re a Christian the good news is God s judgment isn t about determining your salvation it s about rewarding your faithfulness Salvation cannot be earned it s already yours In *Heavenly Rewards* you will uncover fascinating truths about how the life you live today determines your life in eternity You will learn tangible ways you can please the Lord in your everyday living discover that your labor and sacrifices are never in vain God is a faithful rewarder see the benefits of living faithfully and enduring through even the most difficult times Yes your faithfulness will be rewarded God knows the smallest details of your days and He wants to acknowledge your every act you ve done for Him Living well with an eternal perspective really can change your life for good **"Free Grace" Theology** Wayne Grudem, 2016-07-18 Must the gospel message include a call for people to repent of their sins No say Free Grace advocates Is evidence of a changed life an important indication of whether a person is truly born again No again these advocates say But in this book Wayne Grudem shows how the Bible answers Yes to both of these questions arguing that the Free Grace movement contradicts both historic Protestant teaching and the New Testament itself This important book explains the true nature of the Christian gospel and answers the question asked by so many people How can I know that I m saved **NIV Application Commentary** Craig L. Blomberg, 1995 Most Bible commentaries take us on a one way trip from the twentieth century to the first century But they leave us there assuming that we can somehow make the return journey on our own In other words they focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps us with both halves of the interpretive task This new and unique series shows readers how to bring an ancient message into modern

context It explains not only what the Bible means but also how it can speak powerfully today The God of Promise and the Life of Faith Scott J. Hafemann,2001-11-07 This theological primer lets the Bible tell its own message providing a basic framework for Scripture that will encourage readers to take up the Bible for themselves and grow in faith hope and love

They Who Endure to the End Everett Berry,2020-07-30 Is it possible for a true believer in Christ to apostatize If so how Also how can professing believers know if they are truly born again What assurance can they have that they will never renounce their faith These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters The search for answers has instilled strong disagreements among Christian traditions In this book we navigate the terrain of this debate by examining the pertinent biblical data surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ *Burn for Christ Just . . . Don't Burn Out!* Chi Eng Yuan,2019-04-15 At one time or another all ministers ask the questions or face the challenges of losing their passion for ministry This author contends that the major contributor to a loss of passion or interest in ministry in general is burnout This book consists of two major sections In the first major section chapters 2 through 4 are about our vertical relationship with God in terms of our passion to serve our spirituality our understanding and practice of rest Sabbath and our compatibility In the second major section chapters 5 through 7 are about our horizontal relationship with others in terms of our confidence our management of conflict with others and our approach to the culture around us **Did Jesus Teach Salvation by Works?** Alan P.

Stanley,2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven The Race Set Before Us Thomas R. Schreiner,Ardel B.

Caneday,2001-04-11 In this exploration of the biblical theology of perseverance and assurance Thomas R Schreiner and Ardel

B Caneday weigh all of the relevant New Testament texts and provide a foundational study that offers a clear Reformed perspective on salvation

Pursuit of Perfection Seth M. Simisi, 2016-11-01 Pursuit of Perfection explores the significance of the perfection motif in the Epistle to the Hebrews It addresses the controversial interpretation of teleios perfection in Hebrews where this notion is so central to the argument of the book The investigation examines the meaning of perfection in an attempt to discover its significance on Hebrews theology The need for the study is the lack of adequate treatment of the subject in the last three decades The discussion focuses on the precise meaning to be attached to the notion of perfection and its significance for Hebrews interpretation Through an exploration of major interpretative approaches to the notion of perfection and its usages in classical world Second Temple Judaism and New Testament literature especially Hebrews The author argues that the notion of perfection has an eschatological significance and is linked to better provisions of the new covenant which guarantee believers salvation and eternal inheritance The author sums up his argument that the call to pursue the goal of perfection is a call for commitment to the gospel message as Christians of all ages follow the example of the Christ the one who endured suffering of the cross and its despised shame in order to bring many followers to their future eternal glory

Christians in an Age of Wealth Craig L. Blomberg, 2013-11-26 What does the Bible say about money material possessions and stewardship In Christians in an Age of

Wealth Craig Blomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian's life. He points to the goodness of wealth as God originally designed it but also surveys the Bible's many warnings against making an idol out of money. Taking a close exegetical look at this topic as it's discussed in Scripture, Blomberg answers the toughest questions about Christianity and wealth: Is there any one key to keeping possessions in their proper God-intended perspective? Are there limits on how rich we should become or on how poor we should allow others to get? What does a truly Christian economic system look like? How does the Bible's teaching on wealth fit into the gospel? Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness. He expands on the concept of giving generously even sacrificially to those who are needier, demonstrating how Christians can participate in God's original good design for abundance and demonstrate the world-altering gospel of Christ. _____ Part of the Biblical Theology for Life series, this practical and challenging book will help you and your church ground your worldly possessions on the solid foundation of biblical understanding and reflection. *Systematic Theology, Volume 2, Second Edition* James Leo Garrett, 2014-09-14. Rivals the major systematic theologies of this century. Baptist History and Heritage Journal, July 1996. One of the characteristics of Garrett's system that needs especially to be noted is its balanced, judicious, and nearly invariably objective presentation of materials. While holding true to the teachings of his own Baptist faith, Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive. Consensus, 1997. If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology, there is no more complete presentation in a relatively short work than this. Pastors will especially find this feature to be a real help in teaching theology. It is an indispensable contribution to the task of systematic theology. Journal of the Evangelical Theological Society, September 1999. Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world. The Churchman: A Journal of Anglican Theology, 1991. A gold mine of helpful material. The Christian Century, May 29/June 5, 1991. No book that I know is more loaded with biblical and theological facts than this one. The prodigious research that must have gone into the preparation of this volume is truly mind-boggling. Faith and Mission, Fall 1991. Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint. The work is well documented in both biblical and historical scholarship and will prove to be a classic. William Hendrickson, Southern Baptist Theological Seminary. One of the most comprehensive concise books of its type available; it should receive wide use in the classroom and in the study. Robert H. Culpepper, Southern Baptist Theological Seminary. *Christ the Lord* Michael S. Horton, 2009-01-06. This compelling question is central to a debate taking place among evangelicals today. Michael Horton, a preeminent voice for reformation in the church, has drawn together a group of leaders in the evangelical church to answer this question once and for all. W. Robert Godfrey, Michael Horton, Alister McGrath.

Kim Riddlebarger Rick Ritchie Rod Rosenblatt Paul Schaefer Robert Strimple These writers draw on Scripture theology and church history to address the Lordship salvation issue They explain their positions clearly taking care to avoid promulgating legalistic rules people need to follow to be considered Christian But neither do they convey the feeling that rules no longer matter

A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews C. Adrian Thomas, 2008 A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience What is threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishoners on those tough warning passages in Hebrews

A Victorian Dissenter David E. Seip, 2018-04-24 This book introduces the reader to Robert Govett 1813-1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett's eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett's doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett's views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery
